This License Agreement (“License” or “Agreement”) is entered into by the student executing this License Agreement (“Licensee”) and the Trustees of the California State University (on behalf of California State University Monterey Bay (“CSUMB”), and the University Corporation at Monterey Bay (“Corporation”) (together referred to as “University” or “Licensor”). Unless otherwise noted, CSUMB Student Housing and Residential Life (“SHRL”) office administers this License on behalf of the University and Greystar Real Estate Partners, LLC (Greystar). Greystar is Corporation’s agent as property manager of the Frederick Park student housing area in CSUMB’s East Campus. This License for housing and a dining plan is for the 2024-2025 academic year. This Agreement is considered accepted by the University and Licensee on the date that the Licensee provides a digital signature for the License.

ADHERENCE TO RULES AND REGULATIONS

The Licensee shall at all times abide by this License and the rules, regulations, policies, and prohibitions set forth in [Title 5 of the California Code of Regulations](#), Sections 42000-42103, (insofar as they pertain to student conduct, generally, or specifically student housing), the CSUMB Student Conduct office (<https://csumb.edu/studentconduct/>), [SHRL policies and community standards](#), and [Dining Services Meal Plan rules](#).

1. LICENSE. Under this License, Licensor grants permission to Licensee to participate in a dining plan and use the housing facilities during the “Fee Period” (as described in *Section 2. Fee Period; Occupancy*) in exchange for Licensee’s timely payment of the applicable housing and dining plan fees, and Licensee’s compliance with all provisions of this License. This License is for a limited time for the use of a bed space within a living unit assigned to the Licensee and to any dining plan. Submission and acceptance of an application does not guarantee space in student housing or a specific housing living unit. Licensee agrees to make payments to the University or its designee as set forth in the payment schedule and fees referenced in this License for any required or optional dining plan selected by Licensee and assigned living unit. This License is not intended to create any interest in real property, taxable, possessory, or otherwise.

Any reference to roommate(s) or shared space is applicable to Licensees eligible for an Individual License, not a Family License.

2. OCCUPANCY AND FEE PERIOD.

Licensee may reserve a bed space for the entire academic year or for the spring semester only. Licensee will retain access to Licensee’s assigned space throughout the Fee Period as further specified below.

2a. Academic Year 2024-2025 License: Licensee is permitted to occupy a bed space within the housing facilities and to participate in a dining plan for the Fee Period, which begins Wednesday, 9 am, August 21, 2024, and runs through 12 pm, Sunday, May 18, 2025, or no later than 24 hours after the Licensee’s last spring final examination (whichever occurs first in time). The Fee Period for licensees residing on campus for Fall 2024 only and who are not assigned to live on campus in Spring 2025, due to an approved License cancellation (see Section 12), ends at 12 pm on Saturday, December 21, 2024.

2b. Spring 2025 Semester License: The Fee Period for new Spring 2025 licenses begins Friday, 9 am, January 17, 2025, and runs through 12 pm, Sunday, May 18, 2025, or no later than 24

hours after the Licensee's last spring final examination (whichever occurs first in time unless the student is graduating).

2c. Summer 2025 Term License: Main Campus licensees who want to stay in housing and attend summer classes in Summer 2025 will need to timely complete a separate application and summer housing license during Spring 2025 and be approved for summer housing. Summer residents will be assigned housing spaces by SHRL and, in most if not all cases, will need to move housing locations for summer housing. East Campus licensees who apply for summer housing and have Academic Year 2025-2026 reservation in the same unit as their 2024-2025 will be automatically approved for summer housing and billed for their space between June 1, 2025 and the beginning of the 2025-2026 License. Summer housing terms and conditions are outlined in the Summer 2025 Housing License.

2d. Winter and Spring Breaks. Licensee may retain access to Licensee's assigned space throughout the Fee Period, including all holidays as well as Winter and Spring Breaks at no additional cost (as applicable depending on the Fee Period). Note that many customary services will be limited or not available during these breaks, including dining, front desk, and mail services.

2d1. Licensee is encouraged to take their valuable items with them during the Winter Break.

2d2. Winter Break access requires Licensee to register Licensee's request with SHRL no later than December 1, 2024. To stay during Winter Break, Licensees may not have any balance due for fall semester housing and Dining Plan, must be registered for the Spring Semester, and have an active housing assignment for Spring 2025.

2d3. If Licensee fails to register for Winter Break access by the December 1, 2024 deadline and then requests to stay during Winter Break, the Licensee shall be required to pay a \$50 late registration fee.

2e. The University shall not be liable for any delay in the delivery of occupancy of premises.

3. ELIGIBILITY.

3a. Licensee must be enrolled full-time (defined as 12 units undergraduate or as defined by the academic program for graduate and post-baccalaureate programs) and be in pursuit of a degree at CSUMB to be eligible for occupancy under this License. Other eligibility may be considered with written approval of the University. The Licensee must qualify for housing eligibility at all times and agrees to maintain eligibility throughout the term of this License. The University may revoke the License Agreement if the resident fails to meet this requirement.

3b. Dropping below the course unit minimum may result in termination of this License by the Licensee, but will not release the Licensee from the obligation to pay any housing or dining related fees due.

3b1. Failure to maintain eligibility may result in the revocation of this License.

