12. REVOCATION OF LICENSE BY UNIVERSITY.

12a. Revocation by the University. Revocation means the University or SHRL revokes the License before the approved summer Fee Period is scheduled to end. The University may terminate this Agreement and initiate removal and/or banishment of a License upon the occurrence of any of the following reasons:

12a1. Disciplinary action against Licensee pursuant to sections 41301-41304 of Article 2 of Subchapter 4 of Title 5 of the California Code of Regulations, and CSU Executive Order 1098.

12a2. Licensee is convicted of any misdemeanor or felony committed on University property, or involving any member of the University community (e.g. students, staff, or faculty) whether on or off University property, or that is otherwise University-related.

12a3. Breach of any term or condition of this License Agreement or of any addendum hereto, specifically including, but not limited to, Licensee's failure to pay required housing charges, fees, or insufficient funds debt;

12a4. Failure to maintain status as a student at the University due to academic dismissal or all other withdrawals. Licensee must be regularly enrolled in an approved academic program as a matriculated student at CSUMB unless otherwise approved by the Director of SHRL;

12a5. Possession of any weapon, including but not limited to replicas, firearms (defined as any gun from which a shot, readily capable of producing death or physical injury, may be discharged; rifles, pistols, or handguns designated to fire bullets, BBs, pellets, or shots, including paintballs, airsoft guns, Nerf guns, regardless of propellant used or if no propellant is used as in starter or blank guns/pistols), and "Electronic dart or stun guns". Knives, unless specifically used for culinary activities, (including, but not limited to, hunting, switchblade, gravity, "Butterfly," sport, daggers, cane swords, decorative, or throwing of any size or any large blade kitchen knife displayed in public areas); bows and arrows, crossbows, slingshots, or similar devices; ammunition; noxious materials, or any unauthorized hazardous materials or chemicals; other weapons, such as batons, Billy clubs, nightsticks blackjacks, slapjacks, slap gloves, brass knuckles, Pilum ballistic knives, "Chuka sticks", "Kung Fu stars", or other martial arts equipment; explosives and fireworks of any sort or any other weapon described in the California State Penal Law are prohibited on University property.

12a6. If the continued presence of the Licensee poses a danger to other residents, staff, faculty, or other members of the University community. For residents who pose a danger to themselves, the university reserves the right to address the behavior to mitigate disruptions to other residents, staff, faculty or other members of the university community;

12a7. Falsification of any legitimately required information requested by the University;

12a8. An emergency in which the peaceful and orderly operation of the University, or the health and safety of any person, is or may be jeopardized; or,

12a9. Administrative necessity of the University. Administrative necessity exists when any condition not reasonably foreseen at the time of confirming a reservation, issuing a license, or renewing a license occurs and prevents the university from making or continuing to make a housing facility available to the licensee. Such conditions shall include, but are not limited to, damage caused by

floods, slides, fire, earthquake, other natural disasters and vandalism; civil disorder; compliance with state or federal law; or interruption of basic services because of labor strife. Such conditions shall also include a dramatic increase in demand for housing oversupply not reasonably foreseen by the campus, if such demand results in an overbooking of available housing facilities.

12a10. Any resident who poses a safety concern may be asked to leave the housing community and/or their assigned bed space, denied access to the housing community and/or their assigned bed space, and/or required to commit to a behavior contract as prescribed by a SHRL staff member. SHRL reserves the right to remove any individual exhibiting behavior deemed by the University as a threat to the community.”

12b. Removal of a Licensee will generally be preceded by a three-day removal notice; however, depending on the severity of the situation found to warrant removal, shorter notice may be permitted and necessary.

12c. Licensees who have had a previous license terminated or revoked may be denied future occupancy.

12d. In the event that the University revokes the License Agreement, Licensee will be assessed charges as noted in Section 11 herein.

12e. Eviction/Suspension Payment. As per Section 11, if a Licensee is evicted, Licensee shall owe the full approved summer Fee Period of the License (summer session), plus any charges for damages, cleaning, and all nonrefundable fees as described in the Payment Information section of this License Agreement.

12f. Trespass. Residents who have been evicted are considered banned and no longer permitted to be a Licensee or visitor to any Student Housing facilities or grounds per California Penal Code section 602(m). Should an evicted person return to the Student Housing community, that individual is subject to conduct action and potentially arrest for trespassing.

13. VACATING OR MOVING OUT OF THE HOUSING FACILITY.

Unless otherwise instructed by SHRL, Licensee shall vacate the housing facility on the expiration of the approved summer Fee Period or upon cancellation or termination of this License, whichever comes first. For failure to timely vacate the facilities Licensee may be charged the Daily Rate for housing fees, and may be subject to eviction in the manner provided by the laws of the State of California. The University and/or Greystar may charge any other applicable fees or charges.

14. ABANDONMENT BY LICENSEE.

Unless approved by the University under any other section herein, abandonment of assigned space by Licensee shall not release Licensee from paying any obligation for the full approved summer Fee Period due under this License to University if Licensee is fully enrolled in University courses.

