Accessible Parking

A parking fee is required to park on any California State University campus according to State law. All vehicles, including those with a distinguishing disabled placard or plate, must also display a valid CSUMB parking permit.

Parking in a posted accessible parking space requires:
A valid DMV issued disabled placard or a disabled person/disabled veteran license plate AND a valid CSUMB parking permit.

Persons displaying a valid DMV DP placard or a DP/DV license plate AND a valid CSUMB parking permit may also park without regard to the time limit at a green curb, in visitor parking, or at a metered space without paying a parking meter fee.

You may not park:
- In spaces marked with a crosshatched pattern
- At red curbs, yellow curbs (commercial vehicles only), or white curbs (passenger loading/unloading only) – driver must remain with vehicle at all times)

Important
Your parking placard or plate may only be used by you. Never loan your placard to another, or alter a placard or placard ID card.

All persons displaying a DP placard or DP/DV license plate must have in their possession at all times their DMV-issued DP/DV ID card and state-issued photo ID which must be presented upon request by Parking Services or a police officer for verification. (22511.5, 22511.55, 22511.6 CVC)

To apply for a Disabled Person temporary or permanent placard visit the DMV website at dmv.ca.gov or call 1-800-777-0133 to obtain a form (Reg 195) for a parking placard or special plates. Qualified persons (295.5 CVC) may apply by mail or in person at a DMV field office.
