Opening on the Post Graduate Studies Committee (PGSC) of the Academic Senate at California State University Monterey Bay

The Post Graduate Studies Committee of the Academic Senate is seeking a graduate or credential program student who is interested in joining their committee.

The charge of this committee shall include, but not be limited to, initiating, developing, recommending, reviewing and/or supporting:

- The establishment of criteria for adoption or modification of graduate degree programs or post-baccalaureate certificate and credential programs;
- Graduate program modification and/or termination;
- The availability and allocation of adequate resources to support quality graduate programs;
- Review of proposals for new post-bac and/or graduate programs;
- Academic policies and standards for post-baccalaureate work;
- Advocacy for graduate and credential programs;
- Policies on post-baccalaureate admissions;
- Appropriate faculty workload with respect to postgraduate and post-baccalaureate courses;
- Policies for teaching and research assistantships.

PGSC members meet monthly for about 2 hours. Committee members can expect to spend about 2 hours preparing for each meeting. The workload may be higher in the fall when course and program revision proposals need to be reviewed.

The PGSC meets on the 2nd Monday of the month from 10:10 to 11:50 via Zoom this semester.

If you are interested in joining please send an email to academicsenate@csumb.edu.
