They teach university courses and may also assist faculty or teaching staff with various professional and technical activities. Work assignments are closely associated with their program of study or the academic department in which they are enrolled.

Range A represents the salary range for CSU graduate students who (1) are currently enrolled or admitted to master's degree programs and (2) usually teach credit-bearing courses. Range B represents the salary range for CSU graduate students who (1) are currently enrolled or admitted to doctoral degree programs, or hold a doctorate, and (2) usually teach credit-bearing courses.

DISTINGUISHING FEATURES:

The Teaching Associate classification is distinguished from the Graduate Assistant and Student Assistant classifications by assignments that primarily involve classroom and laboratory instruction. Responsibility for a course may be vested in the Teaching Associate under the direct supervision of an appropriate faculty member.
