

Botanical Illustration

Summer 2023

Instructor: Erin Hunter

Email: erin@eehunter.com

- Pencils
- Sketching paper
- Waterproof pens, like Pigma Microns; if you are only purchasing one pen, I would recommend the 01 size (available at most art supply stores). A black ballpoint pen works well too.

Optional

Please bring these items if you have them; I'll have some supplies on hand for students who might not have them.

- Watercolors and brushes
- Colored pencils (Prismacolors or watercolor pencils work best)
- White gouache (opaque watercolor)