15. ABANDONED PROPERTY.

Any property of the Licensee remaining in a housing facility after expiration, cancellation or termination of the license shall be deemed abandoned property and University may take possession of and dispose of such property in any manner it deems appropriate in accordance with University regulations and applicable law, without any liability to the University. Licensee may be liable to the University or

Greystar for any costs incurred in the hauling, storage, and disposal of any property presumed abandoned whether such work was done by the University or a third party.

16. OTHER FEES.

16a. Application Fee. No application fee is required when applying for on-campus housing for Summer 2026, unless the application is filled out after the April 27th, 2026 for Session 1 and May 18th, 2026 for Session 2 deadlines.

16b. Late Fees. Late payment penalties are assessed at the rate of \$35 monthly on accounts. Late payment also includes not paying the full balance currently due. Late fees will continue to be assessed every 30 days on delinquent accounts and are due the day after they have been assessed. Once a student account becomes past due and late fees are assessed, you must also pay past due charges and late fees to bring the account current.

16c. Improper Checkout Fee. Failure to complete the proper check-out procedures may result in Licensee being charged a \$75 improper check-out fee.

16d. Keys. Lost or damaged keys will result in a minimum of a \$50 rekey fee subject to the area in which the Licensee is assigned according to the room damages schedule. Rekey fees can range up to \$250 depending on the community.

16e. Returned Checks. Checks (paper and electronic) returned to the University by the bank upon which they were drawn will be subject to a non-refundable \$25 returned check fee the first time and a non-refundable \$35 returned check fee the second or any subsequent time. Licensees are liable for balance due plus fees under Civil Code Section 1719 for triple the amount of the check (a minimum of \$100 and a maximum of \$500) if funds necessary to cover the check are not received within ten (10) calendar days following a written notice. Licensees may also have their License terminated for nonpayment of a dishonored check debt. If Licensee gives the University two (2) successive checks that are returned for nonpayment during the term of this License, then any future amounts due hereunder shall be payable only by cashier's check or money order. This policy will be applicable throughout the balance of either the initial term or any renewal or extension thereof.

16f. Reinstatement Fee. If an action is taken by the University such as applying a No Show Cancellation Fee or reviewing Licensee's request to cancel or vacate the license, whether approved or denied, and Licensee requests and is approved to reinstate their License, there may be a \$100 Reinstatement Fee charged to Licensee for administrative services in addition to any other previously incurred fees.

16g. Liquidated Damages. Liquidated damages are imposed under certain conditions as set forth in this license. The Licensee agrees that the noted liquidated damages are reasonable and are presumed to be the amount of damage sustained by the University because it is impractical or extremely difficult to fix the actual damage.

17. REFUNDS.

The University shall authorize refunds only as provided for in Title 5 of the California Code of Regulations,

this License and University policy. The University or Greystar shall refund all money collected in excess of

Licensee's obligations as soon as reasonably possible. Any refunds or fee changes will be submitted to the Licensee's account at CSUMB, which will be subject to refund, disbursement, and business hold policies authorized per §41802 and Title 5 of the California Code of Regulations and other applicable law. Credits held in a Licensee's student account will be applied to any outstanding charges for University services on the Licensee's student account. The Licensee agrees that the balance of any refunds will be carried as a credit balance on the Licensee's student account, unless the Licensee requests disbursement of the credit balance. This Refund process also applies to a Licensee who is no longer registered as a student at the University. No interest or other earnings will be credited to the Licensee's account.

17a. Refunds shall not be granted for loss of use of room, bed space, unit, or community for reason of facilities failure or issue if Licensee if provided a temporary assignment.

17b. Refunds shall not be granted for loss of use of any amenities within room, bed space, unit, or community.

18a2. Withholding of university services pursuant to Section 42381, et. seq., Title 5, California Code of Regulations, which includes, but is not limited to, denial of registration, adding or dropping classes, and/or withholding of services and access to or use of facilities;

18a5. Offset of loans, grants or scholarships payable through the university, or tax refunds through the Franchise Tax Board; and,

18a6. Legal action, including employment of a collection agency, to collect all delinquent amounts or enforce rights. Any attorney fees and other reasonable collection costs and charges accrued during the collection of said amounts are the responsibility of the Licensee.

18b. Licensee agrees that housing fees are an extension of credit for living expenses and are considered an educational debt.

19. GENERAL.

19a. Communication. Official information to Licensee on housing matters will be communicated through the Licensee's CSUMB email account. Residents are responsible for checking for email communications on a regular basis and are responsible for being aware of the information and following instructions they

Notification to Licensee may be done by posting the change in central areas of the housing units, sent to Licensee's CSUMB email, or delivery to the Licensee at their assigned unit. No modification of this License shall be effective unless given in writing by an authorized representative of University within thirty (30) days' written notice. Neither the Licensee nor University may rely on any oral License or representation or any understanding of fact or law that is not expressed in writing. The University shall exercise these rights reasonably and with respect for Licensee's right to be free from unreasonable searches, and intrusions into study or privacy. The University is not responsible for construction noise or

disruptions associated with nearby construction sites or activity.

19e. Non-Waiver. The waiver of any breach of a term or condition of this License shall not constitute a waiver of any subsequent breach.
