

Finance Data Warehouse upgrade-changes and Enhancements

- The "Apply" button will appear on some dashboards, please ignore this button.

The screenshot shows a dashboard titled "Financial Summary by Year" with a "Report Filters" section. The filters include "Period From" (set to 21), "Between" (set to 0), "Project", "Program", "NOT Account", "NOT Project", "NOT Acct Cat", "Budget Ledger" (set to BUDGETS), and "Fund CF Status" (set to --Select Value--). A blue arrow points down to a red-bordered "Apply" button.

- The Search feature on the filters has changed *YAY*

The screenshot shows a "Select Values" dialog box. The "Available" section has a search bar with a magnifying glass icon. Below the search bar, a dropdown menu is set to "Name Contains" and a "Match Case" checkbox is present. A list of values is shown below, including "0000 - UCWA Non-Departmental", "00000 - Blank Org", "00000 - Budget Close Use Only", "00000 - Budget Closing Department", "000000 - Unallocated/Holding", and "000000 - Year End Budget Roll". A "More..." button is at the bottom right.

- You can also start a search by typing in the report filter
