Message from the President

Dear campus community:

At California State University, Monterey Bay, we pride ourselves on providing a safe and welcoming environment for all students, faculty and staff. As part of that responsibility, we publish an annual Fire Safety Report to ensure you are informed of the proactive work we have done to provide training and infrastructure to prevent fire incidents on campus as well as how to respond if a fire were to occur.

Our campus administrators – including the University Police Department, Student Housing and Residential Life, the offices overseeing the Clery Act compliance and Title IX enforcement and others – work hard to maintain open lines of communication with students, faculty and staff about safety issues.

We all share in the task of maintaining a safe campus and we can all do our part by being alert for potentially dangerous situations.)

I encourage you to familiarize yourselves with the resources that are outlined in this report. Working together we can help keep CSUMB a great place to live, work and learn.

Preparing the Annual Security Report

The Cal State Monterey Bay (CSUMB) Clery Compliance Office compiles this institutional report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act), and is a disclosure for the three most recent calendar years concerning the number of specific crimes that occurred on or within the institution’s Clery geography. This report is a collaborative and comprehensive effort that includes the cooperation of departments from all divisions within the institution, individuals designated as “Campus Security Authorities” (CSA) under the Clery Act, and local law enforcement agencies with concurrent jurisdiction over the University’s Clery geography. Each entity is asked to provide crime statistics and/or information on their educational efforts and programs to comply with the Act.

CSAs must promptly report allegations of Clery crimes that occur within CSUMB’s Clery Geography that are reported to them. A report may be a written or verbal disclosure made by any person to the CSA, including information shared with the CSA by witnesses or other third parties. CSA reports must include the following, if known: the crime that was reported and the information provided; the exact location where the reported crime occurred; the date and time the reported crime occurred; any witness and perpetrator information; victim information, unless the victim requests confidentiality (employees may be required to share this information with other offices if they have responsibilities under other laws and policies including, but not limited to, Mandatory Reporting of Child Abuse and Neglect, and the CSU Interim Systemwide Sex Discrimination, Sexual Harassment, Sexual Misconduct, Dating and Domestic Violence, and Stalking Policy. In the event the victim does request confidentiality, enough information must be obtained and provided by the CSA about the criminal incident to prevent over-reporting or "double-counting" of the incident).

It’s important for readers to know that the Salinas campus, better known as CSUMB at North Salinas, operates under the same institutional policies as the Seaside campus, better known as CSUMB. However, Salinas Police Department is the primary jurisdiction for CSUMB at North Salinas. Preparing this report included identifying any operational distinctions between the campuses.
The policies and procedures within this report are current as of the publication, as the University recognizes this document as an immediate reference to possible current inquiries; however, the statistical data, as previously mentioned, is for the three previous calendar years.

All students and employees receive annual notice by University-wide email that informs them of the Annual Security Report (ASR), a brief description of its contents, information regarding the availability of the report on the campus website, the electronic address to access the report, and a statement on how to obtain a paper copy, if desired.

Additionally, similar notices are provided to prospective students and employees on the Admissions and Human Resources web pages, respectively.

**Compiling Crime Statistics**

Under the Clery Act, counting and disclosing criminal offenses (including sex offenses), hate crimes, and arrest and disciplinary referral statistics are based on definitions provided by the Federal Bureau of Investigation’s (FBI) Uniform Crime Reporting (UCR) Program; and the following categories are counted and disclosed based on the definitions provided by the Violence Against Women Act of 1994 (VAWA) and repeated in the Department of Education’s Clery Act implementing regulations at 34 C.F.R. Section 668.46: Dating Violence, Domestic Violence, and Stalking.

The statistics provide an overall picture of crime at CSUMB and CSUMB at North Salinas from January 1 to December 31 for 2020, 2021, and 2022.

Crime statistics are collected annually from law enforcement agencies with concurrent law enforcement jurisdiction(s) surrounding CSUMB and CSUMB at North Salinas, and off-site properties or facilities owned or controlled by either campus.

These law enforcement agencies provide crime statistics they have collected for crimes occurring on non-campus properties or public property immediately adjacent to CSUMB or CSUMB at North Salinas’ properties or facilities. The University does not have any off-campus properties owned by student organizations.

Statistics regarding specific violations of law resulting in student disciplinary actions are collected from but not limited to the offices of Title IX/Discrimination, Harassment & Retaliation Administration (Title IX/DHR), Student Housing and Residential Life (SHRL), and Student Conduct. Clery Act statistics are also collected from individuals with significant responsibility for students and/or their campus activities.

Crime statistics are separated by the following geographical areas (also known as Clery Geography):

- On-campus;

---

1 For a full list of definitions, visit [http://csumb.edu/clery](http://csumb.edu/clery).
2 The name VAWA is delegated per federal law (Title IV, sec. 40001-40703 of the Violent Crime Control and Law Enforcement Act, H.R. 3355); however, reports of this nature are taken regardless of the victim’s gender or identity.
3 Including but not limited to Marina Police Department, Seaside Police Department, Presidio of Monterey Police Department, Monterey County Sheriff’s Office, California Highway Patrol, and Salinas Police Department.
4 Non-campus locations are defined as (1) any building or property owned or controlled by a student organization that is officially recognized by CSUMB or CSUMB at North Salinas; or (2) any building or property owned or controlled by CSUMB or CSUMB at North Salinas that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the campus. Although no University recognized student organization owns any statistics regarding specific violations of law resulting in student disciplinary actions are collected from but not limited to the offices of Title IX/Discrimination, Harassment & Retaliation Administration (Title IX/DHR), Student Housing and Residential Life (SHRL), and Student Conduct. Clery Act statistics are also collected from individuals with significant responsibility for students and/or their campus activities.
• On-campus student housing facilities; CSUMB at North Salinas does not have student housing
• On public property (within and immediately adjacent to CSUMB or CSUMB at North Salinas); and
• In or on non-campus property (either owned or controlled by CSUMB or CSUMB at North Salinas in
direct support of or in relation to its educational purposes; or a building or property owned or controlled
by an officially recognized student organization not reasonably contiguous to the core campus).

The following information is important when reviewing CSUMB and CSUMB at North Salinas’ crime data.

**Counting Hierarchy**

When counting multiple offenses in a single incident, Cal State Monterey Bay used the FBI’s UCR Hierarchy Rule.
Under this rule, when more than one Criminal Offense was committed during a single incident, Cal State Monterey
Bay only counted the most serious offense. A single incident means that the offenses were
committed at the same time and place. That is, the time interval between the offenses and the distance between the
locations where they occurred were insignificant.

Beginning with the most serious offense, the following list shows the hierarchy for Clery Act reporting:

- Murder and Non-negligent Manslaughter
- Negligent Manslaughter
- Sexual Assault
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft

There are exceptions to using the Hierarchy Rule when counting offenses. They apply to Arson, Sexual Assaults,
Hate Crimes and VAWA Offenses. When applying these exceptions, Cal State Monterey Bay must:

- Always count Arson regardless of the nature of any other offenses that were committed during the same
  incident.
- Include incidents in which persons are killed as a direct result of Arson as Murder and Non-negligent
  Manslaughter and Arson or Negligent Manslaughter and Arson.
- Include a Sexual Assault as Fondling only if it is the only Sexual Assault.
- Count both the Sexual Assault and the Murder if Rape, Fondling, Incest or Statutory Rape occurs in the
  same incident as Murder.

The Hierarchy Rule does not apply to Hate Crimes. Cal State Monterey Bay must count all of the offenses
committed in a multiple offense incident that are bias-motivated, and include only the crimes that are bias-motivated
as Hate Crimes in a multiple-offense incident. For any Criminal Offense that is also a Hate Crime, statistics will
indicate the offense and also the offense with the category of bias. For example, if an Aggravated Assault is a Hate
Crime, Cal State Monterey Bay will include one Aggravated Assault in the statistics in the Criminal Offenses
category and one Aggravated Assault motivated by (category of bias) in the Hate Crime category. The exception is
when the Aggravated Assault is not included in the Criminal Offenses category because of the Hierarchy Rule. For
example, for a single incident involving both a Rape and an Aggravated Assault that were both Hate Crimes, Cal

---

5 CSUMB has a residential community that operates three apartment communities: Frederick Park I, Frederick Park II and Schoonover Park. Frederick Parks I and II are advertised and operated for student housing, whereas Schoonover Park typically houses Cal State Monterey Bay faculty and staff and educational partners. Although these are considered ‘East Campus’ by students, faculty and staff; for statistical purposes, each community is considered on-campus since they are operated by the University and are within the same reasonably contiguous geographic area as the Seaside campus. Frederick Parks I and II have always been included in the Residential Facilities category. However, Schoonover may or may not be included in the student housing disclosure for any given year. As such, if a student lived in Schoonover Park during a calendar year, Clery reportable crimes that occurred in any building structure that housed a student, whether or not it involved a student, have been included. Any crimes that occurred in Schoonover Park that did not occur in a building structure that housed a Cal State Monterey Bay student was only included in the on-campus geographical category.
State Monterey Bay’s statistics would include only the Rape in the Criminal Offenses category and both the Rape and the Aggravated Assault in the Hate Crimes category.

The Hierarchy Rule does not apply to VAWA Offenses. For any Criminal Offense, Hate Crime, or arrest for Weapons, Drug or Liquor Law Violations that is also a VAWA Offense, statistics reflect the original offense and the VAWA Offense.

**Unfounded Crimes**
In accordance with 34 C.F.R. § 668.46, Cal State Monterey Bay may only exclude a reported crime from an upcoming ASR, or remove a reported crime from its previously reported statistics, after a full investigation by sworn or commissioned law enforcement personnel have made a formal determination that the report was false or baseless and the crime report was therefore “unfounded.” This does not include a District Attorney who is sworn or commissioned. A Campus Security Authority (CSA) who is not a sworn or commissioned law enforcement authority cannot “unfound” a crime report either.

The recovery of stolen property, the low value of stolen property, the refusal of the victim to cooperate with law enforcement or the prosecution, or the failure to make an arrest does not “unfound” a crime. The findings of a coroner, court, jury (either grand or petit), or prosecutor do not “unfound” crime reports of offenses or attempts. Crime reports can be properly determined to be false only if the evidence from full investigation establishes the crime reported was not, in fact, completed or attempted in any manner. Crime reports can only be determined to be baseless if the allegations reported did not meet the elements of the offense or were improperly classified as crimes in the first place. A case cannot be designated “unfounded” if no investigation was conducted by sworn law enforcement personnel or the investigation was not completed, nor can it be designated “unfounded” merely because the investigation failed to prove the crime occurred; this would be an inconclusive or unsubstantiated investigation.

If a crime is “unfounded”, it will not be included in the Clery Act statistics for the associated crime category, and is removed from any previously reported statistics for that crime category. The “unfounded” crime is included in the total count of “unfounded” crimes for the year in which the crime was originally reported.

Crime statistics concerning this campus and others can also be found on the U.S. Department of Education website.⁶

Hate Crimes
2020 – No reported hate crimes.
2021 – One on-campus Intimidation incident characterized by racial bias.
2022 – Three reported hate crimes. One on-campus intimidation incident characterized by sexual orientation bias as well as race bias. One on-campus simple assault/sexual orientation. One on-campus simple assault characterized by gender.

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. **Procedures for Students and Others to Report Criminal Actions or Other Emergencies on Campus**

**Emergencies on Campus**

Each member of the University community has the obligation to report threats or acts of violence to the appropriate University authority. Cal State Monterey Bay strives to prevent threats and acts of violence through coordinated services for students, faculty, and staff. The University will work to prevent violence from occurring through training, education, awareness, and reporting. When violence or threats of violence have occurred, the University will act promptly to protect victims, potential victims, and witnesses from further threats or acts of violence. The University will work closely with reporters of alleged threats or acts of violence to address concerns of retaliation. Individuals should report acts of violence, threats of violence, or any other behavior which by intent, act, or outcome harms another person by calling 911 in an emergency situation.

