Independent Auditors' Report

Board of Directors University Corporation at Monterey Bay Seaside, California

Opinion

We have audited the accompanying statement of net position of University Corporation at Monterey Bay (the Corporation), a component unit of California State University, Monterey Bay, as of June 30, 2023, and the related statement of revenues, expenses, and changes in net position and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of University Corporation at Monterey Bay as of June 30, 2023, and the change in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the Unites States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University Corporation at Monterey Bay's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

Board of Directors University Corporation at Monterey Bay Seaside, California Page 3

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 through 14 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise University Corporation at Monterey Bay's basic financial statements. The accompanying supplementary information for inclusion in the financial statements of the California State University on pages 55 through 62 is presented for purposes of additional analysis as required by the California State University and is not a required part of the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 19, 2023, on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters.

Board of Directors University Corporation at Monterey Bay Seaside, California Page 4

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

The University Corporation at Monterey Bay (Corporation) is an auxiliary organization in good standing of California State University, Monterey Bay (CSUMB or University). The Corporation is an IRC Section 501(c)(3) nonprofit public benefit corporation and its primary objective is to support the University. The Corporation manages the University's post-award function for grants and contracts; commercial enterprise sales and services which include student and employee housing, dining, bookstore and vending operations; and provides accounting services to the University's other auxiliaries, the Foundation of California State University, Monterey Bay (Foundation) and the Otter Student Union (OSU).

As management of the Corporation, we offer readers of these financial statements this narrative overview and analysis of the financial activities of the Corporation for the fiscal years ended June 30, 2023 and 2022. We encourage readers to read the information presented here in conjunction with additional information that we have provided in the Corporation's financial statements, which follow this narrative. The Corporation's financial statements are presented here and are incorporated in the University's financial statements as a component unit.

Introduction to the Financial Statements

This annual report consists of a series of financial statements, prepared in accordance with principles issued by the Governmental Accounting Standards Board ("GASB"). The financial statements include the Statements of Net Position, Statements of Changes in Net Position and Statements of Cash Flow (on pages 16 through 23). All provide information about the Corporation's activities and present a long-term view of its finances.

These statements are prepared using the accrual basis of accounting, which recognizes expenses when incurred and revenue when earned rather than when payment is made or received. They also report on the Corporation's net position as a whole and changes in it resulting from the current year's activity. You can think of the Corporation's net position – the difference between assets (plus deferred outflows of resources) and liabilities (plus deferred inflows of resources) – as one way to measure the Corporation's financial health, or fiscal position. Over time, increases or decreases in the Corporation's net position is one indicator of whether its financial position is improving or declining.

Financial Highlights

- At June 30, 2023, the Corporation's total net position increased by 5.2 percent or \$3.5 million from \$66.8 million to \$70.2 million.
- Housing revenue increased 5.5 percent or \$2.3 million from \$41.2 million to \$43.5 million.
- Grants and contracts revenue increased to \$24 million from \$19.5 million for a 22.8 percent or \$4.5 million increase.
- Other operating income increased to \$2.3 million from \$360 thousand for a 524.9 percent or \$1.9 million increase.
- Salaries & benefits increased 15 percent or \$2.6 million from \$17.4 million to \$20 million.
- Contract services increased by \$4 million or 23.7 percent from \$17.1 million to \$21.1 million.
- Utilities increased 17.5 percent or \$950 thousand from \$5.4 million to \$6.3 million.
- Scholarships increased 25.6 percent or \$736 thousand from \$2.9 million to \$3.6 million.
- Other operating expenses increased from \$5.3 million to \$7.0 million for a \$1.7 million or 31.8 percent increase.
- Realized and unrealized gains on investments increased by 133.7 percent or \$10.1 million from a \$7.5 million loss to a \$2.5 million gain on investments.
- Other nonoperating revenues, net decreased from \$16.5 million to \$900 thousand for a 94.5 percent or \$15.6 million decrease.
- University support, capital decreased to \$598 thousand from \$11.4 million for a \$10.8 million or 94.7 percent decrease.

Condensed Financial Information

The accompanying audited financial statements as of and for the year ended June 30, 2023, is reported in accordance with standards and requirements of the GASB as are the following schedules.

| | - | 2023 | 2022 |
|----------------------------------|----|-------------|---------------|
| Assets | | | |
| Current assets | \$ | 28,157,592 | \$ 27,750,742 |

| Total Net Position | \$ | 70,246,060 | \$ 66,784,939 |

Table 1: Condensed Statements of Net Position as of June 30, 2023, and 2022

In 2022/23, total net position increased by 5.2 percent or \$3.5 million. This increase is primarily due to Other nonoperating revenues of \$4.8 million offset by University support, noncapital and capital, of \$1.3 million.

Net investment in capital assets represents capital assets, net of accumulated depreciation and amortization, and net of outstanding balances of related debt. In 2022/23, Net investment in capital assets decreased from \$27.8 million to \$26.5 million for a \$1.3 million or 4.7 percent change. This change is mostly due to the implementation of GASB Statement 96 Subscription based information technology arrangements, similar to GASB 87 Leases last year, in effect reclassifying operating and capital leases to leases.

The Unrestricted net position category is an important measure of an organization's financial health because it comprises the part of net position that can be used to finance the day-to-day operations of the Corporation without constraints established by donor restrictions, debt covenants or other legal requirements. Unrestricted net position in 2022/23 increased by 16.8 percent or \$5.4 million from \$32.3 million to \$37.7 million mostly due to the change in nonoperating revenues and expenses.

<u>Assets</u>

Current assets, or assets that can normally be converted to cash in less than one year, consist of Cash and cash equivalents, Short-term investments, Receivables, net, Pledges receivable, net, Leases receivable, Prepaid expenses and other assets, and Real estate held for sale.

In 2022/23, Cash and cash equivalents increased by 37.4 percent or \$2.7 million from \$7.1 million to \$9.8 million mostly due to the normal course of collections of accounts receivables for \$4.9 million offset by the decrease in accounts payables of \$4.5 million as well as a net change in long-term investments of \$694 thousand due to the sale of some investments and investment income of \$1.5 million.

In 2022/23, Receivables, net decreased by 26.7 percent or \$4.9 million from \$18.3 million to \$13.4 million. This decrease is mostly attributable to the collection of outstanding housing rents from the university and previously postponed owner distributions from the Greystar property manager.

In 2022/23, Current leases receivable increased \$296 thousand or 1391.9% from \$21 thousand to \$317 thousand as a result of a new lease which falls under the GASB 87 standards. This balance can be attributed to a lessor agreement for space leased to an educational institute at CSUMB North Salinas. More detailed information on Leases receivable can be found in Note 12 to the financial statements.

In 2022/23, Real estate held for sale increased by 123.6% or \$2.0 million from \$1.7 million to \$3.7 million. The balance is attributable to the buyback of six additional homes in 2022/23 available for sale.

Noncurrent assets consist of Accounts Receivable, net, Pledges receivable, net, Leases receivable, net of current, Certificates of deposit, Long-term investments, Capital assets, net, and Other noncurrent assets.