3b2. Eligibility for occupancy also includes satisfactory payment history with the University or Greystar.

3b3. If Licensee withdraws or is disenrolled, Licensee is responsible for notifying SHRL immediately in writing. Licensee will still be financially responsible for their space until their withdrawal process is finalized.

3c. For an Individual License in the East Campus housing area, in addition to conditions outlined in Section 3a and 3b, the Licensee must also meet one (1) of the following requirements:

- 3c1.** Be 21 years of age or older and be a full-time student at CSUMB as defined herein; or,
- 3c2.** Have completed a minimum of 90 units by August 1, 2024.

4. REQUIRED RESIDENCY ON CAMPUS. All CSUMB freshmen and sophomores are required to live in housing on campus unless an exception applies. All first-time freshmen and residents in any residence hall or in suites (Pinnacles and Vineyard) must purchase an Otter residential dining plan. Housing exemption requests must be submitted in writing to SHRL for approval prior to the stated deadline or, if accepted to CSUMB after that deadline, within 10 calendar days of payment of an enrollment confirmation fee. See <https://csumb.edu/housing/housing-options/> for more information. See Section 21 related to dining plans.

5. ENHANCEMENT OF EDUCATIONAL EXPERIENCE. The University shall maintain professional and paraprofessional staff to work with students to develop community on the premises, in order to enhance the social, educational, and recreational experiences of the students. The University shall provide opportunities for input from Licensees on the development of the community. Licensee agrees to recognize the importance of maintaining the premises/student housing building and grounds as an environment conducive for fellow Licensees to study, live, and sleep in the student housing facilities. While in this community, Licensee agrees not to disturb this environment.

6. APPLICATION, FEES, RATES.

6a. Application and Reservation Fees.

6a1. To apply for on-campus housing, housing applicants must be admitted to the University. All new and returning students, including all financial aid recipients, must pay a \$200 Reservation Fee, comprising a \$50 nonrefundable application fee and a \$150 License Prepayment. These payments, the online housing application, and an electronically signed License must be submitted in full before the housing application is accepted by the University. These payments may not be deferred for financial aid payment. Once paid, the application fee is not refundable even if the applicant does not complete the application process. This application is considered accepted by the University and Licensee on the date which the Licensee provides a digital signature for the License. Applications will not be processed without these payments and failure to remit correct payment could result in delayed processing of or loss of Licensee's option for certain housing space. Prior to confirming a room assignment, Licensee's past balances must be paid in full for any housing and dining plan fees from previous fee periods. For all licensees, the \$150 License Prepayment will be applied to Licensee's fall charges (or spring charges, if a new spring Licensee).

6b. Rates and Other Fees.

6b1. All Licensees are subject to the current Fee Period rates for the assigned living unit, bed space and applicable dining plan.

6b2. Undergraduate Licensees who applied for and moved into student housing during their first year at CSUMB, whose first year at CSUMB occurred on or before the Fall 2023 semester, participate in the annual housing selection process (commonly referred to as Reservation Days) for the appropriate License Fee Period, and continue to reside on campus in consecutive fee period(s) may be provided "Rate Lock pricing" for housing for this Fee

Period. Undergraduate students have a defined number of years in which they are eligible based on year of entry. The detailed Rate Lock rates and rules are sent to eligible students each year. Failure to timely apply, as defined by SHRL, could also result in loss of Rate Lock pricing for this and future Fee Periods. Dining plan fees are not included in the Rate Lock pricing and dining plan will be provided at the current year pricing. Graduate students and all students who entered CSUMB after Fall 2023 are not eligible for the Rate Lock program.

6b3. Housing and dining plan fees will vary depending on which housing facility and living unit or bed space Licensee is assigned and, as applicable, which dining plan is selected by Licensee.

7. PAYMENTS.

Licensee may not be issued a housing room key or may be restricted building or room access until after scheduled tuition, student fees, housing and dining plan fees have been timely paid to University for the semester. For tuition, payment of CSUMB student fees and the initial installment of a tuition payment on a CSUMB-approved Tuition Installment Payment Plan (IPP) will satisfy the payment of tuition for move-in purposes. See <https://csumb.edu/csc/how-make-payment/installment-payment-plan/> regarding terms and conditions for a tuition IPP. Housing License Fees may be paid according to the following Payments Schedule and methods and financial aid may apply per conditions outlined below:

7a. Schedule.

7a1. Licensee's annual License Fees are required and due according to the following Payment Schedule unless paid in full in advance of the Fee Period. Due dates are firm, even those that fall on weekends or holidays as payments may be made online, 24 hours per day.

7a2. Academic Year Payment Schedule: Five (5) equal installments of total cost of Licensee's housing and dining plan each semester, for a total of ten (10) payments per academic year. All payments must be received and posted to Licensee's account on or before published Payment Schedule due dates and in advance of services being provided. Postmarked dates are not considered the paid dates. Other housing fees (e.g. - damages, additional length of stay) are not included in the installment payment schedule and are due upon billing.

7a3. Late fees will be assessed on all late or insufficient payments and recurring monthly on overdue balances.

7a4. Licensee agrees to review account balance information regularly through their student account (Oasis) and make a payment on or before the published Payment Schedule due dates.

7b. Financial Aid and License Fee Deferment.