When appropriate, criminal investigations will be referred to the Office of the Monterey County District Attorney for prosecution. Criminal matters and other forms of misconduct involving Cal State Monterey Bay students, employees, and residents may also be referred to the appropriate University administrator for administrative review/conduct process. The University encourages the complete, accurate, and prompt reporting of all crimes to UPD or the appropriate law enforcement agency when a victim elects to, or is unable to, because such a report is essential for successful investigation and prosecution. Prompt action can prevent the perpetrator from committing additional crimes.

**To Law Enforcement**

**CSUMB (Seaside Campus)**

The UPD, similar to other police agencies, provides 24-hour law enforcement service, throughout the entire calendar year, including all holidays. In-progress suspicious or criminal acts and all police, fire\(^7\), or medical emergencies should be reported directly to UPD or local law enforcement, as appropriate, by dialing 9-1-1. UPD may also be contacted by pushing the button on a “blue light”\(^8\)campus emergency phone. There are over sixty-two blue-light emergency phones in operation at any given time except when impacted by construction or maintenance that are located throughout the Seaside campus.

Classroom and office phones may be used to dial 9-1-1 in the event of an emergency. When calling in emergencies, be prepared to provide the police dispatcher with your name, telephone number, the nature of the emergency, and location, as well as any pertinent information regarding the emergency (such as suspect and vehicle description, direction of travel, nature of the medical emergency needing assistance, etc.). Always stay on the line until the dispatcher ends the call. For all non-emergencies and regular business, call Police Dispatch at 831-655-0268.

---

\(^7\) For more information on how to report on-campus fires and fire safety, please see the Fire Safety Report

\(^8\) Blue-light phones and emergency call boxes are tested monthly, and if one is not working, it is immediately repaired or replaced. The number of blue-light emergency phones decreased with the erection of the Otter Student Union.
Students residing in on-campus housing may also report non-emergency crimes to the on-duty Resident Advisor (RA) or Residential Life Coordinator (RLC). Students may also contact the Office of the Vice President for Student Affairs.

The following are University off-site properties. In the event you need to report a non-emergency, please call the number listed. It will direct you to the police agency with primary jurisdiction.

- Soledad Street Community Learning Center, Salinas PD 831-758-7321
- CSUMB at Salinas City Center, Salinas PD 831-758-7321
- CSUMB at Ryan Ranch, Monterey PD 831-646-3830

Criminal complaints and other investigations made directly to UPD will be handled by UPD personnel, and if appropriate and applicable, may include assistance from an outside agency upon request from UPD.

**CSUMB at North Salinas (Salinas Campus)**

If no immediate threat exists and a Cal State Monterey Bay student or employee is located at CSUMB at North Salinas at the time of the report, individuals should contact the Salinas Police Department. Salinas PD will serve as initial responders to all calls for service to CSUMB at North Salinas. Salinas PD provides 24-hour law enforcement service, throughout the entire calendar year, including all holidays. For all non-emergencies and regular business, dial 831-758-7321 or 831-775-4222 to leave non-emergency crime tips on a voicemail recording. All emergencies should be reported by dialing 9-1-1. When calling in emergencies, be prepared to provide the police dispatcher with your name, telephone number, the nature of the emergency, and location, as well as any pertinent information regarding the emergency (such as suspect and vehicle description, direction of travel, nature of the medical emergency needing assistance, etc.). Always stay on the line until the dispatcher ends the call.

**To a Campus Security Authority**

The University encourages all members of the campus community to contact UPD when they have been the victim of or have witnessed criminal actions. Still, members of the campus community may notify one of the other CSAs about a crime. The Clery Act requires certain individuals that are designated as CSAs to promptly report allegations of Clery Act reportable crimes that occur within a campus’ Clery Geography reported to them for inclusion in the ASR and to help inform whether a timely warning or emergency notification to the campus community is warranted.

A CSA is defined as “An official of an institution who has significant responsibility for student and campus activities, including but not limited to, student housing, student discipline, and campus judicial procedures.” Individuals may be designated as CSAs if their official job responsibilities involve significant interaction with students or campus activities, serve as formal or unofficial mentors to students, serve as a member in an office or of a committee to whom students are instructed or informed to report or discuss crimes, allegations, or crimes and other troubling situations, or have oversight for disciplinary procedures.

At CSUMB, in addition to UPD officers, CSAs include, but are not limited to, the Director of Student Housing and Residential Life, RLCs, RAs, Athletic directors and coaches, faculty advisors to student organizations, the Associate Vice President for Student Affairs and Dean of Students, and the Title IX Coordinator/DHR Administrator. At CSUMB at North Salinas, CSAs include the Director for Events & Contracted Services with University Corporation and the Master of Science Physician Assistant Professor Program Director.

For a full listing of CSA-qualified positions, see csumb.edu/csa. For contact information regarding personnel in these various positions, visit the University’s Directory at csumb.edu/directory.

* CSU Executive Order 1107: [https://calstate.policystat.com/policy/9938606/latest/](https://calstate.policystat.com/policy/9938606/latest/)
University reporting offices, mandated and confidential alike, share resources to encourage victims of crime to report to the structure they feel is best for them. Confidential resources also encourage reporting parties to report crimes to UPD.

**Voluntary and Confidential Reporting**

Cal State Monterey Bay provides voluntary confidential reporting options through the University Police Department (UPD) for inclusion in the ASR for its Seaside and Salinas campuses. Should you want to make a report confidentially through UPD, you can make a request. However, any request for confidentiality is honored to the extent permitted by law. It is the University’s responsibility to weigh any request for confidentiality against its duty to provide a safe and nondiscriminatory environment for all members of the campus community.

All confidential sources (pastoral and professional counselors and the Campus Advocate) are encouraged to inform individuals they are counseling of all options (including anonymous reporting) and support resources for reporting crimes on campus for administrative or criminal investigation and action.

Pastoral and professional counselors are exempt from reporting but may, if they choose, report an incident confidentially by calling UPD Criminal Investigations at 831-582-4705.

Note: all publicly available record keeping will be maintained without the inclusion of personally identifiable information about the victim.

**Anonymous Reporting**

**CSUMB (Seaside Campus)**

You may also consider making an anonymous report directly with the UPD. Victims or witnesses who wish to inform UPD of crimes on a voluntary, anonymous basis for inclusion in the annual disclosure of crime statistics may do so by calling the Tip Line at 831-582-4747, by calling UPD Criminal Investigations at 831-582-4705, or by filling out an anonymous tip online at [csumb.edu/police](http://csumb.edu/police). The purpose of an anonymous report is to comply with your wish of not having personally identifiable information included while taking steps to ensure your future safety and the safety of others. With such information, CSUMB can keep an accurate record of the number of incidents involving students, employees, and visitors, determine whether there is a pattern of crime with regard to a particular location, methods, or assailant, and alert the campus community to potential dangers. Complaints filed in this manner may be counted and disclosed in the ASR.

**CSUMB at North Salinas (Salinas Campus)**

If you are at the Salinas campus at the time of an incident, you may consider making an anonymous report directly to Salinas Police Department by calling their anonymous tip line at (831) 775-4222. You may also consider making an anonymous report directly with UPD. Victims or witnesses who wish to inform UPD of crimes on a voluntary, anonymous basis for inclusion in the annual disclosure of crime statistics may do so by calling the Tip Line at 831-582-4747, by calling UPD Criminal Investigations at 831-582-4705, or by filling out an anonymous tip online at [csumb.edu/police](http://csumb.edu/police). The purpose of an anonymous report is to comply with your wish of not having personally identifiable information included while taking steps to ensure your future safety and the safety of others. With such information, CSUMB can keep an accurate record of the number of incidents involving students, employees, and visitors, determine whether there is a pattern of crime with regard to a particular location, methods, or assailant, and alert the campus community to potential dangers. Complaints filed in this manner may be counted and disclosed in the ASR.

**Crime of Violence Disclosures**

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who
is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

**California Education Code, Section 67380(a)(6)(A)**
Pursuant to California Education Code section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or non-campus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

**Timely Warning Policy**
This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of their Campuses, and to comply with the Timely Warning requirements of the Jeanne Clery Act. As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.

- Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to document the completed Timely Warning analysis for referrals to disciplinary action.
- If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.
- If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.
- In the absence of any of these three elements, no timely warning will be issued.
- The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:
• The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, i.e., a "cold report".
• Physical injury to the victim.
• Use of weapons.
• Forced entry used and/or tools used in commission of the crime.
• A suspect arrested or incapacitated by injury.
• A suspect that is identified or otherwise can be located by law enforcement.
• A suspect that is out of the area.
• A victim who fears for their safety from the suspect.
• A clear modus operandi and/or pre-planning indicated.
• Multiple suspect(s) involved.
• A pattern of similar crimes established.
• The possible risk of compromising law enforcement efforts, such as to gather evidence and/or apprehend suspect(s), if a warning was issued.

Additional Considerations
The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.

The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with University Police Department (UPD) about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, re-publicizing and/or sharing with the Campus community crimes or other informational notices, (e.g., traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning
When a timely warning is issued it shall be entitled "Timely Warning Crime Bulletin" and contain the following:
• A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
• Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.).
• The date, time, and location the crime occurred.
• The date the Timely Warning Bulletin is issued.
• Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s).
• At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime.
• The phone number of UPD and a statement encouraging community members to report all information about crimes to UPD.
• If appropriate, the phone number of support services.

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution
Timely warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:
• All employee and student email distribution.
• University website.
• Public area video display monitors.
• Hard copies posted on Campus building entrance doors.

This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus's Annual Security Report.

Emergency Notification Policy
This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act. Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to University Police Department (UPD) and/or by calling "911." Examples include, but are not limited to, the following types of incidents:
• Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.).
• Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse).
• Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon).
• Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.).

Once UPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification.
and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning is not required for the same incident.

**Contents of the Emergency Notification**

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire).
- A statement providing direction as to what actions the receiver of the message should take to ensure their own safety.
- A statement as to where or when additional information may be obtained.

The Clery Director (or management designee) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, e.g., fire is out, and building has re-opened.

**Methods of Distribution**

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

- A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails and phone calls, or if desired, to 'opt out' of the service and not receive any notifications;
- Audio/visual message boards;
- Audible alarms/sirens;
- Campus public address systems;
- In person or door-to-door notifications in a building or residence halls;
- Local media;
- Social media;
- Other means appropriate under the circumstances.

The larger community has the ability to enroll in OtterALERT by registering at [csumb.edu/otteralerts](http://csumb.edu/otteralerts).

**Testing and Evacuation Procedures**

Testing of the Emergency Notification System and evacuation will be done at least once annually. The tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through
activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, at least one test will be publicized in conjunction with the campus' emergency response and evacuation procedures. Each test will be documented to include a description of the exercise, the date of the test, the start and end times of the test, and whether the test was announced or unannounced. The California State University Emergency Management Policy describes these tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.

Where unannounced drills are planned, every effort will be made to coordinate the drill around the scheduling of sensitive academic activities (i.e., exams, guest lectures, etc.) and critical operations. The Emergency Manager, Emergency Coordinator, EOC Directors, and other Essential Personnel that would be required to respond to an on-campus Emergency would be expected to participate in the annual Test’s Exercise (e.g. tabletop, functional, or full-scale). The University shall also invite local first responders to participate. Students, faculty and staff occupying an on-campus residential facility during the time of an Evacuation Drill or Emergency are subject to abide by SHRL Evacuation procedures as outlined in the Emergency Housing Plan pursuant to Section 66210 of the California Education Code.

Student and employees who need information on how to add contact information to be included for emergency notification or to remove information and “opt out” of notifications for OtterALERT should visit csumb.edu/otteralerts or call the on-campus Emergency Manager office with UPD at 831-582-3589 for assistance.

