JLC: Japanese Language and Culture

SLHC: Spanish Language and Hispanic Cultures

In alignment with the mission of the College of the Arts, Humanities and Social Sciences, the mission of the World Languages and Cultures program is to prepare students to be active participants in an ever-shrinking and increasingly interdependent globe.

The College of Arts, Humanities, and Social Sciences offers a liberal arts education that fosters critical thinking, creativity, communication, social responsibility, intercultural competence, and lifelong learning. We advance knowledge of the human experience and empower students to thrive in a complex world.