Leases receivable, net of current increased \$639 thousand or 139 percent from \$460 thousand to \$1.1 million. A new lease in 2022/23 resulted in the recording of future payments as receivables from the lessee for space located at CSUMB North Salinas. More detailed information on Leases receivable can be found in Note 12 to the financial statements.

Capital assets, net, decreased \$5.2 million or 3.5 percent from \$150.6 million to \$145.4 million. This change is due to a net increase in new assets of \$6 million offset by depreciation expense of \$11.2 million.

Liabilities

Current liabilities or amounts owed or due within one year, consist of Accounts payable, Payable to University, Payable to Foundation, Payable to Otter Student Union, Payable to CSU, Accrued salaries and benefits payable, Unearned revenue, Lease liability, current, Notes payablecurrent, and Other liabilities.

In 2022/23, Accounts payable decreased \$3.0 million or 41.9 percent from \$7.3 million to \$4.3 million primarily due to stabilizing the Accounts Payable team and making concerted efforts to bring the vendors' balances current.

In 2022/23, Payable to University decreased from \$12.5 million to \$11.0 million for a \$1.5 million difference or 12.2% due to the same reason as mentioned above, but also because the Corporation started making monthly payments at the end of 2022/23 for \$750 thousand to pay back the debt owed for the construction of the Otter Student Union.

Noncurrent liabilities consist of Lease liability, net of current portion, Notes payable, net of current portion and Depository accounts.

In 2022/23, Lease liability, net of current portion decreased \$3.8 million or 7.9 percent from \$47.6 million to \$43.8 million. This decline is due to the reclassification of principal payments to current portion along with current year debt payments and the amortization of bond premiums. More detailed information on Lease liabilities can be found in Note 12 to the financial statements.

Results of Operations

In 2022/23, the Corporation's total net position increased to \$70.2 million from \$66.8 million for a 5.2 percent or \$3.5 million change. This increase is primarily due to Other nonoperating revenues of \$4.8 million offset by University support, noncapital and capital, of \$1.3 million.

| Net Position | | |
| Net position — beginning of year | 66,784,939 | 68,686,153 |
| Net position — end of year | \$ 70,246,060 | \$ 66,784,939 |

Total operating revenues increased in 2022/23 by 13.0 percent or \$9.1 million from \$69.5 million to \$78.5 million. This is attributed to the increases in Housing revenue, Grants and contracts revenue, and Other operating revenues.

Grants and contracts revenue increased to \$24.0 million from \$19.5 million in 2022/23 for a \$4.5 million or 22.8 percent change due mostly to additional funding received in support of the Community Health Engagement program responding to the needs of the homeless in Monterey County, DART Initiative Drone training program, and Emergency Basic Needs support program.

Other operating revenues increased in 2022/23 from \$360 thousand to \$2.2 million for a \$1.9 million or 524.9 percent change as a result of a new lease for the space at CSUMB North Salinas which falls under the GASB 87 Statement.

Total operating expenses in 2022/23 increased to \$78.6 million from \$69.7 million for a 12.9 percent or \$9.0 million change. Increases of Salaries and benefits, Contract services, Cost of real estate sold, and Other operating expenses account for most of this change.

In 2022/23, Salaries and benefits increased 15.0 percent or \$2.6 million from \$17.4 million to \$20.0 million. The increase can be attributed to the hiring of more grant-funded employees, annual and merit pay increases and an increase in the cost of health benefits.

In 2022/23, Contract services increased 23.7 percent or \$4.0 million from \$17.1 million to \$21.1 million. This increase can be attributed mostly to increased personnel hired by the Greystar property manager to take on additional maintenance duties on campus and the addition of the DART Initiative Drone training program.

Utilities increased 17.5 percent or \$950 thousand from \$5.4 million to \$6.3 million in 2022/23 primarily due to an increase utility rates.

Cost of real estate sold decreased in 2022/23 from \$1.6 million to \$220 thousand, a \$1.4 million decrease or 86.5 percent change. The change is a result of selling one home in 2022/23 versus five homes in the prior year.

In 2022/23, Other operating expenses increased 31.8 percent or \$1.7 million from \$5.3 million to \$7.0 million. The property insurance premium continues to increase significantly, approximately \$600 thousand, due to water damage caused by heavy rains and other natural disasters experienced in recent years causing severe losses in the insurance markets. Other expenses such as travel, participant support and equipment saw increases as the sponsored programs activities experienced a significant spike.

The Corporation's contributions in support of the University are shown as non-operating expense and other changes in net position in Table 2 (page 10). Table 3 below shows the noncapital and capital support for the last two fiscal years.

Table 3: University Support

| | 2023 | | 2022 | |
|---------------------------------|------|-----------|---------------|--|
| University support, non-capital | \$ | 650,868 | \$ 475,000 | |
| University support, capital | | 598,067 | 11,369,304 | |
| Total University support | \$ | 1,248,935 | \$ 11,844,304 | |

University support, non-capital, consists of contributions from the Corporation to the University in support of strategic initiatives identified by the University President and Cabinet and IT support services.

University support, capital, is generally a one-time expense that is earmarked for a particular project or can involve the transfer of capital assets gifted to the Corporation for the benefit of the University. In 2022/23, the Corporation reimbursed the University for expenses for the Monterey Bay Football Club stadium project.

Significant Capital Asset and Long-Term Debt Activity

Capital Assets

At June 30, 2023, the Corporation had \$203.7 million in depreciable capital assets. The Corporation's net capital assets totaled \$145.4 million at the end of the fiscal year. Depreciable capital assets consist of buildings, leasehold improvements, equipment, leased assets and intangible assets. The Corporation had \$4.9 million in non-depreciable assets as of June 30, 2023. Non-depreciable capital assets consist of land and land improvements, construction in progress and the radio station's FCC license. More detailed information about the Corporation's Capital assets is in Note 7 to the financial statements.

Debt

At June 30, 2023, the Corporation had a combined total of \$121.4 million in long-term debt obligations. More detailed information can be found in Note 8 to the financial statements.

Currently Known Facts, Decisions and Conditions

The Corporation's management believes the following will impact future reporting periods:

Housing

Housing rates for freshmen students are guaranteed at the first-year residency base rate for each type of housing, then offered for a maximum of four more consecutive years so long as the student remains in housing. The number of years is pro-rated for first time housing residents based on their class level for first year of residency. Corporation management will control the rate increase for each following year, which allows the Corporation to keep the housing rates competitive and sufficient to support the Corporation's long-term debt obligations. The university requires freshmen and sophomores to live on campus unless they meet specific exception criteria.

Grants and Contracts

Due to the unpredictability of the grant funding climate and economy, we believe grant and contract revenues (based on expenditures incurred) will continue to stay about the same or possibly decline slightly.

Donor Contributions

The Corporation has existing pledges that are anticipated to be received within the next five years, however, as is true for all pledges, there is a risk for exposure to the Corporation if the pledges are uncollectible.

