## Leave of Absence Request

Part 6: Formal leave of absence guidelines and conditions (Enrollment & Registration Policy 6.0)

## Eligibility

- Only continuing, matriculated students are eligible for a leave of absence. A student must have attended at least one term before requesting a leave of absence. Any registered classes must be dropped before a leave request can be approved.
- Continuing undergraduate and credential students are allowed up to two semesters of informal absence without needing to file a Leave of Absence Request.
- Continuing graduate students are NOT allowed an absence without submitting a Leave of Absence Request.

### **Deadlines**

- Request forms must be received in the Office of the Registrar prior to the first day of the semester for which the leave is requested.
- Students on leave will be provided registration information for the semester they are to return via CSUMB email. Students should monitor their university email account for these messages.

### Limitations

P

- A formal leave of absence may be granted for a minimum of one and a maximum of four total semesters.
- Students that have applied for a graduation term that is during the requested leave semesters will
  have their expected grad term moved to the requested semester of return and will be charged the
  corresponding graduation date change fee.
- While on formal leave a student is not considered "enrolled" and is not eligible for any services from the University (except for maintaining the university email account).
- Failure to return from leave as specified in the approved leave of absence request will be considered withdrawal from the university. Under such circumstances, re-enrollment will require a full application for readmission under the same circumstances as any new or returning applicant including enrollment in the curriculum in effect at the time of re-enrollment.
- Students returning early from leave or cancelling their leave request must notify the Office of the Registrar in writing.