7b1. The Reservation Fee, consisting of the application fee and the License Prepayment, are due upon application for this License. These payments may not be deferred for financial aid payment.

7b2. If any financial aid/scholarship is awarded to the Licensee and there are funds remaining after tuition and fees are paid, these funds are applied toward other University debts on the Licensee's account including dining plan and housing related fees. Agreement to this License authorizes and directs the University to deduct any housing-related payments

from Licensee's financial aid monies and assign such payments directly to University for any debt obligation of Licensee arising out of this License and shown in Licensee's student account. Licensee shall receive any remaining balance after all outstanding University fees, including housing and dining plan fees, have been paid. Payments made by or on behalf of Licensee will be applied in this order to University-held debts on Licensee's student account, to tuition and student fees, then dining plan fees, then housing fees. If a financial aid/scholarship award does not fully satisfy License Fee balances due, the Licensee is required to make payments according to the Payments Schedule until their account balance is paid in full.

7b3. Deferral: Licensee will qualify for a deferral of their first installment payments if they will receive enough federal, state, or other financial aid such that after tuition fees and other University debts are paid, there are remaining funds to cover the first or more installments.

- a. Such aid will be distributed to the Licensee at or no later than the add/drop deadline of the Fee Period.
- b. No deferral shall continue beyond this add/drop deadline for the respective semester without pre-approval of SHRL.
- c. It is Licensee's responsibility to understand and follow Financial Aid processes and timelines to ensure their aid is disbursed on time and sufficient to avoid late fees.

7b4. A payment deferral will not decrease the amount owed for housing and dining plan fees.

7b5. Licensee is responsible for paying the License Fees that are not covered by financial aid according to the Payment Schedule.

7c. Payment Methods.

7c1. Licensee agrees to make timely payment of all fees and charges due in the appropriate payment portal (e.g. - Oasis, CashNet). Individual bills are not sent to Licensee by mail, email, or other means for any payments due, including the Payments Schedule dates for the full balance due or payments.

7c2. Payments shall be made in US dollars only.

7c3. All housing and all dining plan payments may be made:

- a. At the Campus Service Center located at the Student Services Building, Building 47, first floor;
- b. Online using a credit card or electronic check at Online Payments via Licensee's CSUMB Dashboard within the OASIS Self Service/Student Center Online. There is a 2.75% non-refundable convenience fee for credit card payments. Online payments received after 5 pm may be recorded the following business day;
- c. By mailing a check or money order. Only checks for funds drawn from a US bank are accepted. Mailed payments are recorded as paid when received by the University. University is not responsible for payments that are lost, late, misdirected, mutilated or delayed. Note that the campus is closed for business between December 24, 2024 and January 1, 2025 and no mail will be checked by the Campus Service Center. Make the check payable to "CSUMB" and include your full name and Student ID number on the check. Please note in the memo section of the check that the payment is for Housing (Do NOT mail cash payments as it will not be accepted.) Mail check payment to: Campus Service Center, California State University Monterey Bay, 100 Campus Center, Seaside, CA 93955; or

- d. For international Licensees, students may utilize [Flywire](#).

8. ASSIGNMENTS.

8a. Living units and bed spaces are assigned based on date of application, availability at the time assignments are made. University shall assign each Licensee to a specific living unit or bed space and Licensee must occupy only the assigned living unit or bed space. The Licensee agrees to accept the assigned roommate(s).

8b. The University may require a Licensee to move to a different living unit or bed space for reasons, such as but not limited to:

- 8b1.** Maintenance or closure of an area;
- 8b2.** Changes of use in space;
- 8b3.** Crisis, safety, or emergency situations;
- 8b4.** Student Code of Conduct violations;
- 8b5.** Unresolvable incompatibility of roommates; or
- 8b6.** Occupancy management needs.

8c. Licensee will be allowed one (1) change of assignment at Licensee's request during the Fee Period and as approved at the discretion of the University. This change of assignment, if approved, will be subject to a \$50 Room Change fee and any cleaning and damages fees, if applicable, and any changes in housing fees will be assessed or credited on a prorated basis. Approval for requests for any change in assignment will be at the discretion of the University. No change of assignment requests to other bed spaces, rooms, or living units will be granted during the first two (2) weeks of each semester, except in extenuating circumstances. Change of assignment requests submitted within the first three weeks of occupancy will be processed during the room change period designated by SHRL. Any Licensee who fails to complete the change of assignment move in the timeframe designated by SHRL will result in a per day fee of the value of the bed space (daily rate) for occupying two spaces. Change of assignment requests after the designated room change period will only be considered for extenuating circumstances.

8d. Any unapproved change of assignment by a Licensee or occupation or utilization of a bed space or any other part of a housing building or living unit that is not assigned to a Licensee will result in the Licensee returning to their original living unit, a fine of \$100 per day liquidated damage charges and any additional fees for cleaning bed spaces or living units and/or common area spaces, as well as disciplinary action.

8e. Bed space or area of this License may not be assigned, transferred, or sublet by Licensee.

8f. No Licensee shall cohabitate in any bed space, room, or living unit with a person other than their assigned roommate(s) for Individual License. No other persons may occupy the bed space, room, or living unit.