Security of and Access to Campus Facilities, and Security Considerations for the Maintenance of Campus Facilities

CSUMB (Seaside Campus)

Normal business hours are Monday - Friday, 8:00 am until 5:00 pm but are incumbent upon the offices, departments and services within. Campus buildings with public access are open to the public during posted operating hours. Buildings with restricted access or public building access during non-operating hours is determined by the department manager or building administrator.

The exterior doors on most campus buildings are locked/unlocked electronically with the use of an employee identification card (OtterID). An electronic log (date/time) of anyone who gained access using an OtterID is kept in a database that is kept by the IT and Facilities Lock Shop. UPD provides special access to facilities to authorized persons with proper identification. Authorized persons having difficulty gaining access to an area or needing assistance securing a building or room should contact UPD at 831-655-0268. Keys and keyless access via electronic access cards are administered by Facilities Services and Operations at 831-582-3700. Persons in unauthorized possession of CSUMB keys or electronic access cards are in violation of the California Penal Code §469. Campus facilities may be used by university groups and community groups in accordance with time, place, and manner.

Freedom of expression activities may take place on campus with the following exceptions: inside parking lots and University buildings and within 20 feet of any location in which instructional, educational and/or official business activities are being conducted.

Freedom of expression must be conducted in a manner that (1) shall not interfere with or obstruct the free flow of pedestrian or vehicular traffic; (2) shall not interfere with or disrupt the conduct of University business; (3) shall be carried out without creating excessive noise by use of an amplification device; (4) shall not unreasonably interfere with classes in session or other scheduled academic, educational, cultural/arts programs; (5) shall not promote an unlawful end, such as promoting actual violence or bodily or property harms, terrorist threats, defamation, obscenity, and false advertising; and (6) shall not violate any federal, state or local safety code, such as regulations set by the State Fire Marshal. Persons using areas generally available to students and the community are allowed to distribute petitions, circulars, leaflets, newspapers, and other printed matter. Individuals or groups distributing materials in these areas, other than material discarded or dropped in or around appropriate receptacles, shall retrieve and remove such materials, prior to their departure from the areas that day. Enforcement will follow existing state and federal laws. Of note, there are over 500 security cameras currently deployed throughout the CSUMB campus, including inside campus facilities.
policies determined by the University and all activities shall be conducted in a lawful manner. Reasonable time, place, and manner restrictions on the use of university grounds and facilities are permissible, provided they (1) are viewpoint-neutral and not prohibitive of particular forms of expression; and (2) leave open ample alternative channels for communication of the information. They must be clear and specific enough to place the public on notice as to exactly what is authorized and what is not permitted. Use of CSUMB facilities or properties requires prior approval (contact University Affairs, Ceremonies, and Events at 831-582-4001), except the Otter Student Union. For the Otter Student Union, contact 831-582-3329.

For the University’s Interim Time, Place, and Manner Policy, visit: https://csumb.edu/policy/time-place-and-manner-policyinterim/

For the University’s booking instructions and COVID-19 protocols in event spaces, visit: https://csumb.edu/affairs/events/ for information about hours of operation.

UPD continues to patrol campus grounds and buildings to monitor security conditions and respond to emergencies. However, many parts of the campus will be sparsely populated and students should exercise extra safety precautions while on campus, including requesting escorts from Night Walk Services by calling 831-655-0268. When necessary, UPD makes recommendations concerning the maintenance of campus buildings as they relate to security issues. The recommendations could include, but are not limited to:

- Trimming ground cover, bushes, and trees to provide a greater visibility;
- Repairing and replacing inoperative or vandalized lighting fixtures, windows, doors locks and security hardware.

The campus community and public can make reports of safety concerns by visiting https://csumb.edu/risk/. These concerns include: health and safety risks, such as trip and fall hazards or unsafe conduct by employees or students; unsafe driving practices, such as golf carts or maintenance vehicles driving on walkways or pathways too fast; fire safety issues, such as faulty wiring or equipment or tampering with fire safety and equipment; security issues, such as lighting, propped doors; environmental concerns, such as a spill, pests; indoor air quality concerns, such as unusual odors.

**Student Housing**

Housing staff, sworn UPD officers, and CSOs patrol student housing facilities as part of their regular duty functions, noting deficiencies, reporting concerns, and responding to incidents.

Resident Advisors and professional staff are on duty at all times. Residential Life live-in professional staff continue to be available for assistance and support of students.

Students living on Main Campus are granted access to their residence hall using their Otter ID card. The card is not universal and does not permit entry into all residence halls on campus. Each student room is hard keyed, and the student is assigned a key that matches their room door’s lock. In the event a student lives in a suite, they are given a second key. The first key will access the suite’s lock. The second accesses their individual room, which is locked differently than the suite entrance. The front door key to the residence hall room, suite, or apartment also serves as a student’s mailbox key.

Students residing in suite and apartment style spaces on Main Campus have hard-keyed front doors and bedroom doors.

North Quad suites on the second, third, and fourth floors have exterior and interior hallways leading to front doors, while access to first floor rooms is only accessible via an interior hallway. All apartment front doors are only accessible via an interior hallway. The front door key is separate from the bedroom key and each only open the entry point for which it is designated.
Students living in East Campus (Frederick Parks I and II) apartments have hard-keyed front doors, each with its own entryway. Each student receives four keys, one for the front entrance, one for their individual room and additional keys to the roll-up garage door and mailbox. The bedroom is keyed differently from the front/back doors of the apartment.

Providing access to buildings, or rooms within buildings, to those other than residents, staff, or invited guests by any means including, but not limited to: failing to lock or secure doors; propping entrance doors open; lending of room key; or allowing a person entrance into a building and leaving them unattended is not permitted. Students whose licenses have been revoked are not allowed access to any residential facility.

Unauthorized use, possession, provision, or duplication of access key/cards is prohibited, including having duplicate keys made for individuals who are not listed on the License Agreement. East Campus residents are required to notify SHRL on the Main Campus and the Greystar Property Management Company for East Campus, within 24-hours of a lost or missing key. In either situation, the student is responsible for any fees that accompany a re-key of the room/apartment, and/or replacement of the temporary ID card.

All RAs have keycard access to all residential facilities to assist and support safety and security measures as needed.

Security of and Access to Campus Facilities, and Security Considerations for the Maintenance of Campus Facilities – CSUMB at North Salinas (Salinas Campus)

CSUMB’s North Salinas campus is located at 1450 North Main Street, Salinas, CA 93906. CSUMB at North Salinas has an onsite building maintenance manager who oversees the exterior campus and performs regular building maintenance checks including but not limited to lighting, clearing debris and checking for vandalism.

The building’s main entrance is key-card access only for faculty, staff, and students with designated access unless impaired by construction or maintenance. However, student access is limited to Monday – Friday, 8:30 am – 5:00 pm. The public may access the building if granted permission by request, which they may request by using the main entrance intercom. Only faculty and staff may enter the secondary, downstairs entrance by card or key.

Contracted security personnel may be hired by Cal State Monterey Bay to perform supplemental support services at CSUMB at North Salinas in the evening when courses are in session and during other instructional or as needed activities. Their service is limited to foot patrol rounds and entrance security. If a routine situation arises, security will notify the Director for Events & Contracted Services with University Corporation and the Senior Director of Extended Education Programs. If there is a serious issue or concern, security will notify Salinas Police Department and UPD. All situations are documented on the security log. The CSUMB at North Salinas security log is a separate and distinct log from the CSUMB daily crime log. The security log documents all activity and security-related events during security shifts at CSUMB at North Salinas and is not publicly accessible. The current contracted services at CSUMB at North Salinas do not constitute a security department for Clery Act purposes. Therefore, the Salinas campus is not required to maintain a daily crime log, which is a requirement for all Cal State Monterey Bay campuses that maintain a security department.

Systemwide Law Enforcement Policy, Law Enforcement Authority – CSUMB (Seaside Campus)

Persons employed and compensated as members of a California State University police department, when so appointed and duly sworn, are peace officers. However, such peace officers shall not exercise their powers or
authority\textsuperscript{12} except (a) at the headquarters or upon any campus of the California State University and in an area within one mile of the exterior boundaries of each campus or the headquarters, and in or about other grounds or properties owned, operated, controlled, or administered by the California State University, or by trustees or the state on behalf of the California State University, and (b) as provided in Section 830.2 of the Penal Code.

The arrest authority outside the jurisdiction of the CSU Police Department includes (Penal Code §830.2(c); Penal Code §836):

a. When the officer has probable cause to believe the person committed a felony;
b. When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape;
c. When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute;
d. When authorized by a cross jurisdictional agreement with the jurisdiction in which the arrest is made.
e. In compliance with an arrest warrant.

On duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the State, or while assisting another agency.

On duty officers who discover criminal activity outside the jurisdiction of the State should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

California State University encourages accurate and prompt reporting of crime. All members of the Campus community are encouraged to promptly contact the UPD and/or other appropriate police agencies when they have been the victim of, or have witnessed criminal actions, including when the victim of crime elects to or is unable to make such a report.

UPD maintains operational agreement/memoranda of understanding (MOU) with the Monterey County Sheriff’s Office that comply with California’s Kristin Smart Campus Safety Act and Higher Education Opportunity Act in regard to sharing information and the investigation of Part I crimes. The intent of these agreements is to clarify and affix responsibility for providing police service for the campus, as defined by Cal. Education Code section 67381. UPD will be responsible for reporting and investigating all crime on campus, including Part I crimes. The Monterey County Sheriff’s Office may be the primary investigating law enforcement agency for all homicides occurring on campus. This does not preclude UPD from requesting assistance on any investigation, as appropriate. Both agencies will continue to provide mutual aid assistance as appropriate, when requested. Further, each agency assumes responsibility for preparing the appropriate reports for the FBI UCR.

UPD also adheres to the Monterey County Chief Law Enforcement Officers’ Association protocols that encourage prompt law enforcement response and collaboration in incidents requiring inter-agency law enforcement collaboration. These agreements include the Implementation and Deployment of a Regional Police Special Response Unit (SRU) Consisting of Special Weapons & Tactics, Tactical Medicine and Crisis Negotiation Team Components among the cities of Seaside, Marina, Monterey, Pacific Grove, Sand City, Del Rey Oaks, Carmel and Cal State Monterey Bay, and the Peninsula Regional Violence Narcotics Team MOU. For the latter, those same agencies, in addition to the California Highway Patrol and County of Monterey Office of the District Attorney, entered into the MOU as a participating agency that has made a commitment of resources and personnel as they relate to the Peninsula Regional Violence and Narcotics Team (“Task Force”). The UPD headquarters is located at 100 Campus Center, Valley Hall, Suite E.

\textsuperscript{12} Including the authority to make arrests
Law Enforcement Authority – CSUMB at North Salinas

Salinas Police Department has primary jurisdiction for the enforcement of criminal offenses at CSUMB at North Salinas. The Department is located at 312 E. Alisal St. Salinas, CA 93901, and seeks to provide ongoing training. Salinas Police Department encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. Whenever possible, the department will use courses certified by the California Commission on Peace Officer Standards and Training (POST).

Salinas Police Department’s mission is to work in partnership with the people of Salinas to enhance the quality of life through the delivery of professional, superior and compassionate police services to the community. Sworn members of the department are authorized to exercise peace officer powers pursuant to applicable law (Penal Code §830.1 et seq.), and the arrest authority within the jurisdiction of the Salinas Police Department includes Penal Code §830.1 and Penal Code §836.

Sworn members of the department who enter the state of Oregon in order to provide or attempt to provide law enforcement assistance have Oregon peace officer authority within 50 miles from the California–Oregon border (ORS 133.405). Such authority shall only apply when officers are acting: (a) In response to a request for law enforcement assistance initiated by an Oregon sheriff, constable, marshal, municipal police officer or member of the Oregon State Police; (b) In response to a reasonable belief that emergency law enforcement assistance is necessary to preserve life, and circumstances make it impractical for Oregon law enforcement officials to formally request assistance. (c) For the purpose of assisting Oregon law enforcement officials with emergency assistance in response to criminal activity, traffic accidents, emergency incidents or other similar public safety situations, regardless of whether an Oregon law enforcement official is present at the scene of the incident. Salinas Police Department officers have no authority to enforce Oregon traffic or motor vehicle laws. Peace officer powers may be extended to other states: (a) As applicable under interstate compacts, memoranda of understanding or mutual aid agreements in compliance with the laws of each state; and (b) When an officer enters an adjoining state in close or fresh pursuit of a person believed to have committed a felony (ARS §13-3832; NRS 171.158; ORS 133.430).

