Such conditions include but are not limited to damage caused by floods, slides, fire, earthquake or other natural disasters and vandalism; civil disorder; compliance with state or federal law; unanticipated interruption of basic services; and a drop in the rate of cancellations not reasonably foreseen by University, if such a drop results in an overbooking of available housing facilities. The Licensee agrees that the balance of any Refunds will be carried as a credit balance on the Licensee's student account, unless the Licensee requests disbursement of the credit balance. Credits held in a Licensee's student account will be applied to any outstanding charges for University services on the Licensee's student account, with application to the oldest charges first, then to more recent charges. During the academic year, dining venue schedules generally coincide with the housing occupancy dates outlined herein. Dining venue hours will vary throughout the year based on academic schedules and other factors, and dining venues may have limited offerings and limited hours during holiday breaks such as Thanksgiving, Winter Break and spring break. All dining venues may be closed when the campus is officially closed.
- c) Dining Plans. A Dining Plan is required of Licensee based on the Licensee being assigned to certain living units. The Dining Plan includes access to the All-You-Care To-Eat facility (Dining Commons) through Meal Blocks, and each plan includes some flex dollars, a dollar for dollar declining balance account, used for retail food purchases at other dining locations. Meal Blocks and flex dollars for a semester are allocated at the beginning of that semester. Unused Meal Blocks and Flex Dollars at the end of the fall semester roll over to the spring semester for use. Unspent Meal Blocks and flex Dollars remaining at the end of the spring semester are forfeited. For the two (2) freshmen plans that have "unlimited" Dining Commons access for either Monday through Friday, or for

the whole week, no Meal Blocks roll over. Each of the five (5) mandatory Dining Plans includes five (5) guest meal passes per semester to the Dining Commons for friends or family.

If the Dining Plan has Meal Blocks and flex dollars, one (1) Dining Plan block allows for the Licensee to enter for a meal at any time that the venue is open. Food is not allowed out of the Dining Commons unless designated as “To Go” items. Dining Plan Meal Blocks may be available for spending at the other campus retail dining facilities according to the rules of the selected mandatory Dining Plan. The Otter Card Services office is located in Student Services Building (Building 47), at the Campus Services Center, 8 am to 5 pm, Monday through Friday, on the CSUMB campus <https://csumb.edu/csc/ottercard>. The University will assess a card replacement fee.

- (1) **Adding or Increasing a Dining Plan at any time.** The Licensee may add a Dining Plan or increase the Dining Plan level at any time during the semester with a written request to SHRL.
 - (2) **Cancelling an optional Dining Plan after the first 2 weeks of class.** After the first 2 weeks of class, if Licensee is not required to have a Dining Plan and opted to purchase a Dining Plan, the Licensee may request in writing that the plan be cancelled, which will be effective at the end of that semester. No refund will be provided.
 - (3) **Additional change requests.** Any subsequent change other than to add or increase the Dining Plan may only be performed once per semester after the initial two weeks and any subsequent request would be effective at the beginning of the next semester.
- m) **Dining Plan charges and billing.** Licensee is required to pay for the Dining Plan for which Licensee is billed within the specified time, even if Licensee later changes the Dining Plan.
