

EMPLOYEE PHOTOGRAPHY CONTEST

Are you an amateur photographer? Do people always tell you that your pictures are amazing or that your photos really capture a special moment or tell a story? Then this opportunity is for you! The CSU invites you to participate in this systemwide photography contest, with the winning photo being prominently featured on the cover of the 2020 Employee Profile!

All employees are encouraged to share their photography, (within the last 3 years), which showcases what it's like to work on campus. The purpose of this effort is to feature our beautiful CSU campuses and CSU's most important asset, its people. All submissions will be considered, with the winner being featured on the cover. Other images will be credited and may also be included in the profile. This annual publication and website is produced in the spring, and features the employment data analytics of the CSU workforce, as well as notable employee contributions and accomplishments.

We look forward to seeing your amazing photos!

CONTEST RULES

- The contest is open to active CSU employees.
- Limit of three (3) entries per employee.
- Photography needs to be high resolution, 300dpi, full-color, jpeg files (larger than 3mb-suitable for printing).
- All submissions will be judged and determinations are final.
- You must own the rights to the image(s). A photography release has been provided, and must be submitted with your photos. Please save/name this way:
Campus_Your Name_Photo Release
- Please use this naming convention for your photo files:
Campus_Your Name_Photo Name
- Submit your photos and signed release to the provided link below to a dedicated OneDrive folder. Place your files in the folder for your campus.