There are no memoranda of understanding or other written agreements between Cal State Monterey Bay and any local law enforcement agency regarding the investigation of criminal offenses for CSUMB at North Salinas.

Security Awareness and Crime Prevention Programs

The following programs are designed to inform students and employees about campus security procedures and practices, and encourage students and employees to be responsible for their own security and the security of others. They are available to both the Seaside and Salinas campuses (unless otherwise indicated).

Active Shooter Presentations

UPD aims to enhance preparedness through a community approach by providing training on issues such as active shooter awareness. Active shooter situations are very unpredictable in nature, so in an effort to better prepare community members to respond, active shooter presentations are facilitated upon request. Learning objectives include:

- Strategies to prevent and prepare;
- Options to enhance survival;
- Describe actions needed to safely interact with responding officers.

This training is done upon request, and is available virtually. If your department is interested in receiving a UPD Active Shooter training presentation, contact UPD by emailing upd@csumb.edu.
UPD has also developed a community video to provide more information about their options and police response to Active Shooter Incidents. For viewing, please visit: https://csumb.edu/police/active-shooter-preparedness.

New Student and Employee Presentations
Various departments are involved in the orientation of new students and their parents, the training of student leaders, and the welcoming of new employees. Orientation includes discussions about safety and security measures, general crime prevention strategies, crime and incident reporting structures, Cal State Monterey Bay policy regarding the prohibition of sexual violence, discrimination and harassment, and alcohol abuse education. Orientations can occur at any point during the year for new employees or students. However, traditional orientation for all new students occurs in June each year. Guest presenters for department or college specific orientations are conducted at the request of the hosting department.

Disaster Service Worker (DSW) Virtual Academy
The DSW Academy provides resources, information, and training to better prepare all public employees (i.e., Cal State Monterey Bay and outside agencies) when disaster strikes, including securing your family and pets if you are required to evacuate to an emergency shelter. Pursuant to California Government Code §3101, all public employees in the State of California are disaster service workers. This means that all Cal State Monterey Bay University employees have disaster worker status. The oath or affirmation per California Government Code § 3102 is signed by all Cal State Monterey Bay employees as part of the hiring paperwork when first hired.

New Cal State Monterey Bay employees are encouraged during their orientation to take the training. The online training modules can be taken at any time. For the training, visit: https://csumb.edu/police/emergency-management/training-and-education/

Security Surveys
UPD will evaluate the concerns (e.g., lighting, and furniture placement and exit obstruction) and make recommendations for buildings and areas upon request.

Building Emergency Coordinator (BEC) Program
The BEC program is established pursuant to Title 3, Division 8, Part 55, Article I beginning with Section 89000 of the California Education Code, facilitates enhanced emergency preparedness, and coordinated initial emergency procedures in every regularly occupied Seaside campus building outlined in a BEC Plan.

The BEC Plan establishes the concurrent responsibilities of staff and faculty assigned as a BEC, and procedural guidelines to assist them in the performance of those duties prior to and during an emergency event to help facilitate establishment of effective initial strategic response priorities; allocation of available resources; and accurate, timely event-related communications to the campus and external communities.

Training is offered twice an academic year. If you would like to become a BEC, please contact the Emergency Manager by dialing 831-582-3589 or emailing safety@csumb.edu.

Home Security and Neighborhood Watch
CSUMB has a large residential population with students residing in residential halls, suites, and apartments on main campus and East Campus, especially Frederick Park. Additionally, there are faculty, staff, and educational partners residing in the East Campus, specifically Schoonover Park, housing areas. The Home Security and Neighborhood Watch program is only available at the Seaside campus. Information about residential hall safety and the East Campus Neighborhood Watch program is available on the UPD web page at csumb.edu/police/personal-safety/.
Online Training
Faculty, staff, and students are assigned various online training through the Cal State Monterey Bay web-based e-learning portal at the time of hire or new assignment and enrollment, respectively. Topics include injury and illness prevention, data security and privacy, and Family Education Rights Privacy Act (FERPA) protection.

Crime Prevention Programs
UPD personnel present programs on a variety of topics to students, employees and residents as requested (unless otherwise noted) designed to inform students and employees about the prevention of crimes. UPD personnel are also available to develop programs and presentations to address specific needs upon request and also perform a variety of services designed to inform students and employees about the prevention of crimes. Programs and services available to both the Seaside and Salinas campuses (unless otherwise indicated) include, but are not limited to the following:

Bicycle Registration
Registering a bicycle increases the chances of it being returned to the registered owner if ever lost or stolen. Students and employees who register their bikes are also provided with information on theft prevention, the techniques and how to avoid them, and where bikes can be stored safely at the Seaside campus. Free bicycle registration is available to students, faculty and staff at csumb.edu/bikereg. This service is only provided to the Seaside campus.

Night Walk Safety Escorts
University Police will provide escorts between Main Campus and Promontory locations to anyone, regardless of their affiliation with the University Monday through Friday from 5:00 pm to midnight during the fall and spring semesters. For Night Walk service, call 831-655-0268. Night Walk safety escorts are only available at the Seaside campus.

Crime Prevention Through Environmental Design (CPTED)
According to the International CPTED Association, “CPTED is defined as a multi-disciplinary approach to deterring criminal behavior through environmental design. CPTED strategies reply upon the ability to influence offender decisions that precede criminal acts by affecting the built, social, and administrative environment.”

Some sworn personnel have received specialized training to evaluate campus infrastructure and make safety recommendations, including landscape, lighting, and general safety improvements. Evaluations are conducted during major campus Planning and Development projects or when a safety concern is reported to UPD. A CPTED evaluation conducted by UPD is only available at the Seaside campus.

Violence in the Workplace
UPD offers virtual workplace violence prevention training sessions to campus departments upon request. Safety and Security Camera Systems UPD, Campus Design and Construction, Information Technology, University Corporation, and the Office of the President have worked to install security cameras at key locations throughout the campus. The hundreds of security cameras record events on campus and the recording can be reviewed by police officers in the event of a crime, disturbance, or suspicious event on campus. There are also interior and exterior security cameras at CSUMB at North Salinas.

Online Training
All new students and employees are assigned online training for education and awareness related to sexual misconduct and harassment concerns. The course includes information on what volatile behaviors are, prevention

tips, and reporting information. This is a required training, with tracking and enforcement mechanisms in place through the Title IX/DHR office.

After taking an initial training on Sexual Misconduct and Harassment, every campus affiliate (all students and employees) is assigned a refresher-training course in the fall of the academic year. This is a required training, with tracking and enforcement mechanisms in place through the Title IX/DHR office.

**Monitoring and Recording Crime Activity at Non-campus Locations of Student Organizations**

Although no University recognized student organization owns any off-campus properties, student organizations can control properties on either a frequent or a repeated use.

When a Cal State Monterey Bay student is involved in an off-campus offense, UPD officers may assist with the investigation in cooperation with local, State, or federal law enforcement. Many students live in the neighborhoods of Monterey County. While local police have primary jurisdiction in all areas off-campus, UPD officers can and do respond to student-related incidents that occur in close proximity to campus. Any student who has been arrested for, or found guilty of committing a crime off-campus may be subject to the campus disciplinary process for violation of Title V of the California Code of Regulations.

Should a crime or incident occur at an off-campus location used by students in support of education that is reported by a CSA or local law enforcement, this too may be subject to the student disciplinary process. However, there are no agreements in place with local law enforcement in relation to monitoring and recording incidents involving non-campus locations of student organizations.

Annually, UPD will correspond with the appropriate law enforcement agencies to update the status of any non-campus building or property. Additionally, in a reasonably good-faith effort, the Clery Compliance Office or University Police will request the record of any criminal activity that may have occurred at those locations.

For a complete copy of the University’s student conduct procedures and codes, see CSU Executive Order 1098 and the Cal State Monterey Student Conduct web page respectively.

**Possession, Use, Sale and Enforcement of Federal and State Alcohol and Drug Laws**

Cal State Monterey Bay complies with the Drug Free Workplace Act, https://www.govinfo.gov/content/pkg/USCODE-2011-title20/html/USCODE-2011-title20-chap70-subchapIV.htm and the Higher Education Act, Section 120(a) https://www.govinfo.gov/content/pkg/COMPS-765/pdf/COMPS-765.pdf and is committed to creating a safe and healthy learning/working/living environment for all members of the campus community. Alcohol and other drugs cannot be allowed to interfere with the mission of Cal State Monterey Bay.

In the state of California, individuals 21 years of age or older may legally purchase, possess and consume alcoholic beverages. All state laws are applicable to Cal State Monterey Bay, and to all individuals on the properties of the University. The use, possession, manufacture, or distribution of alcoholic beverages (except as expressly permitted by law and University regulations), or public intoxication while on campus or at a university related activity is a violation of Cal State Monterey Bay’s Standards for Student Conduct.

---

14 For the purposes of this ASR, reasonably good-faith effort is defined as thoroughly and as far in advance as practically possible to ensure accurate inclusion.
15 https://calstate.policystat.com/policy/8453518/latest
16 https://csumb.edu/studentconduct
The Business and Professions Code\textsuperscript{17} and related statutes control the sale, consumption, and possession of alcoholic beverages. The California Alcoholic Beverage Control (ABC) Board is responsible for the interpretation and enforcement of the laws regarding the consumption, sale, or possession of alcoholic beverages.

Except as indicated by campus policy or California state law, it is prohibited for any person to sell, offer for sale, give away, or furnish another person in any manner, or consume any alcoholic beverage on the CSUMB or CSUMB at North Salinas campus. California state law imposes criminal penalties for the possession or use of alcoholic beverages by persons less than 21 years of age and for persons who furnish, give, sell, or cause to be sold, furnished or given away, any alcoholic beverage to a person under the age of 18\textsuperscript{18}.

The unlawful manufacture, distribution (by either sale or gift), dispensing, possession or use of illicit drugs is prohibited on any buildings, grounds, or property that is owned, operated, or leased by CSU Monterey Bay, the University Corporation at Monterey Bay, or the Foundation of CSU Monterey Bay.

The University Police Department is responsible for enforcing the laws relating to alcoholic beverages and for enforcing federal and state laws related to illicit drugs on the Seaside Campus. The Salinas Police Department will enforce the laws relating to alcoholic beverages and federal and state laws related to illicit drugs for CSUMB at North Salinas. A list of applicable legal sanctions under federal, state or local laws for the unlawful use, sale, possession, or distribution of illicit drugs and alcohol include referrals to administrative sanctions, diversion programs, fines, probation, and/or incarceration.

Sexual Violence Prevention

The California State University (CSU) promotes a safe living, learning, and working environment through systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.

Campus programs must include primary prevention and awareness training: (1) for all new Students and new Employees; (2) refresher programs at least annually for all Students; (3) twice a year for all Students who serve as advisors in residence halls; (4) annually for all Student members of fraternities and sororities; (5) annually for all Student athletes and coaches; and (6) annually for all Employees consistent with their role in responding to and reporting incidents. Ongoing prevention and awareness campaigns for all Students and Employees will also be conducted. The CSU system will provide online training for all Employees and each campus will provide online training for all Students. All training must be consistent with the applicable CSU policy and state and federal regulations.

28 This includes incoming transfer, graduate, online, and extended education Students. The programs should occur no later than the first few weeks of the semester.
Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group’s members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

**Training for Employees**

Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC).