Construction Commitments

In 2022/23, the Corporation committed to an \$11.0 million plumbing infrastructure and bathroom renovation construction project for the 8 student residence halls located on the main campus. The project is partially completed and the work will be ongoing for the next year or two.

Currently Known Facts, Decisions and Conditions (Continued)

Market Conditions

Investments account for 22.0 percent of the Corporation's total assets. Of the \$49.1 million, 0.1 percent is Short-term investments and 99.9 percent is Long-term investments. The Corporation continues to manage its investments via its Investment Committee, which works in conjunction with the investment consultant, Verus Investments. It is important to remember that the majority of the Corporation's investments participate in a long-term investment strategy and that there is a smoothing effect of returns over time. Future investment earnings will continue to fluctuate and be affected by interest rate fluctuations and uncertain market conditions.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Reporting Entity – The University Corporation at Monterey Bay (Corporation) is a nonprofit 501(c)(3) public benefit corporation organized in July 1994 to support the academic mission of the California State University Monterey Bay (University). The Corporation is an auxiliary organization of the University and is presented in the University's financial statements as a component unit.

The Corporation is governed by a Board of Directors (Board), which is comprised of the University President (Corporation President), the Provost (Corporation Secretary/Treasurer), the Vice President for Administration and Finance, the Vice President for University Development, the Vice President for Students Affairs, a faculty member, a staff member, a student, and one community member.

The activities administered by the Corporation include the following:

- Housing for students and employees living off-campus and Residential Life programs for students living on campus.
- Support for faculty research, grants, and contracts.
- Fund development, fundraising activities, private giving, fund management, public relations and community outreach programs.
- Business enterprises, including retail and food services, radio station (KAZU 90.3 FM), leasing, and other projects with revenue–producing potential.

Basis of Presentation – The financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB). Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants, gifts, and similar items are recognized as soon as all eligibility requirements have been met.

Other Accounting Policies

Cash and Cash Equivalents – Cash and cash equivalents include all highly liquid investments purchased with original maturities of three months or less. The Corporation considers all balances in demand deposit and money market accounts to be cash equivalents for the purposes of the Statements of Net Position and Statements of Cash Flows.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments – Investments are reported at fair value using quoted market prices at the financial statement date. Realized and unrealized gains and losses are included in the Statements of Revenues, Expenses and Changes in Net Position.

Receivables – Receivables include amounts due from the following: federal, state and local government and private grants; the property manager; the University; Foundation; Otter Student Union; the CSU; Housing, net; employees for payroll and travel advances; radio station underwriters; and amounts due for commissions. The receivables are shown net of the allowance for doubtful accounts of \$1,608,626 at June 30, 2023. The Corporation uses the allowance method to account for uncollectible accounts receivable. The allowance for doubtful accounts is based on prior experience and management's analysis of possible bad debts.

Pledges Receivable – Pledges are unconditional promises to make future payments to the Corporation. Pledges receivable are recognized as gift revenue in the period pledged when all applicable eligibility requirements are met. Multi-year pledges are recorded at the discounted net present value of expected future cash flows shown net of the allowance for doubtful accounts of \$13,869 at June 30, 2023. Conditional pledges, which depend on the occurrence of a specified future or uncertain event, are recognized as gift revenue when the conditions are substantially met.

Leases Receivable – The Corporation is acting as lessor with two telecommunications leases for antenna space and one classroom lease at CSUMB @ North Salinas under GASB Statement No. 87, *Leases*. This Statement enhances the relevance and consistency of information relating to leasing activities. It establishes requirements for lease accounting based on the principle that leases are financings of the right to use an underlying asset. A lesse is required to recognize a lease liability and an intangible right-to-use lease asset and a lessor is required to recognize a lease receivable and a deferred inflow of resources. Leases receivable are on the Statement of Net Position as assets and recognized as deferred inflows of resources.

Real Estate Held for Sale – Includes houses repurchased and awaiting resale. The houses are stated at cost, which is not in excess of net realizable value. Capital improvements made to prepare the units for sale are stated at cost. The underlying land is subject to a long-term lease with the Board of Trustees of the CSU.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets – Capital assets consisting of land and land improvements, buildings, leasehold improvements, construction in progress, equipment, intangible assets including computer software and leased assets (or Right of Use assets), are recorded at cost (or estimated historical cost) at the date of acquisition, or fair value at the date of donation in the case of gifts. Assets with a value of less than \$5,000 are not capitalized. Renovations made to University-owned facilities which are not under leasehold are considered an expense of the Corporation. The costs of normal maintenance and repairs that do not add to the value of the asset, or materially extend its useful life, are expensed to operations. Related depreciation and amortization expense are shown in the Statements of Revenues, Expenses and Changes in Net Position. Depreciation for equipment and computer software is calculated using the straight–line method using the half-year convention over the estimated useful life of the asset. The Corporation has also adopted GASB Statement 96, *Subscription-Based Information Technology Arrangements*, as a result, leases previously classified as software subscriptions are now included in the Statement of Net Position.

Buildings and leasehold improvements under leases are amortized using the straight-line method over the shorter life of the applicable lease or the economic life of the asset.

Estimated useful lives are generally as follows:

| Buildings | 30 years |
|------------------------|-------------|
| Leasehold improvements | 10-30 years |
| Equipment | 3-10 years |
| Computer software | 5 years |

Capital assets acquired through federal and state grants and contracts where the government retains a reversionary interest are not capitalized, or depreciated, until title passes to the Corporation. Non-depreciable intangible assets are comprised of the Federal Communications Commission (FCC) license held by the radio station KAZU 90.3 FM. The FCC license is inexhaustible and is therefore not amortized.

Compensated Absences – Compensated absences accrued are included in accrued salaries and benefits. The Corporation accrues annual leave for employees at rates based upon length of service and job classification.

Unearned Revenue – Unearned revenue primarily includes revenue billed or collected in advance of when it is earned on grants and contracts and collected in advance of when it is earned on student fees for housing and dining services, deposits on camps and events, and underwriting spots paid in advance. Unearned revenue that will not be earned within one year is classified as Noncurrent.

Lease liability – In accordance with GASB Statement 87, *Leases*, lease liabilities are lease agreements where the Corporation is acting as a lessee. These are included in the Statement of Net Position and include Systemwide Revenue Bonds.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Position – The Corporation's net position is required to be classified for accounting and reporting purposes into the following net position categories:

Net investment in capital assets includes capital assets, net of accumulated depreciation and amortization, less the outstanding principal balances of debt attributable to the acquisition, construction, or improvement of those assets.

Restricted, nonexpendable consists of net position subject to externally imposed restrictions that they must be retained in perpetuity. The Corporation does not have any assets in this category.

Restricted, expendable consists of net position subject to externally imposed restrictions that can be fulfilled by the actions of the Corporation pursuant to those restrictions or that expire by the passage of time.

Unrestricted consists of all other categories of net position. Unrestricted net position may be designated for use by management of the Corporation or have bond indenture requirements associated with its use. These requirements limit the area of operations for which expenditures of net position may be made and require that unrestricted net position be designated to support future operations in these areas.

