INTERNATIONAL PROCESS

International Vendors

Considering doing business with someone from another country?

Stop Sign

You must first contact Art Evjen, Director of Business & Support Services for important regulations that MUST be satisfied PRIOR to making a commitment for goods and/or services from another country.

There are several critical criteria that must be researched and considered, including visa status, treaties, and withholding regulations. Information will be requested from the foreign entity to render a determination as to whether we can proceed and the optimal process under which to proceed.

Art Evjen can be reached at x3394 or at aevjen@csumb.edu
INTERNATIONAL PROCESS

• PRIOR to any Commitment/Agreement
• Preliminary Assessment - Form
• International VDR