Under Cal. Govt. Code §12950.1, each campus shall provide supervisory Employees at least two hours of interactive sexual harassment training within six months of the Employee's assignment to a supervisory position and every two years thereafter. Each campus shall maintain documentation of the delivery and completion of these trainings. For detailed guidance regarding the definition of "supervisor" and the implementation of this training, campuses shall consult Coded Memoranda HR 2005-35 and other applicable policies.

Information About Campus Reporting, Adjudication, and Discipline Procedures
Campus training programs will reference the procedures outlined in the CSU Nondiscrimination Policy that victims/survivors may follow if an incident of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking has occurred. Training programs will also reference information about preserving evidence, reporting to the appropriate authorities, confidentiality options, available protective and supportive measures.

Campuses apply the relevant CSU policy and procedures when responding to all reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking.

Campuses shall establish processes to provide a print and/or digital copy of the "Rights and Options for Victims” as outlined in the CSU Nondiscrimination Policy to any community member who reports experiencing such harm, regardless of whether the incident occurred on or off campus.

Campus training programs regarding the procedures for reporting and addressing reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking will include the following:
- A statement explaining that the campus' primary concern is the safety of members of the campus community; that the use of alcohol or drugs never makes the victim/survivor at fault for sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; that students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence,
or stalking should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug, alcohol, or other CSU policies; and that students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking shall not be subject of discipline for related violations of conduct policies at or near the time of the misconduct unless the violation is egregious (including actions that place the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.)

- A statement that "CSU policy prohibits retaliation against a person who: reports sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; assists someone with a report of such conduct; or participates in any manner in a related investigation or resolution.
  
  o Retaliation means that a substantial motivating reason for an Adverse Action taken against a person was because the person has or is believed to have:
    ▪ Exercised their rights under this policy;
    ▪ Reported or opposed conduct which was reasonably and in good faith believed to be in violation of this policy;
    ▪ Assisted or participated in an investigation/proceeding under this policy, regardless of whether the Complaint was substantiated;
    ▪ Assisted someone in reporting or opposing a violation of this policy or assisted someone in reporting or opposing Retaliation under this policy.
  
  o Adverse Action means an action engaged in by the Respondent that has a substantial and material adverse effect on the Complainant's ability to participate in a university program, activity, or employment. Minor or trivial actions or conduct not reasonably likely to do more than anger or upset a Complainant does not constitute an Adverse Action.
  
  o Retaliation may occur whether or not there is a power or authority differential between the individuals involved.

- What someone should do if they have experienced or witnessed sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.

- Individuals to whom incidents may be reported along with information regarding what degree of confidentiality may be maintained by those individuals.

- The availability of, and contact information for, campus and community resources for victims/survivors of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.

- A description of campus and systemwide policies and disciplinary procedures available for addressing alleged violations and the consequences of violating these policies, including the fact that such proceedings shall:
  
  o Provide a prompt, fair, and impartial investigation and resolution; and,
  
  o Be conducted by officials who receive annual training on issues related to sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking and how to conduct an investigation and hearing process that protects the safety of victims/survivors and promotes accountability.

- The fact that the Complainant and the Respondent will be afforded the same opportunities to have others present during a disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the Advisor of their choice.

- The fact that both the Complainant and the Respondent shall be simultaneously informed in writing of:
o The outcome of any disciplinary proceedings that arises from an allegation of a sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking;

o The CSU’s procedures for the Complainant or Respondent to appeal the results of the disciplinary proceeding;

o Any change to the disciplinary results that occurs prior to the time such results become final;

o When disciplinary results become final.

• Possible sanctions or remedies the campus may impose following the final determination of a campus disciplinary procedure regarding sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.

• How the campus will protect the confidentiality of Complainants, including how publicly available recordkeeping (e.g., campus Clery reports) will be accomplished without the inclusion of identifying information about the Complainant to the extent permissible by law.

• That all students and employees must receive written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims/survivors, both on campus and in the community.29

• That all students and employees who report being a victim/survivor of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking must receive written notification of available assistance in, and how to request changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim/survivor chooses to report the incident to campus police or local law enforcement.

• Procedures victims/survivors are recommended to follow if sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking has occurred, as well as the fact that the following written information must be provided to victims:

  o The name and contact information of the campus employee(s) to whom the alleged incident should be reported;

  o Reporting to law enforcement and campus authorities, including the option to: (a) notify law enforcement authorities, including on-campus and local police; (b) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and, (c) decline to notify such authorities;

  o Where applicable, the rights of victims/survivors and the campus’ responsibilities regarding orders of protection, no contact directives, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Risk Reduction
The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.

---

29 California State University Monterey Bay complies with this requirement by providing this information to the campus community in writing each year through CSULearn assignment.
CSU Policy Definitions
Definitions of conduct that is prohibited under CSU policy are found in Article VII of the CSU Nondiscrimination Policy. These definitions are applicable in relation to the University’s administrative processes and may differ from the criminal law definitions (California) found in Appendix A.

Sexual Misconduct/Sexual Assault
The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.

- Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
  - Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
  - Affirmative Consent can be withdrawn or revoked at any time.
  - Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
  - Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
  - Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.
  - Do not engage in sexual activity with someone who is incapacitated.
    - A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
    - A person who is unconscious or asleep cannot give Affirmative Consent.
    - A person’s own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from anyone with whom they engage in sexual activity.

- Signs that someone does not respect the importance of consent:
  - They pressure or guilt you into doing things you may not want to do;
  - They suggest you “owe” them something (including sexual acts) because you’re dating or because they have done or claim to have done something for you;
  - They react negatively with sadness, anger, or resentment if you don’t consent to something or don’t do so immediately.

Dating/Domestic Violence
Common signs of abusive behavior in a relationship
According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive:

- Showing extreme jealousy of friends or time spent away from a partner;
- Preventing or discouraging one’s partner from spending time with friends, family members, or peers;
• Insulting, demeaning, or shaming a partner, especially in front of other people;
• Preventing one’s partner from making their own decisions about working or attending school;
• Controlling finances in the household without discussion, including taking a partner’s money or refusing to provide money for necessary expenses;
• Pressuring one’s partner to have sex or perform sexual acts they are not comfortable with;
• Pressuring a partner to use drugs or alcohol;
• Threatening to harm or take away a partner’s children or pets;
• Intimidating one’s partner with weapons;
• Destroying a partner’s belongings or home.

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.
[Source: National Domestic Violence Hotline]

Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:
• Seems nervous around you;
• Seems afraid of you;
• Flinches, cringes, or retreats when you are emotional;
• Seems scared, or unable to contradict you or speak up around you; and/or
• Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you.

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it’s vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

**Stalking**

**Respecting boundaries**

If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

**Recognizing stalking behaviors**

A person who engages in stalking may:
• Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc;
• Follow the person and seem to “show up” wherever they are;
• Send unwanted gifts;
• Damage home, car, or other property;
• Monitor phone calls or computer use;
• Drive or linger near the home, school, or work of the person they are stalking;
• Use other people to try and communicate with the person they are stalking, like children, family, or friends.

[Source: Victim Connect Resource Center]

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking:

• Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911;
• Keep a record or log of each contact with the stalker;
• Save evidence when possible, such as emails, text messages, postings on social media, etc.

Sexual Exploitation
Sexual Exploitation means a person taking sexual advantage of another person for the benefit of anyone other than that person without that person's consent, including, but not limited to, any of the following acts:

• The prostituting of another person;
• The trafficking of another person, defined as the inducement of a person to perform a commercial sex act, or labor of services, through force, fraud, or coercion;
• The recording of images, including video or photographic, or audio of another person's sexual activity or intimate parts, without that person's consent;
• The distribution of images, including video or photographic, or audio of another person's sexual activity or intimate parts, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to the disclosure;
• The viewing of another person's sexual activity or intimate parts, in a place where that other person would have a reasonable expectation of privacy, without that person's consent, for the purpose of arousing or gratifying sexual desire.

Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

Bystander Intervention
The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

30 The preceding definition is provided by 34 C.F.R. §668.48.
• Notice the event;
• Interpret the event as a problem;
• Assume personal responsibility;
• Learn how to help;
• And Step Up by utilizing the “4 Ds”
  o Direct – Directly addressing the situation.
  o Distract – Making a simple (or elaborate) distraction to diffuse the situation.
  o Delegate – Finding someone else to address the concern.
  o Delay – Checking in with the person after to see if you can do anything to support them.

This training is presented in the annual online refresher course required for all students. Bystander Intervention training is also conducted annually for student members of Greek organizations, student athletes and coaches, and bi-annually for RAs and student assistants with SHRL. In addition, the Title IX/DHR Office presents the training to groups, departments or classes upon request.

**Supportive Measures**

Supportive Measures are individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent regardless of whether a Formal Complaint is filed. Supportive Measures
are designed to restore or preserve equal access to CSU education programs or activities, or the workplace without unreasonably burdening the other party, including to protect the safety of all parties or the educational or work environment. Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The Title IX Coordinator/DHR Coordinator is responsible for coordinating the effective implementation of Supportive Measures. Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures.

The following is a list of on-campus and off-campus resources that offer a variety of services in the areas of victim advocacy, counseling, health, mental health, legal assistance, visa and immigration assistance, student financial aid and other areas. Campus advocates can help provide information about and referral to any of these resources if requested. These resources are available to victims/survivors, regardless of whether the victim/survivor chooses to report the incident to campus police, local law enforcement, 1 or via an administrative report.

**Reporting Options**

**Reporting to University Administration**

Complaints of discrimination, harassment, sexual misconduct and sexual assault, dating and domestic violence, sexual exploitation, and stalking may be addressed through the University administrative process. A complainant or reporting party can report an incident to the University by contacting the Title IX Coordinator on their campus. A complainant has the right to have a support person present with them while making a complaint.

The University will protect the privacy of everyone involved in a report to the greatest degree possible under applicable law and University policy. Personally identifiable information about the involved parties will be shared only on a need-to-know basis, e.g., to those who are investigating/adjudicating the report or those involved in providing support services. By only sharing personally identifiable information with individuals on a need-to-know basis, the University will maintain as confidential any supportive measures and remedies provided to the parties, to the extent that maintaining such confidentiality would not impair the ability of the University to provide supportive measures and remedies.

The CSU does not publish the name of victims/survivors or other identifiable information regarding victims/survivors in the Daily Crime Log or in the crime statistics that are disclosed in the Annual Security and Fire Safety Report. Furthermore, if a Timely Warning is issued on the basis of a report of sexual assault, dating violence, domestic violence, sexual exploitation, or stalking, the name of, and other personally identifiable information about the victim/survivor will be withheld.

**The importance of preserving evidence**

Victims/survivors of sexual misconduct, sexual assault, sexual exploitation, stalking, dating violence and domestic violence are encouraged to preserve all physical evidence, including but not limited to: clothing worn during the assault, bed sheets, and/or photos of any injuries. This evidence may be helpful in proving that a crime occurred, in the event the victim/survivor chooses to report now or in the future. It may also be helpful in obtaining a court-ordered protective or restraining order.

To preserve evidence:

- Do not wash your face or hands;
- Do not shower or bathe;
- Do not brush your teeth;
- Do not change clothes or straighten up the area where the assault took place;
- Do not dispose of clothes or other items that were present during the assault;

---

See page #78 below for disciplinary procedures and making a complaint to Title IX/DHR
- Do not use the restroom.

Seek a medical exam immediately.

If you have already cleaned up from the assault, you can still report the crime, as well as seek medical or counseling treatment.

Victims/survivors of sexual misconduct, sexual assault, sexual exploitation, stalking, dating violence and domestic violence are also encouraged to preserve evidence by saving text messages, instant messages, social networking pages, other communications, pictures, logs or other copies of documents that may be useful to University investigators or police should the victim/survivor decide to report now or in the future.

**Reporting to law enforcement and making a criminal report**

Some forms of misconduct prohibited under the Nondiscrimination Policy may also be prohibited by law. You have a right to be informed of law enforcement options and information regarding the availability of a criminal or civil prosecution for victims of crime.