The Corporation has adopted a policy of utilizing restricted, expendable funds, when available, prior to unrestricted funds.

Classification of Current and Noncurrent Assets and Liabilities – The Corporation considers assets to be current that can reasonably be expected, as part of its normal business operations, to be converted to cash and be available for liquidation of current liabilities within twelve months of the date of the Statements of Net Position. Liabilities that can reasonably be expected, as part of normal business operations, to be liquidated within twelve months of the date of the Statements of Net Position are considered to be current. All other assets and liabilities are considered to be noncurrent.

Classification of Revenues and Expenses – The Corporation considers operating revenues and expenses in the Statements of Revenues, Expenses and Changes in Net Position to be those revenues and expenses that result from exchange transactions or from other activities that are connected directly to the Corporation's primary functions. Exchange transactions include charges for services rendered and the acquisition of goods and services. Revenues from home sales are recognized as homes are sold, title passes, and escrow closes. Rental housing revenues are recognized as amounts are earned and coincide with the rental agreement. In accordance with GASB Statement No. 35, certain significant revenues relied upon and budgeted for fundamental operational support of the

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

core mission of the Corporation are mandated to be recorded as nonoperating revenues. Nonoperating revenues and expenses include the Corporation's net investment income and interest expense on capital related debt. Capital grants and gifts and extraordinary and nonrecurring events are classified as other changes in net position.

Grant and Contract Revenue – Grant and contract revenue is received by the Corporation from governmental and private sources. Revenues associated with the direct costs of sponsored programs are recognized as the related expenditures are incurred. Recovery of facilities and administrative cost of federal and state sponsored programs is at cost reimbursement rates negotiated with the specific agency.

Facilities and administrative cost recovery for the year ended June 30, 2023 is presented below:

| | 2023 | | |
|------------------------------|------|-----------|--|
| Federally sponsored programs | \$ | 1,679,163 | |
| All other sponsors | | 665,886 | |
| Total | \$ | 2,345,049 | |
| | | | |

Contributions to California State University, Monterey Bay – The Corporation periodically makes contributions to the University at the discretion of the Board of the Corporation.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Change in Accounting Principle - In 2022/23, the Corporation implemented GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. This Statement will improve financial reporting by establishing a definition for SBITAs and providing uniform guidance for accounting and financial reporting for transactions that meet that definition resulting in greater consistency in practice. Establishing the capitalization criteria for implementation costs will reduce diversity and improve comparability in financial reporting by governments. It requires a lessee to report a right-to-use subscription asset and a corresponding subscription liability. Previously, the two subscriptions for operating software were accounted for as revenues, but with the adoption of this standard, they are now found on the Statement of Net Position as assets and leased liabilities. See Note 7 and Note 8.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements – As defined in GASB Statement No. 72, *Fair Value Measurement and Application,* fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Corporation uses valuation techniques that are appropriate under the circumstances and for which sufficient data are available to measure fair value. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

GASB Statement No. 72 establishes a hierarchy of inputs to valuation techniques used to measure fair value. That hierarchy has three levels:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – Observable inputs, other than Level 1 prices, for the asset or liability, either directly or indirectly;

Level 3 – Unobservable inputs for the asset or liability.

For fiscal year ended June 30, 2023, the application of valuation techniques applied to the Corporation's financial statements has been consistent.

Income Taxes – The Corporation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Corporation's tax-exempt purpose is subject to taxation as unrelated business income. No liability for income taxes has been recorded as the net income, if any, from any unrelated trade or business, in the opinion of management, is not material to the financial statements taken as a whole. In addition, the Corporation qualifies for the charitable deduction under Section 170(b)(1)(A)(iv) and has been classified as an organization that is not a private foundation under Section 509(a)(1).

The Corporation follows accounting standards generally accepted in the United States of America, which requires, among other things, the recognition and measurement of tax positions based on a "more likely than not" (likelihood greater than 50%) approach. As of June 30, 2023, management has considered its tax positions and believes that the Organization did not maintain any tax positions that did not meet the "more likely than not" threshold. The Organization does not expect any material changes through June 30, 2024. However, tax returns remain subject to examination by the Internal Revenue Service for fiscal years ending on or after June 30, 2020, and by the California Franchise Tax Board for fiscal years ending on or after June 30, 2019.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Pronouncements – In May 2019, GASB issued Statement No 91, *Conduit Debt Obligations*. Statement No. 91 provides a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. The provisions of Statement No. 91 are effective for fiscal years beginning after December 15, 2021 with earlier application encouraged. Implementation of this Statement did not have a material impact on the Organization's financial statements.

In January 2020, GASB issued Statement No. 92, *Omnibus 2020*. Statement No. 92 enhances comparability in accounting and financial reporting and improves the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. The provisions of Statement No. 92 are effective for fiscal years beginning after June 15, 2022 with earlier application encouraged. Implementation of this Statement did not have a material impact on the Organization's financial statements.

In March 2020, GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. Statement No. 94 improves financial reporting by addressing issues related to public-private and public-public partnership arrangements. The requirements of this Statement are effective for fiscal years beginning after June 15, 2022 with earlier application encouraged. Implementation of this Statement did not have a material impact on the Organization's financial statements.

In May 2020, GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*. Statement No. 96 provides guidance on the accounting and financial reporting for subscription-based information technology arrangements for government end users. The provisions of Statement 96 are effective for fiscal years beginning after June 15, 2022 with earlier application encouraged. Implementation of this Statement did have a material impact on the Organization's financial statements. See Note 7 and Note 8.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In October 2021, GASB issued Statement No. 98, *The Annual Comprehensive Financial Report.* Statement No. 98 establishes the term *annual comprehensive financial report* and its acronym *ACFR*. That new term and acronym replace instances of *comprehensive annual financial report* and its acronym in generally accepted accounting principles for state and local governments. The requirements of this Statement are effective for fiscal years ending after December 15, 2021. Implementation of this Statement did not have a material impact on the Organization's financial statements.

In April 2022, GASB issued Statement No. 99 *Omnibus 2022*. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees.

- The requirements related to extension of the use of LIBOR, accounting for SNAP distributions, disclosures of nonmonetary transactions, pledges of future revenues by pledging governments, clarification of certain provisions in Statement 34, as amended, and terminology updates related to Statement 53 and Statement 63 are effective upon issuance.
- The requirements related to leases, PPPs, and SBITAs are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter.
- The requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement 53 are effective for fiscal years beginning after June 15, 2023, and all reporting periods thereafter.

GASB 99 was partially implemented this year. Implementation of this Statement did not have a material impact on the Organization's financial statements.

In June 2022, GASB issued Statement No 100 Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. The provisions of Statement 100 are effective for fiscal years beginning after June 15, 2023 and all reporting periods thereafter. Earlier application is encouraged. Management has not yet determined the impact of this Statement on its financial statements.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In June 2022, GASB issued Statement No 101 *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The requirements of this Statement are effective for fiscal years beginning after December 15, 2023, and all reporting periods thereafter. Earlier application is encouraged. Management has not yet determined the impact of this Statement on its financial statements.

