Campus Recognized Sorority and Fraternity Transparency Act (AB-524)

The Campus-Recognized Sorority and Fraternity Transparency Act ([AB 524; Sections 66310-66312 of California Education Code](#)) requires each institution of higher education to include in the institution's requirements for campus recognition of a campus-recognized sorority or fraternity, as defined, a requirement that the sorority or fraternity submit to the institution on or before July 1, 2023, and annually thereafter, specified information concerning the sorority's or fraternity's members and their conduct

Non-Recognized and Dormant Organizations

Organizations in the community that may portray themselves as university-affiliated fraternities or sororities. Although these organizations may have CSUMB students representing them, they are not recognized by the University.

Unrecognized organizations cannot be required to follow University standards. Recognized fraternities and sororities receive consistent training on hazing, alcohol and drug abuse, Title IX resources, mental health, leadership development and much more. The status of recognized fraternities and sororities is evaluated on a regular basis and is dependent on the students' ability to comply with the Fraternity and Sorority Affairs Policies and Procedures as well as the Student Code of Conduct.

For the safety of our students and the community, we urge students to take caution when associating with these organizations and their events.