8g. All unassigned living units, rooms and bed spaces must always be prepared and ready for a new licensee/roommate. Licensees who choose to occupy unassigned living units, rooms, and bed spaces may be charged minimum of \$150 liquidated damage charges and any additional fees for cleaning bed spaces or living unit, and/or common area spaces; an additional daily rate equivalent to the value of the occupied unassigned living unit, room, or bed space; and subject to disciplinary action.

8h. For a Licensee eligible for an Individual License, it may be necessary to modify the design of the living units to adjust usable capacity. There may be a need to increase density in a living unit to provide for more assignable bed spaces due to an increased need for housing space on campus. In addition, an Individual Licensee may also be offered the opportunity to occupy a living unit at a different rate, including buying out another bed space within a room or living unit, when the other assignable bed spaces are not needed.

8i. Inability of University to provide Licensee's room assignment or roommate preferences, roommate/ community related issues, or failure to receive a housing assignment electronically or by mail, are not grounds for cancellation.

8j. In the event that a bed space or living unit is destroyed or becomes unavailable as a result of conditions not reasonably foreseen at the time this License is made and University has no available alternative living unit or bed space, University and Greystar shall have no liability to Licensee except to promptly refund the pro-rata share of any license payments charged or paid applicable to periods after Licensee was required to vacate. Refunds do not include non-refundable fees assessed to Licensee due to damages or violation of the terms of this License. Such conditions include, but are not limited to, health and safety emergencies, damage caused by floods, landslides, fire, earthquake or other natural disasters and vandalism; compliance with state or federal law; unanticipated interruption of basic services; and a drop in the rate of cancellations not reasonably foreseen by the University, if such a drop results in an overbooking of available housing facilities.

8k. For periods requiring short-term vacancy not within University's control, such as campus evacuation, emergency, illness or resident safety, University may require short-term occupancy by Licensee in another living unit, room or bed space for which University shall not compensate Licensee.

8l. If Licensee moves out of housing or abandons the space before the last day of the Fee Period for any reason, the Licensee will remain responsible for full payment for the entire Fee Period.

9. LICENSEE REQUIREMENTS.

9a. Licensee will:

9a1. Permit no visitors or guests to enter the Housing Facility except as permitted by [SHRL policies and community standards](#). The Licensee must escort their guest(s) at all times. Licensees are responsible for the conduct of their guests and are liable for all negligent or intentional damage(s) caused by their guests who are bound to the same regulations which govern resident conduct;

Licensee is responsible for any damages or injuries caused by Licensee to the person or property of other residents as well as damages to University and Corporation property. The University partners with GradGuard to provide renter's insurance to Licensee, at Licensee's expense and billed through rental rates, that includes personal liability for damage to University property and personal property coverage. Licensee understands that they are not able to opt out of this coverage regardless of whether they have renter's insurance from another provider. For more information, please visit <http://gradguard.com/renters/csumb>.

10b. The University and Greystar do not maintain individual or group health and accident insurance for students. It is highly recommended that Licensee obtain health and accident insurance.

11a. All Licensees are individually responsible for loss or damage to their rooms. Throughout the year, if Licensee fails to maintain the living unit in good order and repair, Licensee shall pay the University the reasonable costs incurred in returning the living unit to a condition of good order and repair. Reasonable wear and tear are expected. 11b. All Licensees of a room, floor, suite, or apartment, with access to a certain common area, shall be held jointly liable under the University's discretion for loss or damage to that common area where individual responsibility cannot be determined.

12. CANCELLATION.

12a. The License conferred by this Agreement shall expire on the date specified in *Section 2. Fee Period; Occupancy* of this Agreement. Cancellation is a request submitted by the Licensee to end the License before the Fee Period is scheduled to end.

12b. Any cancellation request by Licensee automatically includes consideration of both the housing and the dining plan (if applicable), unless otherwise agreed by the University. Licensee's dining plan will become invalid upon cancellation of License unless otherwise agreed by the University.

12c. Notifying any other University office does not satisfy the obligation to notify SHRL. The cancellation request date will be considered the date the request form, with appropriate supporting documentation, is received by SHRL through mail or electronic means.

12d. Cancellation of this License shall not release Licensee from the obligation to pay any charges due and payable under this License including, but not limited to, cancellation fees, daily prorated charges for housing and dining plan for each day from the beginning of the Fee Period through the Licensee's Date to "Vacate", nonrefundable fees, and liquidated damages related to this License.

12e. Any Licensee who fails to occupy assigned space one week after the contract start date shall be considered a no-show cancellation. Licensees considered no-show cancellations shall owe the full fee period of the license (academic year) for enrolled CSUMB students or thirty (30) day rent fee for non-enrolled CSUMB students, any charges for damages and cleaning, and all nonrefundable fees.

12f. License cancellation requests submitted and/or effective within the last 30 days prior to the end of any semester will be exempt from any prorated refund for that semester.

12g. Cancellation Deadlines and Fees. Before prescribed dates listed below, the Licensee may request cancellation by logging into their MyHousing portal and canceling their housing application. The chart below outlines the following applicable cancellation deadlines and fees unless other conditions are stipulated and met. The Licensee's application fee is non-refundable in all cases.