It is a victim’s/survivor’s choice to report a crime. You have the right to report or decline to report an incident to law enforcement. You have the right to not be forced, coerced, or pressured into reporting to law enforcement.

A victim/survivor may report an incident to law enforcement at any time. In the event of an emergency where immediate assistance is required, a victim/survivor should dial 9-1-1 to be connected with the nearest police department. If there is no emergency, victims/survivors can file a police report at any time in the jurisdiction where the assault occurred. A confidential victim advocate can assist the victim/survivor in filing the report if requested.

Victims/survivors of crimes such as sexual assault, sexual exploitation, stalking, dating violence, domestic violence, abuse, threats of abuse and/or serious harassment all have a right to petition the court in the appropriate jurisdiction for a protective order (also referred to as a restraining order).

Your Campus Advocate, University Police Department and Title IX Coordinator are all able to provide you with more information about pursuing criminal prosecution, civil prosecution and/or protective orders.

A victim/survivor of specific offenses [enumerated in California Government Code section 6254 (f)(2)(A)] has the right to request to be listed as a confidential victim in a law enforcement agency’s report. Being listed as a confidential victim in a law enforcement agency’s report prevents the law enforcement agency from disclosing the confidential victim’s name and address as a matter of public record. However, the confidential victim’s information can be released to the prosecutor, parole officers of the Department of Corrections and Rehabilitation, hearing officers of the parole authority, probation officers of county probation departments, or other persons or public agencies where authorized or required by law. Please see California Penal Code section 293 for more information.

**Protective Orders**

**Civil reporting options and protective orders**

A victim/survivor may choose to file a civil lawsuit against the alleged offender, whether or not criminal charges have been filed. A civil lawsuit provides an opportunity to recover actual money damages, which may include compensation for medical expenses, lost wages, pain, suffering and emotional distress. An Advocate can assist a victim/survivor with identifying the necessary steps and processes for filing a lawsuit if requested.
Court-Ordered Restraining Orders

A victim/survivor may choose to obtain a restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can help protect a victim/survivor who has experienced or is reasonably in fear of physical violence, sexual violence, domestic violence, dating violence and stalking.

Emergency Protective Order (EPO)

An Emergency Protective Order (EPO) is a type of restraining order that only law enforcement can ask for by calling a judge. Typically, this is done by an officer responding to the scene of a domestic violence incident. Judges are available to issue EPOs 24 hours a day. The EPO takes effect immediately and can last up to seven calendar days. The judge can order the alleged abuser to leave the domicile and stay away from the victim and their children for up to a week. This provides the victim with time to go to court to request a temporary restraining order.

Temporary Domestic Violence Restraining Order (TRO)

A TRO is a type of protective order. In order to obtain one, the victim/survivor must fill out paperwork explaining the facts and why a protective order is needed. If a judge agrees that protection is needed, the judge will issue a temporary restraining order. Temporary restraining orders usually last until the court hearing date, typically 20 to 25 days after the petition is filed.

Criminal Protective Order (CPO)

When there is a claim that a domestic violence incident occurred, a criminal charge (or charges) may be filed by a prosecutor (such as the City Attorney or District Attorney) against the person who allegedly committed the criminal act. The prosecutor commonly asks a judge to issue a Criminal Protective Order while the criminal case proceeds. A CPO typically requires the defendant (the person who allegedly committed the criminal act) to stay away from and not to hurt, threaten, or communicate with the victim/accuser. If the defendant is convicted of or pleads guilty to the criminal charge(s), the CPO may last for up to ten years after the case is over.

Civil Harassment Restraining Order

This type of court order is available to individuals who have been harassed by any of the following: a neighbor, roommate (as long as no dating/romantic relationship existed or exists), friend, family member more than two degrees removed (e.g., an aunt/uncle, niece/nephew, cousin, or more distant relative), stranger, or another person not closely related to the victim of the harassment.

An individual who has been civilly harassed by a current or former spouse/partner, or someone with whom a dating/romantic relationship existed, or a close relative (parent, child, brother, sister, grandmother, grandfather, in-law) may qualify for a domestic violence restraining order but would not qualify for a civil harassment restraining order.

The CSU, Restraining Orders and Protective Orders

The CSU complies with California law in recognizing restraining orders and protective orders. If you obtain a restraining order a copy should be provided to your campus Police Department. In order to comply with the restraining order, Title IX Coordinators, DHR Administrators, Advocates and/or the University Police Department on your campus may assist with setting up escorts, establishing special parking arrangements, changing classroom or employment locations, or additional measures as needed. Victim/Survivor Advocates on your campus can offer assistance with obtaining a restraining order.
Disciplinary Procedures

Disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will provide a prompt, fair, and impartial process and resolution, outlined in the following excerpts from the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“the Policy”). As required by law, the excerpts in this Annual Security Report capture the steps, decisionmakers, and anticipated timelines for both formal and informal resolution processes, as applicable. For details beyond the steps, decisionmakers, and anticipated timelines, please see the policy.

The campus Title IX Coordinator is the designated administrator to receive reports of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and associated Retaliation.

Contact information: Raquel Bonilla, CSUMB Title IX Coordinator/DHR Administrator

Students and employees should go to the Title IX/DHR page and select its “Report Discrimination” button to file a disciplinary complaint. You may also use this URL: https://cm.maxient.com/reportingform.php?CSUMontereyBay

Complaints against a Chancellor's Office employee, or a campus Title IX Coordinator/ Discrimination, Harassment, and Retaliation Administrator (“DHR Administrator”) will be made to the Chancellor's Office at eo-wbappeals@calstate.edu. 32

The campus will respond in a timely and appropriate manner to all Complaints and will take appropriate action to prevent continuation of and correct Policy violations.

After receiving a report, the Title IX Coordinator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include information regarding potential Supportive Measures, where applicable. The Title IX Coordinator will describe and offer Supportive Measures to Complainants during the initial assessment (even if the Complaint is ultimately not investigated). Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

The Title IX Coordinator will make reasonable efforts to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial, neutral, and free from actual Conflicts of Interest.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator’s duty to weigh any victim’s request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matters involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence,

---

32 Complaints against a President should be made to the Chancellor's Office, but only if it is alleged that the president directly engaged in conduct that violates the Policy. Any other Complaints against a president (for example, that the president had no substantial involvement other than to rely on or approve a recommendation made by another administrator) will be made to and addressed by the campus.
and Stalking, the training shall also include how to conduct an investigation and hearing process that protects
the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during
meetings or any stage of the Complaint process. The Parties also have the right to consult with an attorney,
at their own expense, or a union representative at any stage of the process if they wish to do so. An attorney
or union representative may serve as a Party’s chosen Advisor. The unavailability of a specific Advisor will
not unduly interfere with prompt scheduling.

Applicable Procedures

The campus will investigate or otherwise respond to reports of alleged misconduct committed by a student in
accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual
Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against a Student
(“Student Respondent Procedures”) if the alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student’s or Employee’s ability to participate in a program, activity, or employment;

AND

- The alleged misconduct was committed by a person who at the time of the alleged misconduct was a
  student.

The campus will investigate or otherwise respond to reports of alleged misconduct committed by an
Employee or Third-Party in accordance with the Procedures for Complaints of Discrimination, Harassment,
Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation
Made Against an Employee or Third-Party (“Employee or Third-Party Respondent Procedures”) if the
alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student’s or Employee’s ability to participate in a program, activity, or employment;

AND

- The alleged misconduct was committed against a person who at the time of the alleged
  misconduct was a student, or the alleged misconduct was committed by or against an Employee.

Depending on the circumstances, the campus response may or may not include a formal investigation. When
a Complainant requests that no investigation occur, the Title IX Coordinator will balance the request against
the campus’ duty to provide a safe and nondiscriminatory environment for all members of the campus
community.

The Track System

There are three possible sets of procedures (“tracks”) for formal resolution of Complaints against a Student
33(Track 1, Track 2, Track 3) as required by federal and state law. There are two sets of procedures (“Tracks”)
for formal resolution of Complaints against an Employee or a Third-Party (Track 1 or Track 3) as required
by federal and state law. The remaining track, track 2: State Mandated Hearing Process, is not applicable to
Complaints against Employees or Third-Parties, as it applies only to certain Complaints against Students.

33 A Complaint against a Student-Employee where the alleged conduct arose out of the Respondent's status as an Employee and not their status as a
student, should be made using the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating
Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party.
Which procedure applies to any given Complaint will depend on a variety of factors described below. Questions about which procedures apply to any specific case should be directed to the campus Title IX Coordinator and/or the Discrimination, Harassment, and Retaliation Administrator (“DHR Administrator”).

Prior to a Notice of Investigation being sent to the Complainant and the Respondent, the Title IX Coordinator/DHR Administrator will determine which Track applies.

- Track 1 applies when the alleged conduct:
  - Meets the definition of Sexual Harassment as defined in Article VII.C of the Policy; and
  - Occurred in the United States; and
  - Occurred in an education program or activity at the university, as defined in Track 1.

- Track 2 applies when:
  - The Complaint is against a student; and
  - The Complaint is one of Sexual Misconduct, Dating Violence, or Domestic Violence; and
  - The credibility of one (or both) of the Complainant and the Respondent (“the Parties”), or any witness is central to the determination as to whether the student violated the policy; and
  - The student is facing a severe disciplinary sanction (expulsion or suspension) if found to be in violation of university Policy.

- Track 3 applies to all other Complaints under these procedures that allege a Policy violation.

Under Track 1 or 2, the campus will conduct an investigation, and the Complaint will proceed to a hearing unless otherwise resolved. An Investigator will first interview the Complainant, the Respondent, and any witnesses, and gather any documentary evidence. The hearing will occur once an investigation has finished. During the hearing, a hearing officer listens to the witnesses, including the Complainant and the Respondent, and analyzes the evidence, before deciding whether or not the Respondent violated the Policy.

Under Track 3, an Investigator interviews the Complainant, the Respondent, and any witnesses, gathers any documentary evidence, analyzes the evidence, and decides whether or not the Respondent violated the Policy. There is no hearing in Track 3 cases.

**Standard of Evidence**

The Preponderance of the Evidence based on the facts available at the time of the decision is the standard for demonstrating facts and reaching conclusions in an investigation and hearing that uses the Procedures. Preponderance of the Evidence means the greater weight of the evidence; i.e., that the evidence on one side outweighs, preponderates over, or is more than the evidence on the other side.

**Dismissal/Referral**

When the Title IX Coordinator receives a Formal Complaint under Track 1, or where new information or events arise under this Track, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process under Track 1. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a mandatory dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the campus may have an obligation to address the matter under other laws and policies. The Title IX Coordinator will determine whether allegations in a Formal Complaint must be dismissed for purposes of the Federal Regulations. If a Formal Complaint is dismissed it may still be referred, if appropriate, to be addressed under the processes in Track 2 or Track 3, CSU Executive Order 1098, or other applicable policies.
At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if the Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it, or if the specific circumstances prevent the campus from gathering evidence necessary to reach a determination as to the Complaint or part of the Complaint.  

Written notice of dismissal (mandatory or discretionary) and reason(s) for the dismissal will be sent simultaneously to the Parties when a Title IX Coordinator dismisses any Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process, and the process for submitting an appeal.

Either Party may appeal from a dismissal of a Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the notice of dismissal.

Appeals against a dismissal under Track 1 will be filed with the Chancellor’s Office (CO) and will be addressed to:

Systemwide Title IX Unit  
Systemwide Human Resources  
Office of the Chancellor  
TIX-Dismissal-Appeals@calstate.edu

Appeals against a dismissal under Track 2 or Track 3 will be submitted to the Chancellor’s Office and will be addressed to:

Equal Opportunity and Whistleblower Compliance Unit  
Systemwide Human Resources  
Office of the Chancellor  
401 Golden Shore  
Long Beach, California 90802  

eo-wbappeals@calstate.edu

If a Party is unable to file an appeal or a response to an appeal electronically, they should contact the campus Title IX Office for assistance. When an appeal is submitted, the other Party as well as the campus Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written statement in support of or challenging the dismissal. Within 10 Working Days of the CO's receipt of the appeal, the Parties will simultaneously receive (via email) a written decision with explanation.

