2021-2022 Custom Independent Verification Worksheet (V4)

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, the Financial Aid Office is required to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences between your FAFSA and the financial documents provided, a financial aid administrator will make corrections to your FAFSA if needed.