12g1. Academic Year Licenses:

- a. Cancellations submitted prior to June 1, 2024 will be refunded the \$150 prepayment made during the housing application.
- b. Cancellations submitted between June 2, 2024 and August 20, 2024 will be charged a \$150 fee. The \$150 prepayment made during the housing application will be collected as this fee.

12g2. Spring Semester Licenses:

13. REVOCATION OF LICENSE BY UNIVERSITY.

13a. Revocation by the University. Revocation means the University revokes the License before the Fee Period is scheduled to end. The University may revoke this Agreement and initiate removal and/or banishment of a License upon the occurrence of any of the following reasons:

13a1. Disciplinary action against Licensee pursuant to sections 41301-41304 of Article 2 of Subchapter 4 of Title 5 of the California Code of Regulations, and CSU Executive Order 1098.

13a2. Licensee is convicted of any misdemeanor or felony committed on University property, or involving any member of the University community (e.g. students, staff, or faculty) whether on or off University property, or that is otherwise University-related.

13a3. Breach of any term or condition of this License Agreement or of any addendum hereto, specifically including, but not limited to, Licensee's failure to pay required housing charges, fees, or insufficient funds debt;

13a4. Failure to maintain status as a student at the University due to academic dismissal or all other withdrawals. Licensee must be regularly enrolled in an approved academic program as a matriculated student at CSUMB unless otherwise approved by the Director of SHRL;

13a5. Possession of any weapon, including but not limited to replicas, firearms (defined as any gun from which a shot, readily capable of producing death or physical injury, may be discharged; rifles, pistols, or handguns designated to fire bullets, BBs, pellets, or shots, including paintballs, airsoft guns, Nerf guns, regardless of propellant used or if no propellant is used as in starter or blank guns/pistols), and "Electronic dart or stun guns". Knives, unless specifically used for culinary activities, (including, but not limited to, hunting, switchblade, gravity, "Butterfly," sport, daggers, cane swords, decorative, or throwing of any size or any large blade kitchen knife displayed in public areas); bows and arrows, crossbows, slingshots, or similar devices; ammunition; noxious materials, or any unauthorized hazardous materials or chemicals; other weapons, such as batons, Billy clubs,

13a7. Falsification of any legitimately required information requested by the University;

13a8. An emergency in which the peaceful and orderly operation of the University, or the health and safety of any person, is or may be jeopardized; or,

13a9. Administrative necessity of the University. Administrative necessity exists when any condition not reasonably foreseen at the time of confirming a reservation, issuing a license, or renewing a license occurs and prevents the university from making or continuing to make a housing facility available to the licensee. Such conditions shall include, but are not limited to, damage caused by floods, slides, fire, earthquake, other natural disasters and vandalism; civil disorder; compliance with state or federal law; or interruption of basic services because of labor strife. Such conditions shall also include a dramatic increase in demand for housing oversupply not reasonably foreseen by the campus, if such demand results in an overbooking of available housing facilities.

13b. Removal of a Licensee will generally be preceded by a three-day removal notice; however, depending on the severity of the situation found to warrant removal, shorter notice may be permitted and necessary.

13c. Licensees who have had a previous license terminated or revoked may be denied future occupancy.

13d. In the event that the University revokes the License Agreement, Licensee will be assessed charges as noted in Section 12 herein.

13e. Eviction/Suspension Payment. As per Section 12, if a Licensee is evicted or suspended, Licensee shall owe the full fee period of the License (academic year), plus any charges for damages, cleaning, and all nonrefundable fees as described in the Payment Information section of this License Agreement.

13f. Termination of Dining Plan Only. In extreme circumstances University may terminate only the Licensee's dining plan for conditions per *Section 13-Termination of License by University* and Licensee may be subject to fees that could range from the full Fee Period of Licensee to a \$150 Termination Fee and 30 days' dining plan fees at actual rate.

13g. Trespass. Residents whose licenses have been revoked are considered banned and no longer permitted to be a Licensee or visitor to any Student Housing facilities or grounds per California Penal Code section 602(m). Should a person whose license is revoked return to the Student Housing community, that individual is subject to conduct action and potentially arrest for trespassing.

14. VACATING OR MOVING OUT OF THE HOUSING FACILITY.

Unless otherwise instructed by SHRL, Licensee shall vacate the housing facility within 24 hours after Licensee's last academic final if not residing in Student Housing the following semester, on the expiration of the License Fee Period, or upon termination, cancellation or revocation of this License, whichever occurs first. For failure to timely vacate the facilities, Licensee may be charged the Daily Rate for housing and dining plan fees, and may be subject to eviction in the manner provided by the laws of the State of California. The University and/or Greystar may charge any other applicable fees or charges.

15. ABANDONMENT BY LICENSEE.

Unless approved by the University under any other section herein, abandonment of assigned space by Licensee shall not release Licensee from paying any obligation for the full Fee Period due under this License to University.

16. ABANDONED PROPERTY.

Any property of the Licensee remaining in a housing facility after expiration, cancellation or termination of the license, remaining in a former housing assignment, or remaining in a temporary housing assignment after the deadline to vacate shall be deemed abandoned property and University may take possession of and dispose of such property in any manner it deems appropriate in accordance with applicable law, without any liability to the University. Licensee may be liable to the University or Greystar for any costs incurred in the hauling, storage, and disposal of any property presumed abandoned whether such work was done by the University or a third party.