**Informal Resolution**

The CSU recognizes some Parties may desire resolution of their matter through an Informal Resolution process ("Informal Resolution"), instead of through the formal resolution process (described below). Accordingly, Parties may mutually agree, with the agreement of the Title IX Coordinator, to resolve a Complaint through an Informal Resolution process, instead of undergoing the formal resolution process. The Informal Resolution process is entirely voluntary and will not occur unless both Parties agree in writing to participate in an Informal Resolution process.

34 Formal complaints under Track 1 may be discretionarily dismissed for the additional reason that the Respondent is no longer a student or Employee  
35 Track 1, a Formal Complaint must be filed before the informal resolution process may take place and that under Track 1, informal resolution cannot be used to resolve allegations that an employee sexually harassed a student
The Title IX Coordinator/DHR Administrator will oversee the Informal Resolution process, conduct an initial and on-going assessment as to whether the Informal Resolution process should continue, and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Complaint. In some circumstances, depending on the nature and/or severity of the allegations, an Informal Resolution may not be appropriate, and the Title IX Coordinator/DHR Administrator will not approve an Informal Resolution. Prior to approving an Informal Resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator in human resources or faculty affairs.

Prior to engaging in an informal resolution process, the campus will obtain the Parties' voluntary, written consent. Parties who choose to participate in the voluntary Informal Resolution process will be sent a notice of agreement to engage in Informal Resolution. The notice will include the following:

- An explanation that at any time prior to agreeing to a resolution, any Party has the right to withdraw from the Informal Resolution process and resume the investigation process.
- The Parties' right to consult with an Advisor.
- Any resolution must be in writing and signed by both Parties and the Title IX Coordinator/DHR Administrator.
- Once the Informal Resolution process is finalized, neither Party is permitted to file another Complaint arising from the same allegations.

The Informal Resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process. Any agreed-upon Remedies and disciplinary sanctions agreed to in an Informal Resolution have the same effect as Remedies given and sanctions imposed following an investigation (and/or hearing), consistent with any applicable collective bargaining agreements. The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. The resolution will be final and not appealable by either Party.

**Supportive Measures**

After receiving a report of Sexual Harassment, the Title IX Coordinator will contact the Complainant promptly to discuss the availability of Supportive Measures. The Title IX Coordinator will conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Policy violation to discuss the Complainant's options, explain the process, and provide information about Supportive Measures. During the discussion, the Title IX Coordinator will consider the Complainant's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without the filing of a Formal Complaint, and explain the process for filing a Formal Complaint.

**Notice of Allegations**

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will Simultaneously provide both Parties a written notice of allegations. If new allegations are raised during the investigation that were not included in the notice of allegations, a revised notice of allegations will be issued Simultaneously to the Parties. If the notice of allegations also serves as notice of a Respondent's expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The

36 For matters involving students, this consultation will be with the student conduct administrator.

37 Formal Complaint means a document or electronic submission filed by a Complainant that contains the Complainant's physical or digital signature or a document signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting an investigation of the allegation of Sexual Harassment. At the time that the Formal Complaint is filed, a Complainant must be participating in or attempting to participate in an Education Program or Activity of the CSU.
notice of allegations must be provided to a Respondent at least 5 Working Days prior to the interview. If a Respondent requests to meet sooner than 5 Working Days after receipt of the notice of allegations, they should verbally confirm at the start of the meeting that they are aware that they were provided notice of at least 5 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

**Investigation of a Formal Complaint**

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with Track 1.

The investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The investigator will document the steps taken to gather evidence, even when those efforts are not successful.

The Complainant and the Respondent may each elect to be accompanied by an Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The advisor may be anyone, including a union representative from the Complainant's or Respondent's collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim's Advocate.

Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Track 1.

If a Party requests to meet with the Title IX Coordinator sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

**Review of Evidence**

Before issuing a final investigation report, the investigator will send to the Complainant and Respondent, and their respective advisors, if any, all evidence (including evidence upon which the campus does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (preliminary investigation report).

Each Party will be given a minimum of 10 Working Days for the initial review of evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party's request). The extension must be made available to both Parties, who must be notified as such. During the review of evidence, each Party may:

- Meet again with the investigator to further discuss the allegations.
- Identify additional disputed facts.
- Respond to the evidence in writing.
- Request that the investigator ask additional specific questions to the other Party and other witnesses.
- Identify additional relevant witnesses.
- Request that the investigator gather additional evidence.
The investigator will share with the Parties the answers to questions posed during the review of evidence. If additional disputed material facts are identified or evidence is gathered, it will be included in the preliminary investigation report (or in a separate addendum) and shared with all Parties, who will be given a reasonable opportunity to respond to the new evidence and submit additional questions to the other Party and other witnesses about the new evidence only. The investigator determines when it is appropriate to conclude the review of evidence.

**Final Investigation Report**
After the review of evidence phase is concluded, the Parties will receive a final investigation report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional Relevant evidence received during the review of evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the final investigation report as exhibits. The final investigation report shall be sent to the Parties and their respective advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Advisors from downloading or copying the evidence) or hard copy. The Parties and their advisors will be provided 10 Working Days to review and provide a written response to the final investigation report.

**Timeframe**
Absent a determination of good cause made by the investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the notice of allegations is provided to the Parties; and (ii) the final investigation report should be completed and provided to the Parties within 10 Working Days after the review of evidence has concluded. Extensions may be granted for good cause as determined by the Title IX Coordinator. The Parties will receive written notice from the Title IX Coordinator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Formal Complaint process.

Within 10 Working Days after the Parties have been provided the final investigation report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described below. The Parties will be required to provide the name and contact information for their hearing advisor within 5 Working Days after notice of the hearing timeline.

**Track 1 Hearing**
The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the hearing officer. Notification of the hearing will be sent to the designated CSU campus email address, unless the recipient has specifically requested in writing to the hearing coordinator that notice be given to a different email address. Communications from the hearing coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing. Any objections to an appointed hearing officer must be made in writing to the hearing Coordinator within 5 Working Days after notice of the identity of the hearing officer has been communicated to the Parties.

No later than 15 Working Days before the hearing, each Party may provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness's testimony and the disputed issue to which the witness's testimony relates. The hearing officer may also identify witnesses from the final investigation report.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be directed...
to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator.

No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the hearing coordinator. The questions will be provided to the hearing officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the hearing officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

The hearing will begin with an overview of the hearing process given by the hearing officer, after which the Parties will be given an opportunity to ask questions about the hearing process. Each Party will be given an opportunity to make an opening statement that may not last longer than 10 minutes. Only the Parties themselves will be permitted to make opening statements. The hearing advisor and any advisor are not permitted to make the opening statement. The advisor may not speak during the hearing. Closing arguments will not be made.

Generally, the hearing officer will start the questioning of witnesses and Parties. The Investigator or the Title IX Coordinator (if not the Investigator) will be the first witness and will describe the Formal Complaint, investigation process, and summarize the evidence. Hearing advisors will be permitted to ask Relevant questions once the hearing officer has concluded their questioning of the other Party and each witness. The hearing officer may ask questions of any Party or witness who participates in the hearing.

**Determination and Notification Regarding Responsibility Under Track 1**

After the hearing, the hearing officer will make written findings of fact and conclusions about whether the Respondent violated the Policy with respect to the definition of Sexual Harassment. The hearing coordinator will Simultaneously send the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the appropriate campus administrator, usually within 15 Working Days of the close of the hearing.

If no violation of the Policy is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the hearing officer's report (redacted as appropriate or as otherwise required by law) and notice of the Complainant's and Respondent's right to appeal to the Chancellor's Office.

If a violation of the Policy is found, within 5 Working Days of receiving such finding the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and/or appropriate campus administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that provides a recommendation regarding the disciplinary outcome, including information regarding prior disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the hearing officer will submit the hearing officer's report to the president (or designee). The hearing officer's report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent ("final hearing officer's report"). The final hearing officer's report will attach the final investigation report.

---

38 See definition of Sexual Harassment in the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation.
In cases where the hearing officer has found a violation of the Policy, the president (or designee) will review the final investigation report and the final hearing officer's report and issue a decision ("decision letter") concerning the appropriate sanction or discipline within 10 Working Days of receipt of the final hearing officer's report.

The president (or designee) will simultaneously send the decision letter electronically to the Respondent and Complainant at the campus-assigned or other primary email address linked to their campus accounts.39 The decision letter will include:

- The outcome of the hearing, including any sanction imposed, and the name of the Respondent(s).
- Information regarding the procedures and permissible bases for the Complainant and Respondent to appeal to the Chancellor's Office.
- If a finding of responsibility is made against the Respondent, a statement as to whether Remedies will be provided to the Complainant that are designed to restore or preserve equal access to the campus's education program or activity. The specifics of any such Remedies may be discussed separately between the Complainant and the Title IX Coordinator and need not be included in the decision letter.
- A copy of the final hearing officer's report will be attached to the decision letter, redacted as appropriate or as otherwise required by law.

The determination regarding responsibility and any sanctions become final either on the date that the Chancellor's Office provides the Parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely (11 Working Days after the date of the decision letter).

Investigation and Hearing (if applicable) for Tracks 2 and 3

At the onset of the investigation, the Title IX Coordinator/DHR Administrator will simultaneously provide both Parties a notice of investigation.

In the notice of investigation, the Title IX Coordinator/DHR Administrator will schedule an initial meeting with the Respondent. At this meeting, the Title IX Coordinator/DHR Administrator will explain the allegations against the Respondent, as well as the investigation process, and the Respondent's rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation, the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

During the investigation, the Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all relevant evidence gathered. Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions.

In matters where a hearing is not required (Track 3 cases)40, a final investigation report will be provided to the Parties along with a notice of investigation outcome. The final investigation report will include a

39 Communication with Parties who are neither Students nor Employees will be sent to an email address that they designate.
40 Under Track 2, the process will proceed to a hearing, as outlined below, and the final investigation report will include all of the information included in the preliminary investigation report as well as additional relevant evidence received during the review of evidence. Any relevant evidence
summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a
detailed description of the evidence considered, analysis of the evidence including relevant credibility
evaluations, and appropriate findings. Relevant exhibits and documents will be attached to the written
report. The final investigation report will be attached to a notice of investigation outcome and include the
following: a summary of the allegations and the investigative process, that the Preponderance of the
Evidence standard was employed, a summary of the findings of fact, a determination as to whether the
Nondiscrimination Policy was violated, and if so, any Remedies to be afforded to the Complainant, and
notice of Parties' right to appeal under these procedures. The notice may be delivered to the Parties
electronically.

If the notice includes a determination that the Policy was violated, the Title IX Coordinator/DHR
Administrator will notify the campus student conduct administrator (where the Respondent is a
student)/appropriate campus administrator (where the Respondent is an employee) of the investigation
outcome and provide a copy of the final investigation report.

The final investigation report will be attached to a notice of investigation outcome and include the
following: a summary of the allegations and the investigative process, that the Preponderance of the
Evidence standard was employed, a summary of the findings of fact, a determination as to whether the
Nondiscrimination Policy was violated, and if so, any Remedies to be afforded to the Complainant, and
notice of Parties' right to appeal under these procedures. The notice may be delivered to the Parties
electronically.

The Notice of Investigation Outcome will be provided to the Parties within 100 Working Days from the
date of the Notice of Investigation.

Extensions may be granted for good cause as determined by the Title IX Coordinator/DHR Administrator.
The Parties will receive written notice from the Title IX Coordinator/DHR Administrator or designee if an
extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major
stages of the Complaint process.