Subsequent Events – Events subsequent to June 30, 2023 have been evaluated through October 19, 2023, which is the date the financial statements were available to be issued. Management did not identify any subsequent events requiring disclosure.

NOTE 2. <u>DEPOSITS</u>

The Corporation maintains cash for operating needs in checking, deposit and money market accounts, with Federal Deposit Insurance Corporation (FDIC) insured financial institutions. At June 30, 2023, the Corporation's checking, deposit and money market accounts were insured by the FDIC up to \$250,000 per financial institutional. For the year ended June 30, 2023, the Corporation had uninsured cash deposits of \$4,337,624.

NOTE 3. <u>INVESTMENTS</u>

Investments comprised the following at June 30:

| | 2023 |
|---------------|--------------|
| | Noncurrent |
| Mutual Funds: | |
| Equity Funds | \$25,297,907 |
| Bond Funds | 23,446,560 |
| Total * | \$48,744,467 |

* Total at June 30, 2023 excludes Money Market fund balance of \$2,095.

Investment Fair Values

The Corporation categorizes its fair values measurements within the fair value hierarchy established by generally accepted accounting principles. At June 30, 2023, the Corporation's investments were valued using quoted market prices in active markets and are classified within Level 1 of the fair value hierarchy.

NOTE 3. INVESTMENTS (Continued)

Investment Policies

The Corporation's Board of Directors oversees the management of its investments and establishes investment policy. The Board has delegated to its Investment Committee the implementation of the investment policy. The Investment Committee establishes investment guidelines and selects investment managers. The Corporation prohibits investments that jeopardize the safety of principal concept or non-profit status of the Corporation. The Corporation has developed and implemented a socially responsible investing policy.

The equity portion of the investments may include both domestic and international equities, including foreign currency denominated, common and preferred stocks and actively managed and passive (index) strategies. Overall, the investments are measured against the Standard & Poor's 500, MSCI Europe, Australasia, and Far East (EAFE) and MSCI All Country World Index (ACWI) ex US.

The fixed income portion of the investments may include both domestic and international securities, along with common bond substitutes. Investment guidelines establish set ranges for the percentage of the total bond portfolio that can be invested in U.S. government, investment grade, non-investment grade and foreign bonds. The fixed income portfolio is measured against the Barclays Capital Aggregate Bond, Barclays Capital US TIPS and Barclays 1-5 year credit indices.

The All Asset Fund portion includes funds which seek to achieve a real rate of return in excess of U.S. inflation. These funds can be made up of a mixture of stocks, bonds and other assets such as commodities. The portfolio is measured against the HFRI Fund of Funds index.

Investment Risk Factors

There are many factors that can affect the value of investments. Some, such as custodial credit risk, concentration of credit risk, and foreign currency risk may affect both the equity and fixed income securities. Equity securities respond to such investment behavioral factors as economic conditions, individual company earnings, performance and market liquidity, while fixed income securities are sensitive to credit risks and changes in interest rates.

Equity securities held by the Corporation through mutual funds comprised \$25,297,907 or 51.9 percent of the total investments of the Corporation at June 30, 2023. Equities are subject to both unsystematic and systematic risk. Unsystematic risk is the risk of a price change due to the unique circumstances of a specific security or group of related securities.

NOTE 3. INVESTMENTS (Continued)

The Corporation addresses unsystematic risk by investing in widely diversified equity mutual funds. Equity securities are also subject to systematic risk or market risk. Systematic risk recognizes that equity securities, as an asset class, can change in value as a result of such factors as inflation, exchange rates, political instability, war, economic conditions, and interest rates. This type of risk is not specific to a particular company or industry and cannot be substantially mitigated by diversification.

Credit Risk

Fixed income securities are subject to credit risk, which is the chance that a bond issue will fail to pay interest or principal in a timely manner, or that negative perceptions of the issuer's ability to make these payments will cause security prices to decline. The following schedule of credit risk profile of Corporation investments summarizes the fair value of the fixed income securities subject to credit risk. The Corporation maintains policies to manage credit risk which include requiring minimum credit ratings issued by nationally recognized statistical rating organizations, including Standard and Poor's or Moody's Investor Services, for certain investments. For investments in securities rated below investment grade, the Corporation and their investment advisor monitor the investments and fund manager to determine if the portfolio is managed according to the stated guidelines. Although money market fund shares are unrated, they are primarily invested in Tier 1 securities. A security's tier can be established either by an independent rating organization or by a determination of the investment advisor.

The credit ratings of the Corporation's fixed income securities held in investments and money market funds at June 30, 2023, were as follows:

| | Fair Value | Rating |
|---|---------------|-----------|
| Bond Mutual Funds: | | |
| Vanguard Inflation-Protected Securities Adm | \$ 7,022,455 | AAA |

NOTE 3. INVESTMENTS (Continued)

Custodial Credit Risk

Custodial risk is the risk that in the event of the failure of the custodian, the investments may not be returned. Substantially all of the Corporation's investments are issued, registered or held in the name of the Corporation by custodian banks and brokers, as its agent. Other types of investments represent ownership interest that do not exist in physical or book entry form.

Concentration of Credit Risk

Concentration of credit risk is the risk associated with a lack of diversification, such as having substantial investments in a few individual issuers; thereby exposing the organization to greater risks resulting from adverse conditions or developments. GASB requires disclosure of investments in any one individual issuer that represent 5% or more of total investments. The Corporation had no investments that exceeded this threshold at June 30, 2023.

Interest Rate Risk

Interest rate risk is the risk that fixed income securities will decline because of rising interest rates. The Corporation measures interest rate risk using the weighted average maturity method. The weighted average maturities of the Corporation's fixed income securities and money market funds at June 30, 2023, were as follows:

| | Fair Value | Weighted Average |
|---|---------------|---------------------|
| Bond Mutual Funds: | | |
| Vanguard Inflation-Protected Securities Adm | \$ 7,022,455 | 7.2 |
| Vanguard Short-Term Bond Adm | 4,630,001 | 2.8 |

NOTE 3. INVESTMENTS (Continued)

Foreign Currency Risk

Exposure from foreign currency risk results from investments in foreign currency denominated equity or fixed income investments. The Corporation maintains international equity investments by investing in international mutual funds that are broadly diversified over many developed and emerging markets. Exposure from foreign currency risk from these investments is permitted and it may be fully or partially hedged by the individual fund managers but hedging is not permitted for speculation or to create leverage.

The Corporation's exposure to foreign currency risk at June 30, 2023 was as follows:

| Currency | Fair Value |
|--|--------------|
| Euro | \$ 2,639,123 |
| Japanese Yen | 1,733,502 |

NOTE 7. <u>CAPITAL ASSETS</u> (Continued)

The Corporation implemented GASB No 96: *Subscription-Based Information Technology Arrangements*, in Fiscal Year 2023. The Corporation has two software arrangements that require recognition under GASB No 96. The software amortization expense is included on the Statement of Revenues, Expenses and Changes in Net Position related to the Corporation's intangible asset of two software systems, which is included in the above table as Leased Software Arrangements. The Corporation now recognizes a subscription-based information technology arrangement (SBITA) liability and an intangible right-to use asset for the Point of Sale (POS) software used in commercial services and Auxiliary Operations Management Software used in Accounting.

