MBWLP Leadership Team

2017 MBWLP Promo

For over 20 years the Monterey Bay World Language Project (MBWLP), one of the sites of the California World Language Project affiliated with the California Subject Matter Project, has been offering seminars to promote best language teaching practices in Monterey, San Benito & Santa Cruz counties. The MBWLP Team is composed of experienced language teachers because we believe that “Teachers Teaching Teachers” is the most effective way to encourage the use of proficiency-oriented, standards-based strategies to improve student performance. Please join us, fees negotiable!

2019 Literacy Workshop

The CA EL Roadmap calls for intellectually rich learning experiences that emphasize engagement, interaction, discourse, inquiry, and critical thinking. This guidance, along with the rigor necessary to master the CA ELD Standards, ELPAC, and 21st Century Skills, compels us to examine how we develop and deepen our students' literacy.

This two-day workshop will guide ELD and World Language Teachers in:

- Utilizing high-impact literacy strategies that support CA ELD Standards and ELPAC preparation
- Exploring connections between literacy instruction in Designated ELD for Newcomers and World Languages courses

- Grounding instructional decisions for literacy in the CA EL Roadmap and the 21st Century Skills Map for World Languages

Monterey Bay World Language Project 2019-20

2019-20--Program 1

A Call to Action: Reaching Global California 2030 with New World Language Standards

Description: World Language Teachers have a critical role in supporting Global California 2030, an initiative that aims to more than triple the number of students graduating with the State Seal of Biliteracy. In order to prepare our students for Global California, join us in unpacking the new 2019 California World Languages Standards and learn how they can guide both teachers and learners in their journey to thrive in an ever-changing interconnected world. Participants will collaboratively create, adapt, and share standards-aligned curriculum and take home practical resources and applications.

2018-2019 core workshop series! This is a five-day series, with sessions held on the following days from **9AM to 4PM**:

- September 28, 2019