Any communications relating to the outcome of an investigation or hearing, including any changes to the
outcome or when the outcome becomes final, will be provided in writing simultaneously to the
Complainant and the Respondent.

**Track 2 Hearing Process:**

As stated above in the explanation of Track 2, a hearing will be required (unless the case is resolved by
way of Informal Resolution). Below are the steps, decision-makers, and anticipated timelines for a Track
2 hearing process that commences after the issuance of the final Investigative report.

**Prior to a hearing:**

Parties will be given written notice of the date, time, location, and purpose of the hearing as well as the
identity of the hearing officer. The Parties will be sent a notice of the hearing at least 20 Working Days
before the hearing. Objections to an appointed hearing officer will be made in writing to the hearing
coordinator no later than 5 Working Days after notice of hearing has been sent to the Parties.

No later than 15 Working Days before the hearing, each Party will provide to the hearing coordinator a
proposed witness list that includes the names of, and current contact information for, that Party's proposed
witnesses as well as an explanation of the relevance of each proposed witness' testimony. The hearing
officer may also identify witnesses from the Final Investigation Report.

Where there is more than one Respondent or Complainant in connection with a single occurrence or related
multiple occurrences, the hearing officer and the Parties may agree to a single hearing. A Party may request
consolidation with other cases, or the Title IX Coordinator, may initiate the consolidation (subject to
FERPA and other applicable privacy laws). Request for consolidation will be made no later than 15
Working Days before the hearing. The hearing officer makes consolidation decisions.

---

provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the hearing officer if requested.
Parties must provide the name of, and contact information for, the Party's Advisor and Support Person (if any) to the hearing coordinator 15 Working Days before the hearing.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be instructed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator. No later than 5 Working Days before the hearing, the Parties will submit to the hearing coordinator any objections to, or questions about, the witness list.

At the hearing:

Each Party will be given an opportunity to make an opening statement that will last no longer than 10 minutes. The Parties will not make closing statements. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative.

Parties will have the opportunity to submit written questions to the hearing officer in advance of the hearing. The Parties may also submit written follow-up questions to the hearing officer during the hearing, at appropriate times designated by the hearing officer. The hearing officer will ask the questions proposed by the Parties except for questions that:

1. Seek information about the Complainant's sexual history with anyone other than the Respondent (unless such evidence about the Complainant's sexual behavior is offered to prove that someone other than the Respondent committed the alleged misconduct).
2. Seek information about the Respondent's sexual history with anyone other than the Complainant, unless such information is used to prove motive or pattern of conduct.
3. Seek information that is unreasonably duplicative of evidence in the hearing officer's possession.
4. The hearing officer determines are not relevant to material disputed issues, are argumentative or harassing or unduly intrude on a witness' privacy.

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the hearing officer. The hearing officer is not required to respond to an objection, other than to include it in the record.

The hearing officer has the authority and duty to decline or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the hearing officer may take guidance from the formal rules of evidence.

After the hearing:

After the hearing, the hearing officer will make written findings of facts and conclusions about whether the Respondent violated the Policy. The Title IX Coordinator will review the hearing officer's report to ensure compliance with the Policy. The hearing coordinator will forward the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the student conduct administrator, usually within 15 Working Days of the close of the hearing.

If no violation is found, the hearing coordinator will notify the Parties of their appeal rights. The campus president (or designee) will also be notified.

If a violation is found, the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline. The statement may not be more than 2000 words in length and will be submitted no later than 5 Working Days after the hearing officer's report is sent to the Parties. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and the Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the hearing officer's report is sent to the Parties.
Within 5 Working Days after receiving and considering the statements described above, the hearing officer will submit the hearing officer's report to the president (or designee), including recommended sanctions (as defined in Executive Order 1098 Student Conduct Procedures) if a Respondent has been determined to have violated university Policy.

Within 10 Working Days of receipt of the hearing officer's report, the president (or designee) will review the Investigation Report and the hearing officer's report and issue a decision concerning the appropriate sanction. The president may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the hearing officer, the president must set forth the reasons in the Decision Letter. The president will simultaneously send the decision letter electronically to the Respondent and Complainant. The decision letter will include: the outcome of the hearing, including any sanction imposed, and the name of the Respondent(s), a copy of the hearing officer's Report, and information regarding the procedures and permissible bases for the Complainant and Respondent’s right to appeal to the Chancellor's Office. The decision will also be sent to the student conduct administrator and the hearing officer. Unless the campus and Parties are notified that an appeal has been filed, the president's (or designee's) sanction decision becomes final 11 Working Days after the date of the decision letter. Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or when the outcome becomes final, will be provided in writing simultaneously to the Complainant and the Respondent.

Sanctions

Discipline for Employees includes, but is not limited to, suspension, demotion, and termination of employment.

Employees disciplined by the university may be entitled to additional processes as required by law and/or collective bargaining agreements, including in some cases the right to a hearing before an independent arbitrator or a state agency where the employee may contest the discipline.

The following sanctions may be imposed for violation of the Student Conduct Code:

- **Restitution.** Compensation for loss, damages or injury. This may include appropriate service and/or monetary material replacement.
- **Loss of Financial Aid.** Scholarships, loans, grants, fellowships and any other types of state financial aid given or guaranteed for the purposes of academic assistance can be conditioned, limited, canceled or denied.
- **Educational and Remedial Sanctions.** Assignments, such as work, research, essays, service to the University or the community, training, counseling, removal from participation in recognized student clubs and organizations (e.g., fraternities and sororities), and/or University events, or other remedies intended to discourage similar misconduct or as deemed appropriate based upon the nature of the violation.
- **Denial of Access to Campus or Persons.** A designated period of time during which the Student is not permitted: (i) on University Property or specified areas of Campus, or (ii) to have contact (physical or otherwise) with the Complainant, witnesses or other specified persons.
- **Disciplinary Probation.** A designated period of time during which privileges of continuing in Student status are conditioned upon future behavior. Conditions may include the potential loss of specified privileges to which a current Student would otherwise be entitled, or the probability

of more severe disciplinary sanctions if the student is found to violate the Student Conduct Code or any University policy during the probationary period.

- **Suspension.** Temporary separation of the student from active Student status or Student status.
  - A Student who is suspended for less than one academic year shall be placed on inactive Student (or equivalent) status (subject to individual Campus policies) and remains eligible to re-enroll at the University (subject to individual Campus enrollment policies) once the suspension has been served. Conditions for re-enrollment may be specified.
  - A Student who is suspended for one academic year or more shall be separated from Student status but remains eligible to reapply to the University (subject to individual Campus application polices) once the suspension has been served. Conditions for readmission may be specified.
  - Suspension of one academic year or more, withdrawals in lieu of suspension, and withdrawals with pending misconduct investigations or disciplinary proceedings shall be entered on the student's transcript permanently without exception; this requirement shall not be waived in connection with a resolution agreement.

- **Expulsion.** Permanent separation of the Student from Student status from the California State University system. Expulsion, withdrawal in lieu of expulsion, and withdrawal with pending misconduct investigation or disciplinary proceeding shall be entered on the student's transcript permanently, without exception; this requirement shall not be waived in connection with a resolution agreement.

### Appeals

A written appeal may be submitted to the Chancellor's Office no later than 10 Working Days after the date of the decision letter (Tracks 1& 2) or notice of investigation outcome (Track 3). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the Chancellor's Office. A written appeal may not exceed 3,500 words, excluding exhibits.

Appeals will be submitted to:

Equal Opportunity and Whistleblower Compliance Unit  
Systemwide Human Resources  
Office of the Chancellor  
401 Golden Shore  
Long Beach, California 90802  
eo-whappeals@calstate.edu

The Chancellor's Office will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits. Any response to the appeal received by the Chancellor's Office will be provided to the appealing Party for informational purposes only.

The Chancellor's Office will not conduct a new investigation; however, the Chancellor's Office may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing.
determination. A copy of the final Chancellor's Office appeal response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator.

If the Chancellor's Office review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the campus and the investigation or hearing reopened at the campus level. The Chancellor's Office will return the matter to the campus and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Chancellor's Office will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The campus will complete the reopened investigation or hearing and provide the Chancellor's Office with an amended final investigation report/final decision. The campus will also provide the Parties with amended notices of investigation outcome/final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor's Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the campus, the non-prevailing Party will be given an opportunity to appeal.

If the Chancellor's Office determines that no reasonable fact finder (Investigator or hearing officer) could have made the findings as determined by the Investigator or hearing officer, the Chancellor's Office may vacate and reverse the investigation or hearing outcome, but only with respect to whether the Policy was violated (and not with respect to factual findings). If the Chancellor's Office vacates and reverses the investigation or hearing outcome, it will notify the Parties simultaneously in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Chancellor's Office, the Chancellor's Office decision is final and is not subject to further appeal.

The Chancellor’s Office will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal unless the timeline has been extended.\[43\]

**Registered Sex Offenders**

California’s sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan's law web site at [http://www.meganslaw.ca.gov/](http://www.meganslaw.ca.gov/)

**Missing Student Notification Procedures for On-campus Student Housing Facilities**

Cal State Monterey Bay will provide every student living in campus housing the opportunity and means to identify an individual, who the institution shall notify within 24 hours of the determination that the student is missing, through the current student management software (OASIS). This contact is confidential and strictly used for missing person purposes only, and is a separate contact from their emergency contact, but may be the same person. This information is directly entered into the OASIS portal, [OASIS | California State University Monterey Bay (csumb.edu)](https://csumb.edu), by each student and is accessible by SHRL staff on any web-enabled device. The designated missing persons contact can be updated at any time by the student through

\[43\] The Chancellor's Office has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Chancellor's Office. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Chancellor's Office to respond to the appeal. The Chancellor's Office will notify the Parties and the Title IX Coordinator of any extensions of time granted pertaining to any portion of the appeal process.
OASIS. Every resident will be notified of the Missing Student Notification procedure, as it will be included in the SHRL Community Standards available online.

If a member of the Cal State Monterey Bay community has reason to believe a student who resides in on-campus housing is missing, he or she should report the missing student immediately to UPD by calling 831-655-0268. UPD will receive the report and give priority to its handling pursuant to California Penal Code Section 14211(a). However, if a member of the University community is unable to report a suspected missing student to UPD, they may also make the report to SHRL professional staff, RLC’s, RAs, student health staff, Athletics coaches, trainers and staff members, Office of Student Affairs staff, student organization advisors, the Dean of Students, or the Director of Student Engagement & Leadership Development. Non-UPD recipients of missing student reports should forward missing student information to UPD immediately. A student is considered missing when his or her whereabouts are unknown and knowledgeable persons regard the disappearance as unusual or uncharacteristic. All reports of missing students should be made without delay.

UPD, in accordance with all applicable federal and state laws, shall investigate all reports of missing students in accordance with UPD Policy 314: Missing Person Reporting. If upon being reported to UPD, the student is not located during the initial investigation, or if extenuating circumstances exist (e.g. the student is missing for a full 24 hours), the Vice President for Student Affairs (VSPA) or designee will contact the student’s designated missing person contact(s). If the student is under 18 years of age and not emancipated, the VSPA will notify the custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to any additional contact person designated by the student. In all missing student situations, local and other relevant law enforcement agencies, as determined by UPD, will be notified by UPD of its determination that the student is missing within 24 hours.

Appendix A: Jurisdictional Definitions

(a) Rape is an act of sexual intercourse accomplished under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

Note that these are not the definitions used to compile the statistics at the beginning of these document. The federal definitions of Rape, fondling, incest, statutory rape, domestic violence, dating violence, and stalking are used for the statistics, as required by federal law.
(2) If it is accomplished against a person’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, “unconscious of the nature of the act” means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, “threatening to retaliate” means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim’s will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, “public official” means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(b) For purposes of this section, the following definitions apply:

“Duress” means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

“Menace” means any threat, declaration, or act that shows an intention to inflict an injury upon another.
