

Grant-Related/Specially-Funded Instructional Faculty

12 Month Class Code: 2388

Academic Year Class Code: 2387

Date Established: 08-22-75

Date Revised: 02-01-04

OVERVIEW:

The Grant-Related/Specially-Funded Instructional Faculty serves as a California State University instructional staff member in a non-permanent, 12-month or academic year assignment. This classification can be used for grant-funded faculty assignments as well as faculty assignments funded by gifts and bequests or by foundation allocations.

MINIMUM QUALIFICATIONS:

The candidate must have a combination of education and experience required for the academic rank to which he/she is to be appointed plus exceptional professional merit in scholarship and teaching as evidenced by regional or national recognition in his/her discipline(s), as determined by the President, after appropriate consultation.

COMPENSATION:

5% to 35% differential above the corresponding salary of the Instructional Faculty classification.
