

MS-SLP Prerequisite Advising Worksheet

Prerequisite courses for the MS-SLP program are required for applicants without an undergraduate degree in SLP or Communication Sciences and Disorders. Applicants must have a C or better in the prerequisite courses listed below.

How to use this worksheet

Use one row for each completed or in-progress prerequisite course. Enter the course title, prefix and number, school, term, year, grade, and credits/units. Use this worksheet as a guide when entering prerequisite coursework in your CSDCAS application.