The POS software arrangement is a 38-month agreement, initiated in fiscal year 2022/23 with an annual payment of \$42,945. The Corporation has used a 3.61% Incremental Borrowing Rate for this arrangement. No options exist to extend this arrangement.

The Auxiliary Operations Management software arrangement is a 28-month agreement, initiated in fiscal year 2022/23 with an annual payment of \$39,460. The Corporation has used a 3.58% Incremental Borrowing Rate for this arrangement. No options exist to extend this arrangement.

Lease Obligations:

In October 2002, the Corporation entered into a ground and facilities lease agreement with the State of California, acting through the Board of Trustees of the CSU, for the purpose of providing housing services and related ancillary services to the University through the renovation of the residence hall known as Student Housing Building 211. The term of the lease commenced on October 15, 2002 with the first lease payment on May 1, 2004. The term ends on November 1, 2033.

NOTE 8. LONG-TERM LIABILITIES (Continued)

Subsequently, in September 2011, the lease was amended for the purpose of modifying the Base Rental Payment Schedule, in connection with the refunding of certain Systemwide Revenue Bonds (SRB). No other terms of this lease were modified. In September 2012, a second amendment was issued to modify the Base Rental Payment Schedule associated with the August 2012 refunding of certain SRBs. There were no other changes to the terms of the lease.

In January 2003, the Corporation entered into a second ground and facilities lease agreement with the State of California, acting through the Board of Trustees of the CSU, for the purpose of providing housing services and related ancillary services to the University through the construction of the residence halls known as North Quad. The term of the lease commenced on January 7, 2003 with the first lease payment on May 1, 2005. The term ends on November 1, 2034.

Subsequently, in September 2011, the lease was amended for the purpose of modifying the Base Rental Payment Schedule, in connection with the refunding of certain SRBs. No other terms of this lease were modified. In September 2012, a second amendment was issued to modify the Base Rental Payment Schedule associated with the August 2012 refunding of certain SRBs. There were no other changes to the terms of the lease.

In October 2005, the Corporation entered into a third ground and facilities lease agreement with the State of California, acting through the Board of Trustees of the CSU for the purpose of providing repayment for the bond proceeds used for the advance refunding of the Corporation's previously outstanding Series 1998, 1999, and 2001 bonds. The term of the lease commenced on October 13, 2005 with the first lease payment on May 1, 2006. The term ends on November 1, 2030.

Subsequently, in August 2015, the lease was amended for the purpose of modifying the Base Rental Payment Schedule, in connection with the refunding of certain SRBs. No other terms of this lease were modified.

2016 Current Refunding of Lease Obligations

On August 5, 2015, the Trustees of the California State University issued \$1,034,370,000 Systemwide Revenue Bonds (SRB) Series 2015A, a portion of which was used to refund certain outstanding SRB Series 2005C, which was previously issued to defease and refund the Corporation's auxiliary organization bonds series 1998, 1999, and 2001 ("Prior Bonds"). Proceeds from SRB Series 2015A allocable to the Corporation's bond refunding

totaling \$18,320,000, along with \$2,598,289 bond premium, were applied towards fully funding an escrow account in the total amount sufficient for the redemption of \$20,345,000 total outstanding principal plus \$509,450 interest accrued on the Prior Bonds on November 1, 2015 (the "Redemption Date") and \$63,839 in bond underwriter's discount and cost of issuance. The partial refunding resulted in a net present value savings of \$3,281,066. The difference between the cash flows required to service the old debt and the cash flows required to service the new debt and complete the refunding is \$4,124,879. The bond maturities refunded increased the unamortized premium and loss on refunding balances by \$2,598,289 and \$443,681 respectively.

2020 Refunding of Lease Obligations

On September 17, 2020, the Trustees of the California State University issued \$528,575,000 Systemwide Revenue Bonds (SRB) Series 2020D (Taxable), a portion of which was used to refund certain SRB Series 2011A and all of 2012A. Proceeds from SRB Series 2020D allocable to the Corporation's bond refunding totaling \$30,625,000, were applied towards fully funding an escrow account in the total amount sufficient for the redemption of \$27,700,000 total outstanding principal plus \$2,920,000 interest accrued on the Prior Bonds on November 1, 2020 (the "Redemption Date") and \$78,832 in bond underwriter's discount and cost of issuance. The refunding resulted in a net present value savings of \$3,684,836. The difference between the cash flows required to service the old debt and the cash flows required to service the new debt and complete the refunding is \$4,016,201. The bond maturities refunded increased the unamortized loss on refunding balance by \$1,014,864.

Notes Payable

On August 31, 2016, the Trustees of CSU issued \$68,915,000 of Series A Tax-Exempt Commercial Paper notes to provide short-term financing for the Promontory Student Housing Acquisition project. Promontory was a privately-owned student housing complex on 8.27-acres of land adjacent to the California State University, Monterey Bay campus comprised of three four-story buildings totaling approximately 274,000 gross square feet, with a total of 174 apartment units, each having from one to four bedrooms. The commercial paper notes were used as interim financing until bond financing was available. In March 2017, the Trustees of CSU issued SRB Series 2017A and the proceeds were used to pay off the outstanding commercial paper notes. The CSU SRB Series 2017A bears interest at rates graduating from 3.00 percent to 5.00 percent and are due in semiannual principal and interest payments beginning in November 2017 through May 2047. The bonds were purchased at a premium of \$9,489,122 with an underwriter's discount of \$164,426, and a cost of issuance expense of \$69,693. The premium is being amortized over the life of the loan using the straight-line method and cost of issuance and underwriter's discount were expensed to interest expense. For year ended June 30, 2023, the amount of bond premium amortized is \$389,977.

On February 3, 2021 the California State University through the CSU Institute issued \$11,766,000 in tax-exempt commercial paper as interim financing to fund the construction costs for the Corporation's Capital Improvement Project (CIP) which includes capital improvements and repairs to several facilities, including student housing, faculty and staff housing, and dining, for purposes of upgrading to building code and life safety requirements.

In July 2021, the Trustees of the CSU completed the sale of SRB Series 2021A, of which \$14,325,000 of the proceeds were used to pay off the outstanding tax-exempt commercial paper/bond anticipation notes used as interim financing. After the initial capitalized interest period to May 1, 2023, the bonds are due in semiannual principal and interest payments beginning in November 2024 with final maturity in November 2052. The SRB Series 2021A bonds were purchased at a premium of \$2,390,420 with an underwriter's discount of \$39,347, a cost of issuance expenses of \$12,180, and capitalized interest of \$1,072,986. The premium is being amortized over the life of the loan using the straight-line method; cost of issuance and underwriter's discount were expensed to interest expense.