17. OTHER FEES.

17a. Application Fee. A non-refundable application fee of \$50 is required when applying for on-campus housing. This fee is charged to cover the administrative cost of processing an application for a campus housing facility. No applications will be processed without payment of this fee.

17b. Late Fees. Late payment penalties are assessed at the rate of \$35 monthly on accounts. Late payment also includes not paying the full balance currently due. Late fees will continue to be assessed every 30 days on delinquent accounts and are due the day after they have been assessed. Once a student account becomes past due and late fees are assessed, you must also pay past due charges and late fees to bring the account current.

17c. Improper Checkout Fee. Failure to complete the proper check-out procedures may result in Licensee being charged a \$75 improper check-out fee.

17d. Keys. Lost, damaged, or unreturned keys will result in a minimum of a \$50 rekey fee subject to the area in which the Licensee is assigned according to the room damages schedule. Rekey fees can range up to \$250 depending on the community.

17e. Returned Checks. Checks (paper and electronic) returned to the University by the bank upon which they were drawn will be subject to a non-refundable \$25 returned check fee the first time and a non-refundable \$35 returned check fee the second or any subsequent time. Licensees are liable for balance due plus fees under Civil Code Section 1719 for triple the amount of the check (a minimum of \$100 and a maximum of \$500) if funds necessary to cover the check is not received within ten (10) calendar days following a written notice. Licensees may also have their License terminated for nonpayment of insufficient funds debt. If Licensee gives the University two

(2) successive checks that are returned for insufficient funds during the term of this License, then any future amounts due hereunder shall be payable only by cashier's check or money order. This policy will be applicable throughout the balance of either the initial term or any renewal or extension thereof.

17f. Reinstatement Fee. If an action is taken by the University such as applying a No Show Cancellation Fee or reviewing Licensee's request to cancel or vacate the license, whether approved or denied, and Licensee requests and is approved to reinstate their License, there may be a \$100 Reinstatement Fee charged to Licensee for administrative services in addition to any other previously incurred fees.

17g. Liquidated Damages. Liquidated damages are imposed under certain conditions as set forth in this license. The Licensee agrees that the noted liquidated damages are reasonable and are presumed to be the amount of damage sustained by the University because it is impractical or extremely difficult to fix the actual damage.

17h. Approved Pet Deposit and Fees. Licensees residing on East Campus may apply for approval to house a pet. Licensee must submit pet information and vaccination records for verification and approval via the housing application. If approved, the Licensee will be charged a \$250 pet deposit. Should damages occur to a unit from a pet, the Licensee agrees to pay all assessed fees. Significant damages to a unit from a pet may result in revocation of pet approval for Licensee.

17h1. A \$250 fee will be assessed for each incident of any unapproved pet found within a Licensee's room, bedspace or unit, in addition to removal of pet and referral to student conduct.

18. REFUNDS.

The University and Greystar shall authorize refunds only as provided for in Title 5 of the California Code of Regulations, this License and University policy. The University or Greystar shall refund all money collected in excess of Licensee's obligations as soon as reasonably possible. Any refunds or fee changes will be submitted to the Licensee's account at CSUMB, which will be subject to refund, disbursement, and business hold policies authorized per §41802 and Title 5 of the California Code of Regulations and other applicable law. Credits held in a Licensee's student account will be applied to any outstanding charges for University services on the Licensee's student account. The Licensee agrees that the balance of any refunds will be carried as a credit balance on the Licensee's student account, unless the Licensee requests disbursement of the credit balance. This Refund process also applies to a Licensee who is no longer registered as a student at the University. No interest or other earnings will be credited to the Licensee's account.

18a. Refunds shall not be granted for loss of use of room, bed space, unit, or community for reason of facilities failure or issue if Licensee if provided a temporary assignment.

18b. Refunds shall not be granted for loss of use of any amenities within room, bed space, unit, or community.

19. NONPAYMENT OF LICENSE FEES.

19a. Failure of Licensee to satisfy the financial obligations of this License may, at the sole discretion of the University, result in any one or a combination of the following:

19a1. Assessment of a late fee as stated in the fee schedule. In addition to the late fee, failure to pay, as agreed, may result in interest at 10% per annum on any delinquent amounts during the period of the delinquency;

19a2. Withholding of university services pursuant to Section 42381, et. seq., Title 5, California Code of Regulations, which includes, but is not limited to, denial of registration, adding or dropping classes, and/or withholding of services and access to or use of facilities;

19a3. Suspension of meal service without compensation for unused meals;

19a4. Revocation of the License Agreement with financial penalties, as noted in Sections 12 and 13;

19a5. Notification of default to credit bureau organizations;

19a6. Offset of loans, grants or scholarships payable through the university, or tax refunds through the Franchise Tax Board; and,

19a7. Legal action, including employment of a collection agency, to collect all delinquent amounts or enforce rights. Any attorney fees and other reasonable collection costs and charges accrued during the collection of said amounts are the responsibility of the Licensee.

19b. Licensee agrees that housing and dining plan fees are an extension of credit for living expenses and are considered an educational debt.

