

Mandatory Form for In-person attendees

Based on the recommendations of the Public Health Advisory Working Group and new information about the increase in the spread of COVID-19 variants - CSUMB will continue all masking, cleaning, events, and other health and safety practices presently in place through the summer and until at least Aug. 16, 2022.

All in-person events must utilize an RSVP system that collects attendees' names and contact information before the event. Attendees must also attest they are fully vaccinated and affirm that they will not attend the event if they have an active case or believe they were exposed to COVID-19. To ensure compliance, please complete this [FORM](#) before the Board meeting on June 8.
