EAP can find you information and services on many of life's challenges — just ask. You'll be surprised at how many resources you can tap into.

Simply call (833) 954-1067 or visit anthemEAP.com and enter PRISM. Need legal assistance? Have a financial question? Feeling blue? EAP can help you explore your options and connect you with trained professionals.

When you take advantage of EAP resources, there's no cost to you. Plus, any member of your household is eligible to use the service. Contact your EAP to learn more about managing work-life balance, financial planning and budgeting, family issues, stress, legal matters and more.