20. GENERAL.

20a. Communication. Official information to Licensee on housing and dining matters will be communicated through the Licensee's CSUMB email account. Residents are responsible for checking for email communications on a regular basis and are responsible for being aware of the information and following instructions they receive through these messages. Licensee agrees that University also may provide alert and time sensitive information to Licensee by text (SMS) notification. The number Licensee provides is deemed private and will be used by University for official notification for business purposes only. There is no cost to users for the SMS notification service; however, mobile users will pay their wireless provider their normal rates for cell and text message usage. The Licensee agrees to abide by all additional rules and regulations that are adopted. Violations of these rules and regulations may become the basis for disciplinary action. Notification to Licensee may be done by posting the change in central areas of the housing units, sent to Licensee's CSUMB email, or delivery to the Licensee at their assigned unit. No modification of this License shall be effective unless given in writing by an authorized representative of University within thirty (30) days' written notice. Neither the Licensee nor University may rely on any oral License or representation or any understanding of fact or law that is not expressed in writing. The validity of this License and any of its terms or provisions, as well as the rights and duties of the parties hereunder, shall be interpreted and construed pursuant to and in accordance with the laws of the CSUMB HOUSING & DINING PLAN LICENSE AGREEMENT, 2024-2025

The University shall exercise these rights reasonably and with respect for Licensee’s right to be free from unreasonable searches, and intrusions into study or privacy. Animals must be appropriately secured and contained throughout the duration of these visits. The Licensee will be given reasonable notice of intent to enter a living unit, except in cases of:

20c1. Life, health, or safety emergencies or building evacuation;

20c2. Abandonment of the living unit by either the Licensee or Licensee’s roommate(s);

20c3. The Licensee or Licensee’s roommate(s) consents at the time of requesting service for maintenance (e.g., electrical, plumbing, water, repairs, etc.). Notice is only waived for the purpose of the requested service during normal working hours when the Licensee or Licensee’s licensed roommate(s) have requested service.

20c4. Utility maintenance (e.g. - electrical, plumbing, water).

20d. Force Majure. The University is not responsible for the continuation of mail, heating, maintenance, or security service at normal levels in the event of a state, county, city, or campus closure; natural disaster; pandemic; strike or lockout of public employees or suppliers’ employees; power, water, or sewer interruptions from on- or off-campus sources; or, in the event of other causal events beyond the University’s control or reasonable anticipation. The University is not responsible for construction noise or disruptions associated with nearby construction sites or activity.

20e. Non-Waiver. The waiver of any breach of a term or condition of this License shall not constitute a waiver of any subsequent breach.

20f. Hold Harmless. Licensee shall indemnify, defend and hold harmless the State of California, University Corporation at Monterey Bay, California State University Monterey Bay, Trustees of California State University, Greystar Real Estate Partners, and their officers, agents, affiliates, auxiliaries and employees, predecessors and successors (“University Parties”) from any and all claims, injuries or damages caused by Licensee’s negligent, willful or intentional conduct, including attorneys’ fees and costs. 20i. The University retains the right to transfer its interest and obligations under this Agreement. The Licensee may not assign or transfer their rights or obligations under this Agreement without the written permission of the University.

21. DINING PLANS.

21a. Otter and Monterey Bay Dining Plans. Most first-year freshmen licensees will be assigned to Residence Halls (Cypress, Asilomar, Willet, Manzanita, Yarrow, Avocet, Tortuga, and Sanderling). All first-year freshmen living on Main Campus (Residence Halls, North Quad, or Promontory), and any licensee regardless of class status living in the Residence Halls, must have one of the 3 Otter dining plans that offer full meal access each week.

Also offered are an additional three (3) Monterey Bay dining plans that provide fewer weekly meal options. All students living in the North Quad Suites (Pinnacles and Vineyard) must have one of the Otter or Monterey Bay dining plans. All licensees in Strawberry, Promontory, and East Campus may opt for any one of the Otter or Monterey Bay dining plans.

21b. Meal Swipes, Meal Exchanges, and Dining Dollars. The dining plan includes access to the Dining Commons All-You-Care To-Eat facility through Meal Swipes of one (1) per meal; Meal Exchanges that can be used in other retail locations for predefined food options; and Dining Dollars, a declining balance fund with a dollar-for-dollar purchase equivalence that can be used in all dining locations. Meal Swipes, Meal Exchanges, and Dining Dollars for a semester are allocated at the beginning of that semester. Each of the Otter and Monterey Bay dining plans includes five (5) guest meal passes to the Dining Commons per semester for friends or family.

21c. All-You-Care-To-Eat Program. The Dining Commons has an "All-You-Care-To-Eat" program. If the dining plan has Meal Swipes and Dining Dollars, one (1) Meal Swipe allows for the Licensee to enter for a meal at any time that the venue is open. No food, dishes or utensils may be taken from or brought into the building without permission of a Dining Commons staff member. Licensees can also use their Dining Dollars to pay for a meal at Dining Commons.

21d. Rollover; Expiration. For all Otter and Monterey Bay Dining Plans all Unused Meal Swipes and Meal Exchanges expire at the end of each semester. Dining Dollars roll over from Fall to Spring if the Licensee is still holding an Otter or Monterey Bay dining plan for Spring semester, but expire at the end of the Spring semester. Unspent guest passes expire each semester. Unspent Meal Swipes, Meal Exchanges and Dining Dollars remaining at the end of the Spring semester expire and are forfeited. Licensee may spend rollover Fall Dining Dollars during Winter Break for the venues that may be open. Spring Meal Swipes, Meal Exchanges, and Dining Dollars are not available until Spring semester move-in day.