NOTE 8. LONG-TERM LIABILITIES (Continued)

At June 30, 2023, the future minimum payments were as follows:

SBITA Liability

\$222,993 has been recorded as leased software arrangements in capital assets. Due to the implementation of GASB Statement No. 96, these arrangements for POS software and Auxiliary Operations Management software met the criteria of a SBITA; thus, requiring it to be recorded by the Corporation as intangible assets and a SBITA liability. These assets will be amortized over the lease terms. There are no residual value guarantees in the arrangement provisions. The POS software arrangement will end in 2024 and the Auxiliary Operations Management software will end in 2025.

NOTE 10. <u>PENSION PLAN</u>

The Corporation participates in a defined contribution multi–employer pension plan for employees and contributed 10% of an eligible employee's salary to the Plan for the year ended June 30, 2023. Eligible employees are defined as all regular full-time and regular part-time employees who have reached 21 years of age and completed six months of service. There is immediate vesting upon eligibility. Contributions were invested in the Teachers Insurance and Annuity Association and College Retirement Equities Fund (TIAA–CREF), at the option of the covered employee. Corporation contributions for the year ended June 30, 2023 were \$958,018. Employee contributions for the year ended June 30, 2023 were \$576,522.

In 2014/15, the Corporation added a 457 Vacation Conversion Plan. The Plan is administered by Public Agency Retirement Services (PARS). Eligible employees can defer a portion of their unused vacation into the Plan and contributions are then invested in investment options through John Hancock Retirement Services. Eligible employees are defined as all regular full-time and regular part-time employees having completed four years of service who have in excess of 160 vacation hours and have taken 40 vacation hours over the previous twelve months. Employee contributions for the year ended June 30, 2023 were \$42,931.

NOTE 11. COMMITMENTS AND CONTINGENCIES

Sponsored Programs Contingency

The Corporation manages all sponsored programs for the University including federal, state, and local government programs as well as private and other assisted programs. These programs are subject to program compliance audits by the grantors or their representatives. The amount, if any, of expenditures which may be disallowed by the program agencies cannot be determined, although the Corporation does not expect such amounts, if any, to be material.

NOTE 12. LEASES

As Lessee

CSU Facilities

The Corporation entered into a lease with the Board of Trustees of the CSU on September 13, 1995 with a term end date of June 1, 2024. It describes the primary functions of the auxiliary, along with a list of buildings and space the Corporation will be utilizing for housing and other auxiliary services or campus support operations.

The Trustees of the CSU lease these facilities in consideration for the Corporation's agreement to sustain any financial losses associated with managing and operating these facilities without seeking reparation or compensation from the University campus. No amounts are paid to the Board of Trustees of the CSU under this lease.

OSU Facilities

The Corporation entered into a lease with the Otter Student Union on July 1, 2022 with a term end date of June 30, 2023. It describes the exclusive use and common areas to be utilized for commercial operations. On June 27, 2023, the lease agreement was modified to include two (2) automatic two-year lease extensions. Lease and utilities payments for the year ended June 30, 2023, were \$137,121 and \$65,283 respectively.

NOTE 12. LEASES (Continued)

Laundry Equipment

The Corporation entered into a lease agreement on March 22, 2010 with WASH Multifamily Laundry Systems, to install and maintain washers and dryers for the residents in the on-campus dormitories. This agreement had an initial term of seven years ending on July 31, 2017 and was extended for an additional five years beginning August 1, 2017 through July 31, 2022. The Corporation entered into a new lease agreement on June 6, 2022 with WASH Multifamily Laundry systems. This agreement had an initial term of seven years commencing on August 1, 2022 and ending on July 31, 2029. Rental payments to WASH Multifamily Laundry Systems were \$59,355 for the year ended June 30, 2023.

KAZU Tower Facilities

In December 2019, KAZU entered into a new tower facilities lease with HH Tower. The initial term of the lease covers the period from January 1, 2020 to December 31, 2024 and can be extended twice through December 31, 2034. Rental payments are subject to annual consumer price index adjustments not to exceed 4.0 percent from the previous minimum monthly rent. For the year ended June 30, 2023, payments for tower rent and utilities remitted to HH Tower were \$52,818 and \$11,905, respectively.

KAZU Radio Transmitter

In June 2017, KAZU entered into an agreement with Lloyd Jones with the intent to lease antenna space for a radio transmitter. The initial term of the lease covers the period from July 1, 2017 to July 1, 2021, with an option to renew for two additional three-year terms. In August 2021, KAZU exercised its second three-year term for the period July 1, 2021 to July 1, 2023. Payments of \$1,500 were paid semi-annually for a total of \$3,000 and included the cost of electricity to operate the equipment.

CSUMB @ North Salinas

On January 21, 2016, the Corporation entered into an agreement with 100 East Alvin Drive, LLC for the lease of classroom buildings, administrative offices and the associated common area. The lease agreement was subsequently amended on three occasions, the last being on February 10, 2020. The last amendment extended the lease term to July 31, 2032. Lease and common area maintenance payments for the year ended June 30, 2023 were \$743,744.

NOTE 12. LEASES (Continued)

As Lessor

The Corporation leases building exterior space at Ryan Ranch to two telecommunication companies. The lease agreement with Nextel Sprint was inherited with the purchase of the Ryan Ranch property and the Corporation was notified in May 2022 that the agreement was to be terminated effective August 31, 2022. Lease income through June 30, 2023 was \$2,281. The second agreement with Verizon has an initial lease term of five years expiring March 2023 and was extended an additional five years beginning April 1, 2023 through March 31, 2028 with the option to renew for an additional two 5-year terms. Rental income for the year ended June 30, 2023 was \$22,495.

The Corporation leases classroom space at CSUMB @ North Salinas to Legacy Education with an initial lease term of six months commencing January 1, 2023, and expiring June 30, 2023. Effective July 1, 2023 a new lease was entered into for a period of three years ending June 30, 2026. No renewal options were included in the lease agreement. Rental income for the year ended June 30, 2023 was \$156,685.

Homeowner Land Subleases

The Corporation sells housing units and subleases the underlying land to the homeowners under long-term operating leases. The term of these subleases extends to the year 2097. Base rents and rate increases using a percentage of the land value are built in as follows: after three years, a 5% increase and after four years, a 7% increase. The sublease agreements require deferred rent payments to be made if the sublease is assigned or terminated before expiration. In addition, the homeowners are required to pay fixed monthly amounts to assist in the common area maintenance. Due to the varying amounts for the 67 sublease agreements, future minimum sublease rents are estimated based on budgeted rents for the year ended June 30, 2023 as follows:

NOTE 12. LEASES (Continued)

| For the Year Ending June 30, | |
|------------------------------|---------------|
| 2024 | \$ 154,584 |
| 2025 | 156,748 |

| Thereafter through 2097 | 10,775,556 |
| | \$ 11,570,421 |

Included in Housing revenue is \$101,317 related to these land rents for the year ended June 30, 2023.

