

PURPOSEFUL GROWTH BY 2030: VISION TO IMPACT

Statement of Strategic Direction
Executive Summary

VISION

Through innovative teaching and scholarship, the College of Education prepares highly effective, culturally sustaining professionals who serve, engage, and transform communities and schools to promote equity and social justice.

MISSION

The College of Education prepares innovative scholar-practitioners who enact culturally responsive and sustaining, evidence-based practices to cultivate lifelong learning and well-being in diverse communities.

VALUES

- Innovative, transformative, and equitable practices
- Reflective teaching, research, and scholarship
- Reciprocal and responsive individual, family, and community relationships
- Local and global impact

STRATEGIC PRIORITIES & GOALS

1. Cultivating a Thriving, Supportive College Community

1.A. Foster an academic community where every interaction exemplifies professional excellence and collegial respect to support the wellbeing of students, staff, and faculty.

1.B. Expand fundraising and partnership development efforts to strengthen our ability to support transformative student experience, faculty achievements, and institutional growth.

1.C. Strengthen internal supports and resources for faculty and staff.

2. Attracting and Preparing Students for Academic and Professional Success

2.A. Embrace a comprehensive and holistic approach to student success that integrates academic, social, emotional, and professional support systems.

2.B. Champion culturally responsive and sustaining practices that honor multiple perspectives and create transformative learning experiences for all students.

2.C. Expand and illuminate multiple pathways that inspire current and potential CSUMB students to discover and pursue their future professions in our programs.

2.D. Showcase our transformative programs through compelling storytelling that resonates with prospective students from a variety of backgrounds, leveraging the passionate voices and impact of our students, faculty, community partners, and alumni.

3. Deepening Community and Alumni Partnerships

3.A. Cultivate dynamic partnerships with community organizations that create opportunities for our students and graduates to effectively serve individuals, families, and communities.

3.B. Collaborate with our alumni network as vital contributors and ambassadors who enrich our educational community through their expertise and passion.