21e. Dining Plan Schedule. Dining Dollars, Meal Swipes, and Meal Exchanges will be available for use at various dining venues beginning with brunch, Wednesday, August 21, 2024, and ending with dinner, Friday, May 16, 2025. During the academic year, dining venue schedules generally coincide with the housing occupancy dates and may have limited offerings and limited hours during holiday breaks including Fall Break/Thanksgiving, Winter Break and Spring Break. All dining venues may be closed when the campus is officially closed, including most of Winter Break. Dining venue hours will vary throughout the year based on academic schedules and other factors.

21f. Dining Plan Management and Billing.

21f1. Dining Plan Payments. Licensee is billed by the semester for the dining plan. Payments must be received and posted by the University to the Licensee's student account at the OASIS Self Service/Student Center online on or before published due dates for services to be provided. Postmarked dates are not considered the paid dates.

- a.** Fall Meal Swipes, Meal Exchanges, and Dining Dollars may be withheld pending payment by a Licensee who, as of Tuesday, August 20, 2024 owes fees for the Fall dining plan and does not have adequate financial aid to pay the Fall dining plan.
- b.** Spring Meal Swipes, Meal Exchanges, and Dining Dollars and any Fall rollover Dining Dollars may be withheld pending payment by a Licensee for Spring semester who, as of Thursday, January 16, 2025, owes fees for the Fall dining plan or the Spring dining plan, and does not have adequate financial aid to pay the balances. Licensee will remain responsible for the full dining plan fees.

21f2. Dining Plan Change costs. Licensee is required to pay for the dining plan for which Licensee is billed within the specified time, even if Licensee later changes the dining plan. Separate charges or credits resulting from such changes will appear on Licensee's student account after each change. Licensee is obligated to pay any additional costs related to any changes in the Licensee's dining plan. Licensee is responsible for the selected dining plan daily rate through the effective change, cancellation, or termination date, whichever is later.

21f3. Daily Rate or Per Day Charges. Changes to dining plans including changing dining plans are prorated based on a per day charge for the dining plan and will result in prorated credits and charges and amounts of Meal Swipes, Meal Exchanges, and/or Dining Dollars based upon the number of days remaining in the semester at the time of change.

21f4. Adding or Upgrading a Dining Plan at Any Time. The Licensee may add an Otter or Monterey Bay dining plan if Licensee has no other dining plan or may increase the dining plan level at any time during the semester. The Otter Dining Plans are ineligible to be upgraded as all Otter Plans are at the same plan level.

21f5. Limited Changes. Otter plans can be changed only once each semester through the end of the add/drop period. For plan changes, you will be charged a \$50 change fee. Dining Dollars will be prorated based on usage.

21f6. Additional Dining Plans, Meal Swipes, and Dining Dollars. If Licensee spends their allotted Meal Swipes and/or Dining Dollars within a semester and desires more, Licensee may purchase Add On Meal Swipes or Add On Dining Dollars to add to Licensee's Otter or Monterey Bay dining plan. A Licensee may only hold one Otter or Monterey Bay dining plan at a time. Added Meal Swipes that are added during the Fall semester to a Otter or Monterey Bay dining plan will rollover from Fall to Spring semester if Licensee has a Spring dining plan, and will expire at the end of Spring semester. Licensees may hold other voluntary dining plans that may be offered during the academic year, with these plans subject to the rules of those plans.

21g. Dining Plan Cancellation Prior to Move-In Day. Prior to the official move-in day only, Licensees who are not required to have an Otter and Monterey Bay dining plan, but who requested during the application process to have an Otter and Monterey Bay dining plan, may request to cancel the Licensee's Otter and Monterey Bay dining plan. No cancellation fee will be charged if the request is in writing and received prior to the official move-in day for that semester; therefore, no

later than the end of the business day August 20, 2024, for the Fall semester and January 16, 2025 for the Spring semester.

21h. Dining Plan Terminations or Changes after Move-In Day.

21h1. For Licensees commencing in the Fall semester, this is a full-year license for Fall and Spring semester dining plans. No dining plan termination or change request for the current semester will be approved or credited for any reason within the last two weeks prior to the end of either semester. All dining requests to change or terminate their meal plans need to be in writing. Submit email to studenthousing@csumb.edu.

21i. OtterCard Access. Licensee's OtterCard, which is used to access the dining plan, must be presented to the cashier for each purchase at any campus Dining Services facility. Use of Licensee's OtterCard by someone else is subject to disciplinary review and the card will be confiscated at that time.

21j. Not Transferable. Licensee's dining plan is not transferable. Assisting unauthorized persons to enter the Dining Commons or to use your OtterCard is in violation of the terms and conditions of the License. 21k. Conduct. Licensees are students who are enrolled for educational pursuits and the expectation is that their conduct will preserve an atmosphere of learning. Any Licensee whose conduct or behavior in or about a food service venue is materially disruptive or in violation of law or

University regulations may be subject to University disciplinary action under the Standards for Conduct.