Month-to-Month Rentals

In addition to the above homeowner rents received, the Corporation also rents, on a month to month basis, 736 housing units in Schoonover Park and 892 bed spaces in Frederick Park. The annual rental income collected for Schoonover Park and Frederick Park for the year ended June 30, 2023 was \$11,626,778 and \$7,210,139, respectively.

Child Development Center Sublease

The Child Development Center (CDC) was managed by Early Development Services (EDS) for the year ended June 30, 2023. EDS provides a fully licensed, comprehensive, and quality childcare program at the CDC in return for use of the facility and play yard area with no rental fee. The Corporation also pays the costs associated with disposal collection, water, utilities, custodial services, and grounds and building maintenance and repair. The agreement with EDS was extended through June 30, 2024.

National Steinbeck Center

In September 2015, the National Steinbeck Center (NSC) entered into a lease agreement with the Corporation for the use of office space to include a common area and multipurpose room for its ongoing operations. The base rent to be paid by NSC is one dollar annually. As additional rent, the lessee is responsible for paying a proportionate share (46.90 percent) of operating costs throughout the year. The lease is set to expire on December 31, 2047, however, the NSC has the option to extend the term for one additional forty-nine-year period. The amounts received as additional rent were \$162,693 for the year ended June 30, 2023.

NOTE 13. RISK MANAGEMENT

The Corporation manages its risk through the purchase of insurance through California State University Risk Management Authority (CSURMA)/Auxiliaries Organization Risk Management Alliance (AORMA), a joint powers public entity risk pool, for coverage of workers' compensation, general liability, professional liability, property, and general organizational risk exposures. The Auxiliary Organization Risk Management Alliance (AORMA) Self Insured Retention (SIR) liability fund provides coverage for the first \$5,000,000 of each General Liability, Automobile Liability, Products and Completed Operations, Professional Liability including Directors & Officers Liability and Employment Practices Liability claim. Reinsurance insurance for AORMA's \$5,000,000 layer is purchased from Great American Insurance (AM Best Rating: A, XV Rating; A+XV) in the amount of \$4,500,000 each occurrence. AORMA also purchases \$5,000,000 excess of \$5,000,000 from Continental Indemnity (AM Best Rating: A, XV Rating), Upland (AM Best Rating: A-, VIII), and Sirius Bermuda (AM Best Rating: A+, XV) and \$5,000,000 excess of \$10,000,000 from Everest Re (AM Best Rating: A+, XV Rating).

AORMA's "All Risk" property insurance program coverage is through the Alliant Property Insurance Program (APIP). This program, including Flood, Boiler and Machinery, Cyber Liability, & Pollution Liability coverage, provides replacement cost coverage for all buildings and contents, subject to a limit of liability per occurrence of \$1 billion. Members' deductibles are \$5,000 for business personal property and business interruption / loss of rents.

The member deductible for real property is based on the Total Insurance Value (TIV) of the building as shown below:

| TIV \$10,000,000 or less | \$5,000 |
|---|----------|
| TIV between \$10,000,001 and \$25,000,000 | \$10,000 |
| TIV between \$25,000,001 and \$50,000,000 | \$25,000 |
| TIV \$50,000,001 or more | \$50,000 |

NOTE 13. <u>RISK MANAGEMENT (Continued)</u>

The AORMA Workers' Compensation self-insurance fund provides coverage as required by California law. The AORMA Workers' Compensation program is self-insured for the first \$750,000 of each occurrence. Excess insurance is purchased from Safety National Casualty Corporation to provide statutory limits excess of the \$750,000 self-insured limit for Workers' Compensation, and to \$5,000,000 per occurrence for Employers' Liability.

For information regarding losses or claims paid, or for a description and amount of any claim pending, or any settlement made, or any litigation entered during the policy year, please contact the following:

Carl Warren & Company (Liability Program) Attn: Shari Huff PO Box 2411 Tustin, CA 92781 Tel: 818-265-6765

The University Corporation Insurance coverages meet the requirement of the CSURMA and, as such, present no significant inadequacies in coverage. The California State University Board of Trustees has been named as an additional insured as respects the activities of the Auxiliary Organization. CSURMA/AORMA provides self-insured risk with purchase of excess insurance. The Corporation maintains general liability insurance coverage for individual claims up to \$20,000,000 per occurrence. Errors and omission claims under \$25,000 are self-insured. The Corporation also maintains excess property insurance coverage to limits of \$1,000,000,000. The Corporation maintains workers' compensation insurance for individual claims up to the State's statutory limits. There have been no settlements in the past three years that have exceeded insurance limits. There are no self-insurance claims liabilities recorded in the accompanying financial statements because any amounts at June 30, 2023 are expected to be minimal. Likewise, no amounts have been paid to CSURMA/AORMA by June 30, 2023, related to the Corporation's estimated future funding for claims liability.

NOTE 14. PROPERTY MANAGEMENT

Effective June 1, 2022, the Corporation renewed an existing agreement with a third- party property manager to provide property management functions of student and employee housing and common areas. The property management functions include the operation, direction, management, and supervision of the Schoonover Park, Frederick Park, and Homeowners' properties.

The Corporation pays a management fee to the property manager of 2.25% of the gross receipts for both Schoonover and Frederick Park properties for each month. In addition, \$2,500 per month is paid for the management of the homeowners' properties. The property manager is eligible to earn an incentive fee payable each year at the conclusion of the fiscal year. The total incentive fee payable shall not exceed .75% of gross receipts for that fiscal year. Corporation management will evaluate the property manager's performance based on written criteria.

The amount paid to the property manager for the year ended June 30, 2023 was \$907,245. and was included in rental housing operations expense. In connection with the agreement, the Corporation receives, on a monthly basis, the excess of revenues over expenses, adjusted for any anticipated cash flow needs, from the property manager. As of June 30, 2023, the accounts receivable from the property manager amounted to \$2,293,169.

NOTE 15. CONTRACTED SERVICES REVENUE

Compass Group USA, Inc, by and through its Chartwells Division (Chartwells), became the dining contractor effective July 1, 2021. The agreement with Chartwells will remain in force until June 30, 2031 unless sooner terminated by either party in writing, sixty (60 days) prior to the proposed termination date. The Corporation will provide all utilities, office space and equipment, along with other maintenance related services throughout the term of the contract. Chartwells will provide voluntary and mandatory meal plans, catering, and conference meals with agreed upon rates prior to the academic year. In addition, the dining contractor will fund an investment not to exceed of \$5,984,604 designated to capital improvements of dining venues. Commission payments for the year ended June 30, 2023 were \$444,104.

In June 2017, the Corporation entered into an agreement with Follett Higher Education Group, Inc. to operate the University Bookstore. The initial term of the agreement commenced on June 22, 2017 and terminates on June 30, 2027. Commission payments based on gross sales will be paid on the last day of the month for business transacted during the previous month. Commission payments for the year ended June 30, 2023 were \$154,190.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors University Corporation at Monterey Bay Seaside, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of net position and related statements of revenues, expenses and changes in net position and cash flows of University Corporation at Monterey Bay (the Corporation), a component unit of California State University, Monterey Bay, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements, and have issued our report thereon dated October 19, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
